Day by Day with Jesus: Remembering Christ's true promises and realizing God's presence James Abdelmalek, 2022-08-01 In our daily lives we run into multiple emotions We may run into troubles yet we can find peace We may face hardships yet we can find prosperity We may find suffering yet we can find comfort We may get angry yet we can find calmness We may get desperate yet we can find hope We may hate others yet we can find love We may judge others yet we can find forgiveness We may hurt others yet we can be a help We may stumble others yet we can be an inspiration We may curse yet we can bless We may gossip yet we can pray It is simply a choice between living as the world and living through Jesus Jesus is always present as He promised God is always near as He assured us We run into sorrow because we forget God's true promises We are sad in our life because we forget Christ's guidance If we look at God's words and contemplate about how much He cares for us and how much He loves us We will be able to handle any situation at any time by any means through Christ our Lord

A commentary upon the holy Bible Matthew Henry, 1834 Revelation and Reason Colin E. Gunton, 2008-11-20 Colin Gunton was a world renowned scholar systematic theologian and Reformed Church minister Revelation and Reason is an in depth analysis derived from the annual lecture seminar course he gave to MA students at King's College London Approximately one third of the work is a direct transcript and analysis of the three two hour lectures Colin Gunton gave at a break neck speed 1 From Reason and Revelation to Revelation And Reason 2 The Modern Problem in an Historical Context 3 Aspects of Karl Barth on Faith And Reason These lectures were a history analysis and critique of Revelation and Reason in Systematic Theology and Philosophy culminating with Karl Barth The remainder is a transcript of the unrehearsed unscripted extemporaneous responses Colin Gunton gave to MA student's papers on set topics in the Revelation and Reason course seamlessly integrated where relevant with detail from the main three lectures Colin was a creative lecturer and widely read theologian and philosopher These extemporaneous responses show the breadth of his learning and his genius spontaneously to bring to mind relevant ideas from a wealth of theologians and philosophers whilst incisively and piercingly exposing the flaws as well as the strengths under

consideration From this wealth of reading Colin gave space to the free rein of his mind particularly when fielding questions or trying to analyze a particular strand of a theologian's thought Revelation and Reason is a complementary volume to Colin Gunton's posthumously published The Barth Lectures Continuum 2007 and to the first volume of his unfinished Systematic Theology also forthcoming from T T Clark The Works of William Perkins, Volume 4 William Perkins, 2017-03-25 This fourth volume contains two treatises of biblical exposition The first treatise is A Godly and Learned Exposition upon the Whole Epistle of Jude Finding the purpose of Jude's letter in verse 3 Perkins calls for all Christians to persevere in professing the gospel by taking heed of false teachers and deceivers who seek to infiltrate the church While many of his points of application reflect a context peculiar to the Elizabethan era his insights into what it means to contend for the faith still prove applicable today The second treatise is A Godly and Learned Exposition or Commentary upon the Three First Chapters of Revelation giving careful consideration of the seven letters to the seven churches of Asia Perkins highlights the person of Christ and His significance to the church focuses on what Christ approves and rebukes about the condition of the church and emphasizes Christ's bounty and humanity's duty Troubled by the prevalence of those who accept empty profession as conversion and dead formality as godliness Perkins urges his audience to move beyond mere intellectual assent to heartfelt dedication to Christ **Social-science Commentary on the Letters of Paul** Bruce J. Malina, John J. Pilch, 2006-01-01 This latest addition to the Fortress Social Science Commentaries on New Testament writings illuminates the values perceptions and social codes of the Mediterranean culture that shaped Paul and his interactions both harmonious and conflicted with others Malina and Pilch add new dimensions to our understanding of the apostle as a social change agent his coworkers as innovators and his gospel as an assertion of the honor of the God of Israel Israel and the Covenants in New Testament Times Peter Williams, A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of

God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them
 Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what
 Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new
 covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully
 understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done
 so but its implications are too awesome and fundamental to our eternal life prospects for that The Face of Christ Dr. H.S.
