*Where Have You Seen God?* Keva Green, 2019-09-17 Everyone struggles at times in their lives and wonders if this is all there is Are we facing life on our own Does God exist Does the Lord even care about me and my life Actually God's divine presence is all around us and moving in mighty ways We just do not always take time to pay attention and recognize what the Lord is doing in our everyday lives What if you could learn how to open your eyes to God's blessings and miracles that are all around us and accessible to your situation A good place to start is by asking the question Where have you seen God This book is overflowing with amazing stories of how God has divinely spoken and opened up opportunities for the author and some of those around her Each chapter is an inspiring account of an experience that teaches touching lessons about what is really important in life and how to live life to its fullest You will laugh and cry but most of all you will realize that God exists today just as powerfully as in Bible times These stories are a heartwarming witness to God's

*God Sightings* Macy Johnson, 2019-10-04 This is a collection of devotionals that point to the Creator God and encourage a deeper relationship with Him

*Seeing God in Strange Places* Max W. Jackson, 2009-05 Is your prayer life as exciting as a funeral service If given the choice between praying and a root canal would you choose the latter If asked what part of prayer you enjoy the most would you reply When it's finished *Seeing God in Strange Places* offers a mixture of humorous and sobering stories that help lead the reader toward intimacy with the Creator The book answers the age old question how does one become conscious of God's presence in the daily grind of life A stagnant prayer life can evolve into a stirring and enriching experience where the awareness of God's presence brings about hope to whatever you face Max W Jackson attended Ohio State University and completed the course of study at Garret Theological Seminary in Chicago His ministry began in 1984 as a part time local pastor before he was ordained as Deacon in the United Methodist church He presently is serving three churches in Ohio The Jacksons have two children a son and daughter and four grandchildren

**Gathered Before God** Jane Rogers Vann, 2004-01-01 What is the central purpose of the church today How can churches experience renewal through worship In *Gathered before God* Jane Rogers Vann answers these important questions by studying ten vibrant small medium and large churches Her findings she argues show that worship is the most important thing churches do and is vital to the renewal of congregational life Vann explores how these congregations changed into worship centered churches and how their experiences can help other churches do the same *Gathered before God* offers resources for pastors worship leaders and Christian educators to reflect on their worship leading to an openness to change and processes to help church leaders support each other during the periods of reform and renewal Moving beyond the contemporary versus traditional debate *Gathered before God* is an earnest call for us all to reclaim worship as a central act of our life together as Christians that expresses clearly what the church believes about God itself and the world

*Anthropomorphic Depictions of God* Zulfiqar Ali Shah, 2012-01-01 This monumental study examines issues of

anthropomorphism in the three Abrahamic Faiths as viewed through the texts of the Hebrew Bible the New Testament and the Qur'an Throughout history Christianity and Judaism have tried to make sense of God While juxtaposing the Islamic position against this the author addresses the Judeo Christian worldview and how each has chosen to framework its encounter with God to what extent this has been the result of actual scripture and to what extent the product of theological debate or church decrees of later centuries and absorption of Hellenistic philosophy Shah also examines Islam's heavily anti anthropomorphic stance and Islamic theological discourse on Tawhid as well as the Ninety Nine Names of God and what these have meant in relation to Muslim understanding of God and His attributes Describing how these became the touchstone of Muslim discourse with Judaism and Christianity he critiques theological statements and perspectives that came to dilute if not counter strict monotheism As secularism debates whether God is dead the issue of anthropomorphism has become of immense importance The quest for God especially in this day and age is partly one of intellectual longing To Shah anthropomorphic concepts and corporeal depictions of the Divine are perhaps among the leading factors of modern atheism As such he ultimately draws the conclusion that the postmodern longing for God will not be quenched by pre modern anthropomorphic and corporeal concepts of the Divine which have simply brought God down to this cosmos with a precise historical function and a specified location reducing the intellectual and spiritual force of what God is and represents causing the soul to detract from a sense of the sacred and thereby belief in Him

**Infertility** Lois Flowers, 2003 From her own experience Flowers understands the struggle and anguish infertile readers go through and she gently points out some strategies that will help bring true peace and joy in the midst of the disappointment

*The With-Ness of Our God* Jan Loyd, 2015-10-26 Do you realize that the Triune God offers us a relationship that encompasses every dimension every direction every angle every aspect every nuance every everything and every everyplace That's right our God longs that we know the reality of His loving Presence totally cocooning us in His Son by faith To explore this awesome truth we go to the Holy Scriptures to some small words that we could quickly gloss over Don't let these little words fool you These words called prepositions are power packed with truth for our minds hearts and lives So please join us in this journey through the unfathomable treasures of the Scriptures as we catch a fresh glimpse at our relationship with the Living God all through some verbal treasures called prepositions

*Answering the Toughest Questions About God and the Bible* Bruce Bickel, Stan Jantz, 2016-10-18 Bestselling Authors Tackle Difficult Issues for Believers and Doubters When it comes to the big questions about God Is he real Why are Christians so unlike Jesus Does he really care about me Bruce Bickel and Stan Jantz don't pretend to have all the answers But they do know how to wrestle with doubt They welcome questions and in these pages they ask some of the most important ones you have about God and the Bible With candor insight and a disarming touch of humor they provide some answers to these critical questions yet they leave enough space and grace for you to keep wrestling asking and seeking Truth There is no shame in asking after all even some of the greatest men and women in the Bible had doubts

Don't let your questions go unanswered What you find might just change your life *Michael's Musings* Michael D. Kurtz D Min,2014-10-07 MICHAELS MUSINGS consists of blog entries written by Pastor Michael Kurtz over the course of nearly five and one half years Each blog provides a daily reading on a wide variety of topics ranging from social issues to sabbath time and worship service themes to family experiences Following each web log are provided suggested scripture readings a reflection statement to consider and a prayer to offer all related to the theme and content of the daily writing **The Archaeology of Ancient Israelite Knowledge** Robert S. Kawashima,2022-07-05 The Archaeology of Ancient Israelite Knowledge reconstructs in carefully researched detail the worldview of the ancient Israelites writers responsible for the Hebrew Bible What was the role of God in their lives How did they see the relationship between God nature and themselves Contrary to prevailing scholarly understanding Robert Kawashima argues that the ancient Israelites saw God in a radically different way than the peoples around them God no longer interconnected everything humans nature but became seen as sharply separated from nature Elegantly written and powerfully argued The Archaeology of Ancient Israelite Knowledge is essential reading for anyone wanting to grasp the Hebrew Bible and the ancient world that gave rise to it *The Embodied God* Brittany E. Wilson,2021 In The Embodied God Wilson focuses on depictions of God's body in the New Testament She argues that Luke Acts emerges as an important example of a New Testament text that portrays God as visible and corporeal and that this portrayal has significant implications for how we are to understand early Christology Behold His Glory Pastor Jim Heritage,2011-06-27 In this book you will be exposed through the Word of God to these seven vital areas of God's work in our lives through which He regularly shows His glory We will personally celebrate the display of God's power and glory in our lives as we embrace His purpose and work and allow Him to reshape and mold our lives accordingly
