[Turn Your Worry Around](#) Joe Carter, 2018-08-15 God promises to take care of the needs that we have. We need to understand that when we worry we are failing to trust in a dependable and a good God for our basic needs. What a bad witness to the world it is when Christian people worry. Sometimes we convince ourselves that we trust in the Lord with our whole heart but when push comes to shove we don't really trust Him. It is easy for us to say at times I fully depend on God. However it becomes a little bit more difficult when times are slightly rough. It becomes a little more difficult when we do not know how we're going to pay our bills. So what do we do? We worry. Moses is a great example of how worry can gripe us even while we are standing in the very presence of God. It is so important for us as the children of God to keep our hearts and minds washed in the blood of the lamb and have the Word of God written on the tablets of our hearts so when God speaks we receive it with gladness and act on it with boldness. Truly seeing the world through God's eyes is another piece of the puzzle to turn our worry around. A big question that we all need to answer is do we really see the world around us through God's eyes or our own eyes? You see everything in life begins and ends with Jesus Christ. When we accept Jesus into our hearts we then have the access to all the benefits that this relationship brings and one of those great gifts is his peace. Isaiah 53:5 says He was wounded for our transgressions and bruised for our iniquities and the chastisement of our peace was on him and by his stripes we are healed.

*The Devil's Backbone* Bill Wittliff, 2014-10-01 The last the boy Papa saw of his Momma she was galloping away on her horse Precious in the saddle her father took from a dead Mexican officer after the Battle of San Jacinto fleeing from his Daddy Old Karl a vicious tight fisted horse trader. Momma's flight sets Papa on a relentless quest to find her that thrusts him and his scrappy little dog Fritz into adventures all across the wild and woolly Hill Country of Central Texas down to Mexico and even into the realm of the ghostly Shimmery People. In *The Devil's Backbone* master storyteller Bill Wittliff takes readers on an exciting journey through a rough 1880s frontier as full of colorful characters and unexpected turns of events as the great American quest novel *Adventures of Huckleberry Finn*. Wittliff grew up listening to stories and memories like these in his own family and in this imaginative novel they come to vivid life creating an engrossing story of a Texas Huck Finn that brims with folk wisdom and sly humor. A rogue's gallery of characters thwart and aid Papa's path. Old Karl hell bent on bringing the boy back to servitude on his farm and Herman Papa's brother who's got Old Karl's horse trading instincts and greed. Calley Pearsall an enigmatic cowboy with other Fish to Fry who might be an outlaw or a trustworthy o Amigo o Jeffey a black seer who talks to the spirits but won't tell Papa what she has divined about his Momma. Mister Pegleg a three legged

coyote with whom Papa forms a poignant nearly tragic friendship the Mexkins Pepe and Peto and their father Old Crecencio whose longing for his lost family is as strong as Papa's and blind Bird a magical blue baby who can't see with his eyes but who helps other people see what they hold in their hearts Papa's adventures draw him ever nearer to a mysterious cave that haunts his dreams an actual cave that he discovers at last in the canyons of the Devil's Backbone but will he find Momma before Old Karl finds him
