The Author of Love Joc Anderson, 2011-07-08 Throughout history God has been depicted variously as a judgmental tyrant a grand conciliator and even as a rather low key comic portrayed by the cigar smoking George Burns in the movie Oh God The question that's begging to be answered is Who is God This devotional evolved out of one person's desire to portray God in a truer light In the Book of Job God reprimanded Job's friends for failing to speak truthfully about Him They misrepresented His character Job on the other hand understood His Maker and was therefore the single voice of truth in an otherwise corrupt world Can you honestly say that you know your Creator Can you speak truthfully about Him This devotional will help you get to know the real God who is neither the judgmental tyrant nor the light weight movie character He is if nothing else a God of love and compassion At the conclusion of your devotionals I have formulated a Love Quotient L Q test to measure the depth of your love The questions are designed to be thought provoking and insightful You may also find them a bit daunting and uncomfortable Answer each question

according to your beliefs There are no wrong or right answers It is my hope you'll find this little exercise revealing and instructive of how you love The answers and Key is also included Your heart is what you're all about May you understand God's love for you

The Promise Keepers Dane S. Claussen, 2000 Now nearly 15 years old during which time it exploded in size then declined and has now plateaued the Promise Keepers and its policies have invited reactions ranging from celebration to suspicion Many see the Christian men's organization as a powerful tool to encourage and equip Christian men to face a morally complex future Others view the group as sexist or even heretical This book was the first and in most ways still the only objective analysis of the Promise Keepers and the many reactions to it Contributors to this collection of critical essays hail from the fields of political science history sociology religion and theology journalism and mass communication speech English women's studies American studies and sports science The responses range from supportive to skeptical and cover topics that go beyond the Promise Keepers to issues of evangelical Christianity gender roles men's organizations mass media and social movements
