God spoke, and the world came into existence.
God spoke, and the world was demolished by a
flood. One day, God will speak the only verdict
that matters as He judges every person. This is
the God who knows you, even now. This is the
God who is watching you as you read.

Separation from the Common Zacharias Tanee Fomum, In Separation from the Common author Zacharias Tanee Fomum shares his personal journey of obedience to God s call to live a life of separation from the ordinary Fomum s journey began with small steps of obedience like giving away his suits when God asked him to but it soon became a radical commitment to living a life different from what obtains in the world around him Using biblical examples and others from Church history Fomum makes the case that all who are called by God to specific tasks are called away from the ordinary life and to uncommon lifestyle He argues that success and distinction come at a great price and that responsibility curtails a person s freedom Fomum s book challenges readers to consider whether they are willing to pay the price for success and follow the narrow way that Jesus walked Through his own story and reflections on the Scripture Fomum offers encouragement to those who are willing to heed God s call to a life of separation from the common He reminds readers that

they can hear God's voice and that He will be their guide and helper on the path to success in Him Separation from the Common is a challenging and inspiring call to a radical commitment to Christ and a life that stands out from the crowd

Is Who I Am* Raquel Cheers, 2025-02-19 The hardest thing for Anna to do was to surrender Dying to her flesh her will her plans and desires troubled her Why Life was passing her by and there was not anything to show for it She felt ashamed Everyone had houses land families and businesses Anna had none of these She did the right things She went to worship kept the commandments saved herself for marriage and served the Lord Decades would pass and nothing Alone now forty seven she felt rejected No Boaz for her A vessel unto honor was Anna with no jewels Others would look and question her What are you waiting for Deep within her she knew God had something more for her She kept the faith She stood the test of time and resisted temptation Anna refused to be distracted and focused on God and His will She knew the plans for her were big With the words run the race that is set before you Anna stayed on course She prayed to be a jewel in God's crown As she lay at His feet she prayed that God would cover her with His skirt That she would want for nothing And God promised to set her on top of the mountain bless her and silence the naysayers She knew that God would exalt her in time and grant her permission to release His mysteries to a world that views life blindly Release mysteries to a world oblivious of a savior who was born to change humanity Anna according to Luke got several paragraphs But Anna birthed a savior from eternity into time What an honor to see victory and be a part of history Who was Anna Anna was a mystery with a mystery Thank God for redemption *The Church School Journal* , 1876

Genesis Judith Folse, 2018-06-15 The Bible is God's inspired revelation to His people and it is His enduring truth Yet it can also be difficult for us to sometimes recognize how God's revealed truths are relevant for us today and even for all time Especially when it comes to Old Testament scriptures how can we focus our faith and apply what we know today in the modern world and discover the relevance and truth of these scriptures in a personal way In *Genesis A Modern Day Commentary* author Judith Folse presents the story of Genesis as the first part of the whole story of God's plan of redemption for humankind but she relates the subject matter of Genesis to New Testament themes that focus on the relationship between God and humanity In an easy to read style this commentary illuminates the ancient problems of sin and violence that still affect us today and it is intended for people of all faiths with a reverence for the Old Testament No matter your level of

Abingdon Theological Companion to the Lectionary Paul Scott Wilson, 2014-05-20 The Abingdon Theological Companion to the Lectionary begins with the conviction that Scripture speaks first and foremost to Christians now Its message engages Christian belief and action in the present day While informed by the best in current biblical studies its commentary on the Scripture passages of the Revised Common Lectionary focuses on the questions of Christian life in the world that church members bring with them to worship Each entry seeks to answer the essential questions what does this passage say about the Gospel How does it speak to my encounter with God in Christ and my calling as a Christian in the world This volume is conceived as a companion to biblical and lectionary resources that preachers regularly employ It showcases theological matters that arise out of both the biblical texts in the lectionary and the church seasons and special days **A Critical Examination of the Doctrine of Revelation in Evangelical Theology** Carisa A. Ash, 2015-07-14 How God reveals himself is an important matter for Christians especially evangelicals For too long Carisa Ash contends evangelicals have rightly affirmed that God reveals through the created world but then they functionally neglect such revelation In this monograph Ash offers a corrective to this practice by presenting a theology of revelation that explores the commonalities between various forms of revelation world written and spoken word and Incarnate Word Particularly aimed at theologians interested in theological method Ash's study will also benefit people interested in faith and learning or interdisciplinary integration Ash argues that evangelicals must strive to align more closely their affirmations and their practice Her critique of current practices in theological method and integration along with the proposed theology of revelation are designed to help move the

conversation forward **A commentary on 1 & 2 PETER** David Pawson, 2017-04-01 These two letters were written by the man who tried to persuade Jesus not to be crucified also wanted to erect three shrines on a mountain top for Moses Elijah and Jesus also was targeted by Satan to be sifted separated from the other disciples and whose self confident loyalty was shattered three times within twenty four hours But he had a special place on his Lord s prayer list which was undoubtedly a major cause of his transformation from a reed Simon into a rock Peter which enabled him to be the first pastor not pope of the church and the first preacher of the gospel after Pentecost This high calling qualified him to protect both the church from the persecution outside and the gospel from the corruption inside That is why his first epistle majors on suffering and the second on backsliding the latter containing the clearest warning against once saved always saved complacency His boldness led to his own crucifixion upside down at his own request Bear this in mind as you read both his pastoral letters **God's DNA** Donald A. Broadwater, 2007-10-22 There have been all kinds of explanations suggested for what happened at Pentecost When God first poured out his Spirit s Life upon the church it became obvious that God was at work Many explanations of what happened at Pentecost have reduced this spiritual phenomenon to a list of things we ought to be doing What this approach to ministry forgets is that Pentecost was not about what we need to be doing It is about what God was doing and what God continues to do by bringing Christ to dwell within God s people Pentecost show us that you can t reduce the mystery of life in the Spirit to a ministry model that can be duplicated whenever we want If it could wouldn t that have happened by now in America May I ask you to consider whether any ministry program has brought lasting revival to this nation What I believe we have seen is the hope for revival being shared and we are very passionate about that But our passion or our programs will not produce life in us or in others Only God can do that What we need is a fundamental transformation of our lives and ministries Only the Spirit of God can cause a person to be born again John 3 5 7 Only the Spirit of God can enable a walk with Jesus Galatians 3 1 3 And only the Spirit of God can bring about the awakening and revival that this nation needs Acts 4 31 Pentecost teaches us that it is not about having the right model for ministry If anyone had a model for ministry that could not be improved upon it was Israel God told Moses to make their ministry after the pattern he had seen on the Mountain as he met with God Exodus 25 9 40 And while this ministry was to be preformed it had no power to transform the lives of those believers who faithfully sought to maintain its ritual because their hearts could not be changed by the outward observance of any law Hebrews 7 19 The author of the Epistle to the Hebrews puts it this way This is why Moses was warned when he was about to build the tabernacle See to it that you make everything according to the pattern shown you on the mountain Hebrews 8 5 But God found fault with the people and said The time is coming declares the Lord when I will make a new covenant with the house of Israel and with the house of Judah It will not be like the covenant I made with their fathers when I took them by the hand to lead them out of Egypt because they did not remain faithful to my covenant and I turned away from them This is the covenant I will make with the house of Israel after that time

declares the Lord I will put my laws in their minds and write them upon their hearts I will be their God and they will be my people No longer will a man teach his neighbor or a man his brother saying Know the Lord because they will all know me from the least of them to the greatest For I will forgive their wickedness and will remember their sins no more By calling this covenant new he has made the first one obsolete and what is obsolete and aging will soon disappear Hebrews 8 8 13 So it is not about getting our model for ministry right or about having the right program or is it about knowing Christ and walking as he did but only the Spirit s presence in our lives can do that The book of Acts shows this over and over again Luke had already written the gospel named after him and he refers to this as my former book when he starts his preface in Acts Acts 1 1 He says that the gospel of Luke recorded all that Jesus began to do and to teach until the day he was taken up to heaven He then wrote Acts which recorded what Jesus continued to do and teach except now it is through the agency of the church as empowered by his Holy Spirit Luke s record is a diary of what happened as God s presence returned to earth with the outpouring of the Holy Spirit upon the church Jesus was on the throne in glory but he
