Andree, III, 2008-03-29 The Houses of Israel and Judah dominate the scriptures from the time of King David until they both were sent into captivity Each House had a destiny to fulfill These destinies are being worked out today What drives the destiny of these Houses The Birthright is a term that many in the Church are aware of but without an understanding of its presence throughout the scriptures It is manifested as the Dominion

Mandate and the Fruitfulness Mandate through the Houses of Israel and Judah What are the implications for the coming Kingdom of God and the Sons of God We cannot know or comprehend this answer unless we understand the many foundational scriptures and concepts that establish God's Heart and Plan for the last days This study will challenge each person to be teachable and open to another perspective of God's Plan for Redemption God will reveal His Plan for you and your place in His Coming Kingdom God is maturing His Believers to rule and reign with Him **God's Greek Name in Art**

Matthew McMahon, 2018-04-06 Worship is not a trite act It is the life of the Christian When the Christian hears God in his word or from the mouth of the biblical minister and is pressed to obey him in all things as exemplified in his word such obedience is for his very life For it is not a vain thing for you because it is your life Deut 32:47 In this obedience God has not left his ordinances of worship to the inventions of men God has set down certain specific requirements which are to be followed It was a hallmark of the Reformation that God alone determines the manner in which sinners approach him God's will in this way has reference to the regulative principle of life as well as to the Laws which God has made known and prescribed to man in order that his walk might be regulated accordingly So God regulates his worship with the intention of allowing fallen sinful people to come before him and sanctify his name in a manner that God requires in holiness This is the substance of Burroughs' treatise Gospel Worship Worship is for God not for us Sadly that simple statement is foreign to our day Yet God is as clear today as He was to Nadab and Abihu in the Old Testament He will be treated as holy by those who come into His presence Lev 10:1-3 In this treasured work Jeremiah Burroughs masterfully provides guidelines to facilitate the reader to move closer to God in worship Through 14 sermons Burroughs carefully explains the right manner of worshipping God in general and the three great ordinances of hearing the Word receiving the Lord's Supper and prayer

Burroughs demonstrates that true worship is reverent focused on the holiness of God This work is not a scan or facsimile has been carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions

God's Plan for Spiritual Battle Russell M. Stendal, 2024-09-18 I love a good fight When unjustly attacked I have learned to seek the guidance and leadership of the Holy Spirit and retaliate by Overcoming Evil with Good There is a huge difference between a Peacemaker and a Pacifist This Battle Plan for spiritual warfare gleaned from the life and message of Jesus especially the Sermon on the Mount and the Beatitudes was on my heart even before I was kidnapped by terrorists and held hostage under extreme conditions in 1983 Since then thousands of missionaries pastors and other Christians have been kidnapped murdered or forced to flee from their places of ministry in rural Colombia Had these Christians known and understood this battle plan for spiritual warfare they could have been victorious instead of prematurely suffering defeat Many who did choose to remain in the path of ever present danger have rallied around this message A thriving underground church is multiplying in a huge area about the size of North Korea in the south and east of Columbia where Bibles church buildings formal ministry and even house meetings have been prohibited for more than 25 years Severe persecution in rural Colombia has actually served to bring real Christians together in deepening Christian relationships identify the true church and cleanse believers from corruption This has been possible because of the remnant that has been chosen to fight the good fight of faith

The Lord's Prayer (Touchstone Texts) William M. IV Wright, 2023-02-28 Since the beginning of Christianity the Lord's Prayer has occupied an important place in the lives of Jesus's disciples for it is the prayer Jesus himself taught them Like other biblical prayers the Lord's Prayer contains words people offer to God But since this prayer is from Jesus and is part of Scripture it is also God's Word to people When we say this prayer not only are we speaking to God but God is also speaking to us Highly regarded New Testament scholar William Wright shows how this classic text can speak afresh to the life of the church today He integrates critical exegesis theological exposition and Christian spirituality to explicate the theological substance of the Lord's Prayer His goal is to help readers come to know God and love God and others more deeply through a focused study of this important Christian prayer The Touchstone Texts series addresses key Bible passages making high quality biblical scholarship accessible to the church The series editor is Stephen B Chapman Duke Divinity School

God is life not money Never ever will God be needing or asking for money He owns the whole world why will he Worship God with life not with money Any church that demands contributions or tithes from her faithful saying that they are God s share and yet that very God s share did not go to God but to the satisfaction of her self esteem greed and flesh is prostituting not worshipping the Holy Name of God The true Church of Jesus exists to bring life to the world And there will be no life in this world for as long as there is poverty and oppression in our world For this she shall seek out all wealth and power and truth to liberate the poor and oppressed from the clutches of the evil world Therefore any money given to the church that did not go to serving the cause of the poor and oppressed in our world is money that went to church never to God Amen

Pharaoh Akhenaten, The God of Light AJ Carmichael,2025-09-03 For over two millennia the gods of Egypt ruled in harmonious plurality Amun Re Ptah and countless others sustaining the rhythms of life along the Nile Then came Akhenaten He dared to do what no Egyptian king had attempted to silence the chorus of gods and proclaim one god alone Aten the radiant sun disk His vision reshaped religion art politics and even the cityscape itself with the founding of a dazzling new capital Amarna Yet his revolution burned bright and brief Within a generation his god was cast down his temples dismantled and his memory cursed This book explores the drama of Akhenaten s reign in all its facets his inheritance from Amenhotep III s golden age his clash with the powerful priesthood of Amun the

radical art and theology of Amarna and the swift collapse of Atenism after his death Drawing on archaeology history and cultural memory it reveals how Akhenaten s bold experiment stands as both precursor and warning to later monotheisms Was he a visionary prophet a tyrant blinded by zeal or simply a dreamer undone by his own exclusivity Akhenaten s Revolution examines one of history s most fascinating figures whose shadow still lingers in debates about faith power and the fragile balance between tradition and change *A complete Body of practical Divinity; being a new improvement of the Assembly's Catechism ...
