**Celebrating The 12 Days of Christmas** Chris Marchand, 2019-10-10 The song The 12 Days of Christmas is a mainstay of the holiday season but the practice of celebrating Christmas as a twelve-day festival fell out of fashion long ago in most cultures In Celebrating the 12 Days of Christmas author Chris Marchand explores the history behind the season and individual feast days from December 25 to January 6 and then offers suggestions for how you can celebrate it with your family church or community Along with this he provides answers to many of the nagging questions surrounding the holiday such as the history behind the twelve days song why December 25 was chosen as the date and what to do about its supposedly pagan origins The challenge before us is to first help people see Christmas as a holiday that begins rather than ends on December 25 and then to together figure out how to reinvent Christmas in the present by learning how it was celebrated in the past

Rediscovering Christmas John Greco, 2024-09-10 Year after year countless believers immerse themselves in the story of the first Christmas rehearsing the well-known tale of the baby King who was born into the humblest of circumstances But for some the nativity story has become so familiar it has been robbed of its power For others the biblical narrative is more like a puzzle the pieces are all there but it's not clear how they all fit together Luke talks about shepherds and a census while Matthew deals with wise men and an escape to Egypt There's a star and a manger and more angels than you can count it can be hard to keep it all straight Rediscovering Christmas is a modern paraphrase of the Christmas story drawn directly from the Gospels and created to help readers see the Father's heart in details that are all too often overlooked The result is a seamless retelling of Jesus's birth that will fascinate new and mature believers alike Also included are twelve devotional essays that invite readers to step into the first Christmas story as if they were there going deeper into cultural contexts that will help them discover the goodness of God in fresh and surprising ways This beautiful hardcover volume is perfect for quiet times group study or family
