God Ordained This War Sermons On The Sectional Crisis 1830 1865:

"God Ordained this War" David B. Chesebrough, 1991 Shattered Nation Edwin Hanton Robertson, 1967

Disarming the Nation Elizabeth Young, 1999-12-15 In a study that will radically shift our understanding of Civil War literature Elizabeth Young shows that American women writers have been profoundly influenced by the Civil War and that in turn their works have contributed powerfully to conceptions of the war and its aftermath Offering fascinating reassessments of works by white writers such as Harriet Beecher Stowe Louisa May Alcott and Margaret Mitchell and African American writers including Elizabeth Keckley Frances Harper and Margaret Walker Young also highlights crucial but lesser known texts such as the memoirs of women who masqueraded as soldiers In each case she explores the interdependence of gender with issues of race sexuality region and nation Combining literary analysis cultural history and feminist theory *Disarming the Nation* argues that the Civil War functioned in women's writings to connect female bodies with the body politic Women writers used the idea of civil war as a metaphor to represent struggles between and within women including struggles against the cultural prescriptions of civility At the same time these writers also reimagined the nation itself foregrounding women in their visions of America at war and in peace In a substantial afterword Young shows how contemporary black and white women including those who crossdress in Civil War reenactments continue to reshape the meanings of the war in ways startlingly similar to their nineteenth century counterparts Learned witty and accessible *Disarming the Nation* provides fresh and compelling perspectives on the Civil War women's writing and the many unresolved civil wars within American culture today *American Heretics* Jerome E. Copulsky, 2024-10-01 A penetrating account of the religious critics of American liberalism pluralism and democracy from the Revolution until today A chilling consideration of persistent mutations of American thought still threatening our pluralist democracy Kirkus Reviews starred review The conversation about the proper role of religion in American public life often revolves around what kind of polity the Founders of the United States envisioned Advocates of a Christian America claim that the Framers intended a nation whose political values and institutions were shaped by Christianity secularists argue that they designed an enlightened republic where church and state were kept separate Both sides appeal to the Founding to justify their beliefs about the kind of nation the United States was meant to be or should become In this book Jerome E Copulsky complicates this ongoing public argument by examining a collection of thinkers who on religious grounds considered the nation's political ideas illegitimate its institutions flawed and its church state arrangement defective Beholden to visions of cosmic order and social hierarchy rejecting the increasing pluralism and secularism of American society they predicted the collapse of an unrighteous nation and the emergence of a new Christian commonwealth in its stead By engaging their challenges and interpreting their visions we can better appreciate the perennial temptations of religious illiberalism as well as the virtues and fragilities of America's liberal democracy The Old Religion in a New World Mark A. Noll, 2002 A foremost historian of religion chronicles the arrival of Christianity in the New World

tracing the turning points in the development of the immigrant church which have led to today's distinctly American faith

Encyclopedia of Protestantism Hans J. Hillerbrand, 2004-08-02 For more information including sample entries full contents listing and more visit the Encyclopedia of Protestantism web site Routledge is proud to announce the publication of a new major reference work from world renowned scholar Hans J Hillerbrand The Encyclopedia of Protestantism is the definitive reference to the history and beliefs that continue to exert a profound influence on Western thought Featuring entries written by an international team of specialists and scholars the encyclopedia traces the course of Protestantism from its beginnings prior to 1517 when Martin Luther nailed his 95 Theses to the door of Wittenberg Cathedral to the vital and diverse international scene of the present day *America's God* Mark A. Noll, 2002-10-03 Religious life in early America is often equated with fire and brimstone Puritanism yet by the nineteenth century Americans had moved away from the severe European traditions of which Puritanism was the most influential In its place arose a singularly American set of beliefs marked by heightened spiritual inwardness a new confidence in individual reason and an attentiveness to the economic and market realities of Western life In *America's God* Mark Noll has given us the definitive history of Christian theology in America from the time of Jonathan Edwards to the presidency of Abraham Lincoln *Law, Morality, and Abolitionism* Matthew Hill, 2011-01-18 In the 1830s the abolitionist movement in the United States refashioned itself under new leadership which was determined to bring slavery to an immediate end Too often written off by northern and southern opinion makers alike as fanatics who threatened the social and economic order in America they struggled in the face of both secular and religious defenders of the institution of slavery Into this fray stepped Francis Wayland 1796-1865 a leading educator noted author of textbooks on moral philosophy and economics and longtime president of Brown University Initially a moderate on slavery Wayland with near equal fervor both denounced slavery as sinful and yet countenanced caution in respecting the laws that protected the institution Like so many of his generation the flow of events moved him toward Unionism and forced him to confront the logic of his own moral arguments If slavery was indeed a violation of natural rights how then could he not act on behalf of those who could not speak for themselves This work explores his journey **Critical Issues in American Religious History** Robert R. Mathisen, 2006 Americans as a religious people experience both tension and indecision as they wrestle with a variety of critical issues every day American society continually struggles with its religious past The primary and secondary materials included in this volume track religious America's efforts to articulate its identity and destiny and implement its religious creeds and ideals in an ever changing society **Bonds of Salvation** Ben Wright, 2020-12-16 Ben Wright's *Bonds of Salvation* demonstrates how religion structured the possibilities and limitations of American abolitionism during the early years of the republic From the American Revolution through the eruption of schisms in the three largest Protestant denominations in the 1840s this comprehensive work lays bare the social and religious divides that culminated in secession and civil war Historians often emphasize status anxieties market changes biracial cooperation and political

maneuvering as primary forces in the evolution of slavery in the United States Wright instead foregrounds the pivotal role religion played in shaping the ideological contours of the early abolitionist movement Wright first examines the ideological distinctions between religious conversion and purification in the aftermath of the Revolution when a small number of white Christians contended that the nation must purify itself from slavery before it could fulfill its religious destiny Most white Christians disagreed focusing on visions of spiritual salvation over the practical goal of emancipation To expand salvation to all they created new denominations equipped to carry the gospel across the American continent and eventually all over the globe These denominations established numerous reform organizations collectively known as the benevolent empire to reckon with the problem of slavery One affiliated group the American Colonization Society ACS worked to end slavery and secure white supremacy by promising salvation for Africa and redemption for the United States Yet the ACS and its efforts drew strong objections Proslavery prophets transformed expectations of expanded salvation into a formidable antiabolitionist weapon framing the ACS s proponents as enemies of national unity Abolitionist assertions that enslavers could not serve as agents of salvation sapped the most potent force in American nationalism Christianity and led to schisms within the Presbyterian Baptist and Methodist churches These divides exacerbated sectional hostilities and sent the nation farther down the path to secession and war Wright s provocative analysis reveals that visions of salvation both created and almost destroyed the American nation

Empowered Witness (Foreword by Kevin DeYoung) Alan D. Strange, 2024-01-23
Rediscovering the Spirituality of the Church in Our Highly Politicized Age The goal of the church should be simple share the gospel to the ends of the earth But in our highly politicized age Christians can tend to place earthly political and social agendas over God s spiritual mission of the church In Empowered Witness author Alan D Strange examines the doctrine of the spirituality of the church making a clear distinction between the functions of the church and other institutions Strange argues that if the church continues to push political agendas no institution will be focused solely on the Great Commission and the gospel will be lost entirely This book calls readers to become aware of the church s power and limits and shed light on moral issues in a way that doesn t alter the deeply spiritual and gospel centered mission of the church Explores the Spirituality of the Church An important biblical doctrine developed in the 19th century Appeals to Thoughtful Laypeople and Church Leaders Considers the critical distinctions between the church and other institutions Historical Examines the purpose of the church throughout history and the development of the spirituality of the church in the 19th century Foreword by Kevin DeYoung Author of Just Do Something Crazy Busy and The Biggest Story *American Crusades* Jon DePriest, 2018-11-15 *American Crusades* details evangelical pursuits to unite God s purposes with American empires It argues that religious motivations contributed heavily to United States governmental policies and built sacred spaces in many attempts to influence American society These embedded ambitions form the core of Americanism yet somehow remain hidden right in front of our eyes In the action of caretaking they advanced their understanding of God s demand on their lives

and purposes Evangelical and theologically conservative Americans linked the sacred and secular shaping the ethos of the American people The terminology of religious thinking quickly sacralized concepts like democracy and capitalism in an attempt to control and use them Once packaged as a sacred space in need of custody religious leadership sought to fulfill its kingdom responsibility and secure its future Eventually a combination of religiously defined secular components coalesced into the term known simply as Americanism Building on the success of the new nation and supporting the causes of Americanism throughout the world has imprinted a uniquely evangelical construct into the domestic and foreign policy structures of the United States The shifting landscape of American culture drove evangelicalism into the margins in the 1970s while most scholars think that the decline of religious conservatism in culture meant that secularization controlled foreign policy as well this is not true Removed from the whims of domestic politics Protestant evangelical patterns of action have resisted change in American foreign policy structures Over time however the movement lost its faith distinctives while embedding religious principles in foundations of U S foreign policy This book seeks to produce a reorganized narrative through a critical synthesis to locate white evangelicals quest to be the foundational voice in America s shaping ideological lineage

Faith and the Presidency From George Washington to George W. Bush Gary Scott Smith,2006-10-12

Publisher description **Was America Founded as a Christian Nation? Revised Edition** John Fea,2016-10-01 John Fea offers a thoroughly researched evenhanded primer on whether America was founded to be a Christian nation as many evangelicals assert or a secular state as others contend He approaches the title s question from a historical perspective helping readers see past the emotional rhetoric of today to the recorded facts of our past This updated edition reports on the many issues that have arisen in recent years concerning religion s place in American societyincluding the Supreme Court decision on same sex marriage contraception and the Affordable Care Act and state level restrictions on abortionand demonstrates how they lead us to the question of whether the United States was or is a Christian nation Fea relates the history of these and other developments pointing to the underlying questions of national religious identity inherent in each We live in a sound bite culture that makes it difficult to have any sustained dialogue on these historical issues Fea writes in his preface It is easy for those who argue that America is a Christian nation and those who do not to appear on radio or television programs quote from one of the founders or one of the nation s founding documents and sway people to their positions These kinds of arguments which can often be contentious do nothing to help us unravel a very complicated historical puzzle about the relationship between Christianity and America s founding

Christianity and Race in the American South Paul Harvey,2016-11-21 This in depth study examines the social structures and religious beliefs that helped shape Southern history from colonization to the twenty first century The history of race and religion in the American South is infused with tragedy survival resistance and even transcendence In Christianity and Race in the American South Paul Harvey provides an enlightening narrative history that fundamentally transforms our understanding of American

Christianity and religious identity Harvey examines the intertwined histories of race and religion in the South dating back to the first days of European settlement He reveals a complex story rife with strange alliances unlikely parallels and far too many tragedies He shows how the role of Southern churches were critically shaped by the conflicts over slavery and race that defined southern life more broadly Harvey's book offers essential insight into today's volatile brew of race violence religion and southern identity

The New Abolition Gary Dorrien, 2015-09-29 The black social gospel emerged from the trauma of Reconstruction to ask what a new abolition would require in American society It became an important tradition of religious thought and resistance helping to create an alternative public sphere of excluded voices and providing the intellectual underpinnings of the civil rights movement This tradition has been seriously overlooked despite its immense legacy In this groundbreaking work Gary Dorrien describes the early history of the black social gospel from its nineteenth century founding to its close association in the twentieth century with W E B Du Bois He offers a new perspective on modern Christianity and the civil rights era by delineating the tradition of social justice theology and activism that led to Martin Luther King Jr

And There Was Light Jon Meacham, 2023-10-17 NEW YORK TIMES BESTSELLER Pulitzer Prize winning biographer Jon Meacham chronicles the life of Abraham Lincoln charting how and why he confronted secession threats to democracy and the tragedy of slavery to expand the possibilities of America Meacham has given us the Lincoln for our time Henry Louis Gates Jr Winner of the Gilder Lehrman Lincoln Prize Longlisted for the Biographers International Plutarch Award One of the Best Books of the Year The Christian Science Monitor Kirkus Reviews A president who governed a divided country has much to teach us in a twenty first century moment of polarization and political crisis Hated and hailed excoriated and revered Abraham Lincoln was at the pinnacle of American power when implacable secessionists gave no quarter in a clash of visions bound up with money race identity and faith In him we can see the possibilities of the presidency as well as its limitations At once familiar and elusive Lincoln tends to be seen as the greatest of American presidents a remote icon or as a politician driven more by calculation than by conviction This illuminating new portrait gives us a very human Lincoln an imperfect man whose moral antislavery commitment essential to the story of justice in America began as he grew up in an antislavery Baptist community who insisted that slavery was a moral evil and who sought as he put it to do right as God gave him to see the right This book tells the story of Lincoln from his birth on the Kentucky frontier in 1809 to his leadership during the Civil War to his tragic assassination in 1865 his rise his self education his loves his bouts of depression his political failures his deepening faith and his persistent conviction that slavery must end In a nation shaped by the courage of the enslaved of the era and by the brave witness of Black Americans Lincoln's story illustrates the ways and means of politics in a democracy the roots and durability of racism and the capacity of conscience to shape events

Noble Powell and the Episcopal Establishment in the Twentieth Century David Hein, 2007-05-01 The quintessential man for his own season Noble Powell 1891-1968 was an episcopal priest and then bishop who epitomized the cultural and ecclesiastical epoch before the

tumultuous sixties This volume the first biography devoted to a dynamic churchman often referred to as the last bishop of the old church fills a major gap in American religious historiography while illuminating the strengths flaws and eventual decline of the Protestant establishment in the United States Deeply influenced by the beliefs and practices of a mix of southern denominations Powell was raised a Baptist and confirmed to his family's chagrin in the Episcopal Church As parson at the University of Virginia Powell led a flourishing student ministry before serving successively as rector of Emmanuel Church in Baltimore dean of the National Cathedral and bishop of the Diocese of Maryland Hein sketches the spiritual depth self discipline sense of humor and personal magnetism that anchored Powell's unwavering commitment to the human side of the church He shows how Powell's outlook as bishop dovetailed with the prevailing temper of his time and also discusses how Powell's leadership style marked by patience and an aristocratic civility diminished in effectiveness amid the upheaval of the 1960s

A City Upon a Hill Larry Witham, 2007-08-07 Pivotal moments in U S history are indelibly marked by the sermons of the nation's greatest orators America's Puritan founder John Winthrop preached about a city upon a hill a phrase echoed more than three centuries later by President Ronald Reagan in his farewell address to the nation Abraham Lincoln's two greatest speeches have been called sermons on the mount and Martin Luther King Jr's I Have a Dream oration influenced a generation and changed history From colonial times to the present the sermon has motivated Americans to fight wars as well as fight for peace Mighty speeches have called for the abolition of slavery and for the prohibition of alcohol They have stirred conscientious objectors and demonstrators for the rights of the unborn Sermons have provoked the mob mentality of witch hunts and blacklists but they have also stirred activists in the women's and civil rights movements The sermon has defined America at every step of its history inspiring great acts of courage and comforting us in times of terror A City Upon a Hill tells the story of these powerful words and how they shaped the destiny of a nation A City Upon a Hill includes the story of Robert Hunt the first preacher to brave the dangerous sea voyage to Jamestown Jonathan Mayhew's most seditious sermon ever delivered which incited Boston's Stamp Act riots in 1765 early calls for abolition and Captain Preacher Nat Turner's bloody slave revolt of 1831 Henry Ward Beecher's sermon at Fort Sumter on the day of Lincoln's assassination tent revivalist prohibitionist Billy Sunday's booze sermon the challenging words of Martin Luther King Jr which inspired the civil rights movement Billy Graham's moving speeches as America's pastor and spiritual advisor to multiple U S presidents and Jerry Falwell's legacy of changing the way America does politics A City Upon a Hill provides a history of the United States as seen through the lens of the preached words Protestant Catholic and Jewish that inspired independence constitutional amendments and military victories and also stirred our worst prejudices selfish materialism and stubborn divisiveness all in the name of God

Apostle of the Lost Cause Chris Moore, 2024-01-12 Perhaps no person exerted more influence on postwar white Southern memory than former Confederate chaplain and Baptist minister J William Jones Christopher C Moore's Apostle of the Lost Cause is the first full length work to examine the complex contributions to Lost Cause ideology of this

well known but surprisingly understudied figure Commissioned by Robert E Lee himself to preserve an accurate account of the Confederacy Jones responded by welding hagiography and denominationalism to create in effect a sacred history of the Southern cause In a series of popular books and in his work as secretary of the Southern Historical Society Papers Jones s mission became the canonization of Confederate saints most notably Lee Stonewall Jackson and Jefferson Davis for a postwar generation and the contrivance of a full blown myth of Southern virtue in defeat that deeply affected historiography for decades to come While personally committed to Baptist identity Jones supplied his readers with embodiments of Southern morality who transcended denominational boundaries and enabled white Southerners to locate their champions and themselves in a quasi biblical narrative that ensured ultimate vindication for the Southern cause In a time when Confederate monuments and the enduring effects of white supremacy are in the daily headlines an examination of this key figure in the creation of the Lost Cause legacy could not be more relevant

God Ordained This War Sermons On The Sectional Crisis 1830 1865 Introduction

God Ordained This War Sermons On The Sectional Crisis 1830 1865 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. God Ordained This War Sermons On The Sectional Crisis 1830 1865 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. God Ordained This War Sermons On The Sectional Crisis 1830 1865 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for God Ordained This War Sermons On The Sectional Crisis 1830 1865 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks God Ordained This War Sermons On The Sectional Crisis 1830 1865 Offers a diverse range of free eBooks across various genres. God Ordained This War Sermons On The Sectional Crisis 1830 1865 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. God Ordained This War Sermons On The Sectional Crisis 1830 1865 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific God Ordained This War Sermons On The Sectional Crisis 1830 1865, especially related to God Ordained This War Sermons On The Sectional Crisis 1830 1865, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own

Online Searches: Look for websites, forums, or blogs dedicated to God Ordained This War Sermons On The Sectional Crisis 1830 1865, Sometimes enthusiasts share their designs or concepts in PDF format. **Books and Magazines** Some God Ordained This War Sermons On The Sectional Crisis 1830 1865 books or magazines might include. Look for these in online stores or libraries. Remember that while God Ordained This War Sermons On The Sectional Crisis 1830 1865, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. **Library Check** if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow God Ordained This War Sermons On The Sectional Crisis 1830 1865 eBooks for free, including popular titles. **Online Retailers:** Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. **Authors Website** Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the God Ordained This War Sermons On The Sectional Crisis 1830 1865 full book , it can give you a taste of the authors writing style. **Subscription Services** Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of God Ordained This War Sermons On The Sectional Crisis 1830 1865 eBooks, including some popular titles.

FAQs About God Ordained This War Sermons On The Sectional Crisis 1830 1865 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. God Ordained This War Sermons On The Sectional Crisis 1830 1865 is one of the best book in our library for free trial. We provide copy of God Ordained This War Sermons On The Sectional Crisis 1830 1865 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with God Ordained This War Sermons On The Sectional Crisis 1830 1865. Where to download God Ordained This War Sermons On The Sectional Crisis 1830 1865 online for free? Are you looking for God Ordained This War Sermons On The Sectional Crisis 1830 1865 PDF? This is definitely going to save you time and cash in something you should think about.
