Martin, 2014-05 This book is a credit to Jesus Christ who sustained the author through repeated and prolonged abuses of unmentionable proportions for several decades the 1 purpose of this book is to glorify Jesus who is the Great Physician of impossible shatters abuse and heart shreds even amid emotional comatose and poly fragmented dissociation the 2 purpose of the book is to identify with the broken rejected and abused and to commend you all for your strength and survival It is written as a voice for all the survivors of abuse and for those who may be currently trapped as a victim It is written as a source of inspiration to offer hope to those who are on the healing journey or desire to begin this journey to hope healing and freedom the 3 purpose of the book is as a resource for those who are open minded enough to be willing to learn how to understand and help the broken and abused and receive a deeper comprehension of the realities they face We cannot correctly represent Jesus if we cannot see the abused and brokenhearted through His eyes and heart When we truly see them through His heart and eyes we will be propelled into compassionate action just as Jesus was This book addresses and gives hope for abuse issues and aftermath on

every level that many may prefer to shove under the carpet This includes not only the various abuses out there but some of the aftermath such as extreme emotional agony suicide dissociation rejection PTSD and satanic bondage the enemy of our soul loves darkness and delights to feed on the unresolved anguish and footholds that are buried in his closets With God s help the enemy and his tactics must be exposed and those whom he has wounded and or holds captive must be freed for he is defeated through the blood of the Great Physician Jesus Christ Names of H.O.P.E.
