The book serves as a resource and an assessment tool The seven minute spiritual manager establishes a spiritually intuitive action plan for goals and objectives which lead to purpose and decrees to the soul that as a result of spiritual practice obedience God will initiate and support thoughts and actions which will produce optimum outcomes in spite of obstacles and difficult situations The spiritual manager strives for spiritual consistency and avoidance of flesh laden distractions to close the time gap between events thought for resolution and spiritual reaction The Bible as the foundation of a spiritual action plan serves as a resource for supporting and assessing progress towards godly purpose The spiritual manager unable to remove completely the burden of sin from worldly surroundings empowers the soul to contradict the appeal of sin wrong choices to our weakest points He or she invalidates and lessens sinful opportunities while maximizing spiritual production The spiritual manager's ultimate goal then evolves from one of satisfying a temporary need to attaining ongoing spiritual enlightenment and fulfillment

give you      **Life-Study of Genesis** Witness Lee,1997-03      **The Independent** ,1902      **Rising in Love** Ram Das  
 Batchelder,2014-12-12 Rising in Love tells the story of the author s extraordinary spiritual awakening in America which  
 included meeting an angel his discovery of Amma the living Guru known in the West as the Hugging Saint and the 27  
 amazing years he has spent in quest of Enlightenment as Amma s devotee most of that time in India The book is a multi  
 faceted diamond It is a suspenseful psychological thriller a page turner from the outset yet there also much humor in the  
 narrative and at times reads like a comedic novel From another angle it is a story of profound healing from delusion drug  
 addiction and despair into a joyous and beautifully fulfilled life and as such it is a ray of hope for all who suffer from addiction  
 or mental illness of one kind or another      The Royal Law of Liberty Darwin Chandler,2003 This book is a frontal assault on  
 all law based obedience oriented religion Most Christians carry a load of spiritual bondage condemnation guilt and shame  
 Some are deeply despondent and depressed because this load is too heavy for them to bear Few Christians are truly  
 confident in their personal relationship with God This situation exists because 1 Christians are generally unable to  
 distinguish between actual sin versus mere human opinion about sin 2 Christians do not understand that Jesus set them free  
 from obedience based religion 3 Christians do not know how to decide for themselves what is truly moral 4 Christians have  
 no real experience of Christian Liberty These issues are examined in sufficient detail to enable one to understand the radical  
 nature of the freedom for which Christ set us free Gal 5 1 The author s goal is to destroy the roots of religious legalism so  
 Christian believers can live the life of freedom which is their spiritual blood right Beginning with a development of the  
 Master Key to Biblical morality the nature and implications of Christ s Law of Love are thoroughly explored Next the author  
 discusses the true nature of morality answering the question What exactly makes a thing sinful Careful attention is given to  
 the concept of defilement or uncleanness with a bold look at Paul s revolutionary statement that nothing is unclean of itself  
 Rom 14 14 20 In Part Three Legalism is exposed in all its ugliness This section details the Biblical method for determining  
 what is truly sin and what is merely human opinion Part Four destroys the bitter root of Legalism with persistent emphasis  
 on the fact that Jesus Christ ended the rule of law by His life death and resurrection Part Five looks at the theology of  
 Galatians the Christian s Emancipation Proclamation closing with pointed illustration of how this all affects a Christian s  
 liberty to exercise personal choice in what s he will or won t do Five appendices explore several specific issues raised by the  
 preceding study These include Conclusions About Christian Liberty Contradictory Scriptures Christian Liberty and Sexual  
 Issues The Necessity Of Experiencing Freedom The Non Negotiables of Bible Study This is the only book on Christian  
 Freedom written by an ex Fundamentalist The author was raised in an atmosphere of extreme legalism The first half of his  
 Christian ministry was spent preaching defending and even debating the concepts that he now seeks to destroy The author  
 lived in legalism forty years He understands legalism He therefore knows how to attack its vulnerable spots His goal was not  
 to write a book but to give to anyone who is interested information that will set them free from bondage to legalism and open
