## God Still Matters:

God Still Matters Herbert McCabe, 2005-01-01 Herbert McCabe who died in 2001 was one of the most intelligent Roman Catholic thinkers of the twentieth century An influence on philosophers such as Anthony Kenny and Alasdair MacIntyre he was also befriended by poets and literary critics such as Seamus Heaney and Terry Eagleton Equally at home in philosophy and theology he despised jargon and intellectual posturing as a substitute for reason and argument At the time of his death he left a wealth of unpublished material so outstanding in its quality and originality that it is surprising that it was never published in book form This is now put to rights In God Still Matters we have the chance to read McCabe on the topics that interested him most philosophy of God Christology Fundamental theology Sacramental theology and ethics No one who reads this volume will doubt that McCabe was one of the outstanding Christian thinkers of his generation and the epitome of Dominican intellectual openness and rigour

**Do I Still Matter?** Kimberly Taylor Henry, 2024-09-06 Find encouragement community and inspiration to live confidently and purposefully as you age Kim Taylor Henry understands the questions and insecurities women face as they shift from no longer middle aged to not yet elderly In forty daily readings she offers biblical insights and practical pointers for thriving through this season with a reliance upon God

Why the Reformation Still Matters Michael Reeves, Tim Chester, 2016-09-14 Does the Reformation Still Matter In 1517 a German monk nailed a poster to the door of a church disputing key doctrines taught by the Roman Catholic Church in that day This moment set in motion a movement that changed the entire trajectory of church history But do the Reformers still have something to teach us In this accessible primer Michael Reeves and Tim Chester answer eleven key questions raised by the Reformers questions that remain critically important for the church today

Herbert McCabe Franco Manni, 2020-05-25 Herbert McCabe struck those who met him Alasdair MacIntyre Anthony Kenny Terry Eagleton Denys Turner or those who read his writings David Burrell Stanley Hauerwas for his high intelligence He was the most intelligent philosopher after the death of Karl Popper His philosophical inquiries on God and the Human Being have yet to be properly understood not because they were abstruse clarity was McCabe's inexorable sword but because of their dizzying depth for which many are not yet prepared This is the first comprehensive study of McCabe a person who preferred speaking to writing and left only the short fragmented and dispersed texts of his lectures and sermons But in this book to use David Burrell's words Manni has managed to get inside McCabe's mind and assemble together for the first time the disiecta membra of a powerful system of thought

*The McCabe Reader* Brian Davies, Paul Kucharski, 2016-09-22 Herbert McCabe OP was one of the most intelligent Roman Catholic thinkers of the 20th century whose writings have enjoyed enormous and welcome success A significant influence on philosophers such as Anthony Kenny and Alasdair MacIntyre McCabe also counted amongst his friends Seamus Heaney and Terry Eagleton and moved amongst the literary elite His wide personal interests are reflected in his writings which cover a broad range of topics In this reader we glimpse an insight into the workings of a brilliant mind occupied by topics including

the philosophy of God and Christian doctrine ethics and moral theology the problem of evil the philosophical theology of St Thomas Aquinas the traditional catholic concern for prayer liturgy Mary and St Dominic Further musings reflect on issues that interested McCabe the most philosophy of God Christology fundamental and sacramental theology and ethics Edited by Brian Davies and Paul Kucharski two well known McCabe specialists the selection is a gem which will be of use to any reader interested in comprehending the key issues for a thoughtful life and also includes some of McCabe s most dazzling sermons

**God Is Not a Story** Francesca Aran Murphy, 2007-07-19 A challenging critique of narrative theologies including the works of George Lindbeck Robert Jenson and Herbert McCabe Francesca Aran Murphy argues that the use of the concept of story or narrative in theology is circular and self referential and that the widespread notion that the role of the theologian is to tell God s story has not helped theology to advance the reality of its doctrines Murphy contends that the scriptural revelation on which Christian theology depends is not a story or a plot but a dramatic encounter between mysterious free and unpredictable persons She offers her own alternative approach making use of cinema and film theory and engaging in particular in a dialogue with the work of Hans Urs von Balthasar

That We Might Become God Andy Buechel, 2015-04-15 Is it possible for orthodox creedal Christianity to change its views on matters of sexuality and gender In order to do so must it simply incorporate elements of the secular world that are foreign to it In That We Might Become God Andy Buechel argues that many of the basic insights of queer theory are not only deeply amenable to the wider Christian tradition but that they allow us to see that tradition with fresh eyes The churches that are most concerned with maintaining theological tradition can in fact develop on these matters and in so doing deepen some of the most fundamental insights they cherish Looking specifically at Christian teaching surrounding the Incarnation of Jesus Christ the sacraments and eschatology Andy Buechel shows how deeply queer these areas are already The insistence of too many churches to clinging to modern notions of sexuality and gender impede the proclamation of the good news and this is needless By attending to the ancient tradition in contemporary ways this text demonstrates the coherence of that heritage today as well as its capacity to develop to encompass all those whom God has created

**Theology and Marxism in Eagleton and Žižek** O. Sigurdson, 2012-05-07 Taking its cue from the renewed interest in theology among Marxist and politically radical philosophers or thinkers this study inquires into the reasons for this interest in theology focusing on the British literary theorist Terry Eagleton and the Slovenian philosopher and psychoanalyst Slavoj i ek as two contemporary prominent Marxist thinkers

**REVILING LEVITICUS. Why a Maligned Biblical Tradition Still Matters** Benjamin Williams, 2016-03-17 If you can t disprove the Bible then deride it The Church today is locked in a furious battle over the Bible pastors and professors dismiss what it says as laughable and outdated Nothing in the Bible has become the target of as much snide ridicule as Leviticus Does Leviticus deserve such disdain Are its rules on uncleanness food laws farming and weaving really so foreign to modern sensibilities that the whole thing is obsolete REVILING LEVITICUS traces these originally oral traditions and family rules back into the

dim mists of antiquity revealing the innate moral aesthetic and universal logic of the heart that inspired them and finds that humans in 2000 BC or 2000 AD may not be so different after all      *Learn to Live 5: God's Amazing Problem Solver* William D. Reid, 2021-08-13 The Bible is the greatest problem solving book ever written It explains what's wrong with the world and how to fix it It clarifies what is wrong with humanity and how to fix it The Bible demonstrates clearly what works and what doesn't work when we are trying to fix our messed up lives When God spelled out the dos and don'ts for successful living he said Trust me on this When Jesus explained the plan of salvation through his death and resurrection he said Trust me on this When Paul wrote to his churches he was always careful to explain that righteousness and salvation are through Jesus Christ alone He clearly proclaimed Trust Jesus Christ on this Problem solving is really fairly simple We must learn to trust God trust Jesus Christ and trust the Word of God The Bible is very good at identifying the problem and then listing the solutions to the problem Understanding is the easy part Application is the hard part Every successful person understands the words read study learn practice and work hard They are excellent words for every Christian who wants to succeed and win      Christian Ethics: A Guide for the Perplexed Victor Lee Austin, 2012-12-06 Christian ethics is a most perplexing subject This Guide takes the reader through the most fundamental issues surrounding the question of Ethics from a Christian perspective Is ethics a meaningful topic of discourse and can there be such a thing as an ethical argument or ethical persuasion What is the meaning of the adjective in Christian Ethics Could right behavior be different for Christians than it is for others Can we turn to the Bible for help Does the Bible tell us what to do or give us insight into the good we should aim to achieve or give us a narrative by which to live Is it best to think of ethics as a matter of duty or good or excellence If we take the virtue line and say that ethics is about human excellence doing well as a human being or succeeding at being a good human being then what will we say about humans who cannot achieve excellence The virtue approach leads us to place friendship as the goal of ethics      *Deleuze and Theology* Christopher Ben Simpson, 2012-11-22 An exploration of the thought of Gilles Deleuze and its relevance to theology      Approaching God Patrick Masterson, 2013-08-15 Approaching God explores the ways in which phenomenology metaphysics and theological enquiry can throw light upon each other This is a matter of great interest and importance to the future of philosophical theology and the philosophy of religion What if anything has philosophical reflection about God to contribute to Christian theology And if indeed philosophy plays a positive role in theological reflection what kind of philosophy The first person philosophical perspective of phenomenology or the objective philosophical perspective of metaphysics Masterson devotes three chapters to respectively phenomenological metaphysical and theological approaches to God Each are seen as animated by a first principle from which a comprehensive account of everything is said to follow Human Consciousness in the case of phenomenology Being in the case of metaphysics and God in the case of theology Although philosophers and theologians such as Ricoeur Levinas Kearney Caputo and Barth are considered briefly Approaching God essentially provides a dialogue about theological and theistic issues between the phenomenological

approach of the leading French Christian phenomenologist Jean Luc Marion and the realist metaphysical approach of Aquinas Masterson maintains that all three approaches are needed in trying to speak appropriately about God they are irreducible but complementary

God After the Church Lost Control Jan-Olav Henriksen, Pal Repstad, 2022-07-21 This book combines insights from sociology of religion and theology to consider the fundamental changes that have taken place in how people think about God in contemporary Western society It can be said that God has become irrelevant for many people often as a result of well grounded ethical critique of churches Here the authors argue for the necessity of rethinking God talk in a pluralist and changing context and for thinking critically about hegemonic ways of speaking about God from a moral and experiential perspective not only from the point of view of abstract theology Drawing on empirical material from a Norwegian setting the book advocates a critical constructive theology with a notion of God that takes human experience and social change seriously It depicts a God who is an enabler of moral maturity rather than an authoritarian moral instructor a God who is on the side of the marginalized and poor and a challenge to unjust hierarchies

Your Life Still Counts Tracie Miles, 2014-10-14 God still has a plan for you not in spite of your past but because of it Do regret and shame over your failures sins and shortcomings make you wonder how you could ever be loved much less used by a holy God Tracie Miles felt the same way until she discovered the path to healing peace and significance She helps you recognize that God not only has a purpose for you but He has prepared you for your divine purpose based specifically on the experiences of your past Through her own story and stories from other women who have discovered God's purpose for their lives because of adverse experiences Tracie helps you see how God can turn pain into purpose You will find forgiveness and healing from the troubles of your past discover the courage to step out of your comfort zone to help others find hope and strength and be inspired to step into the beautiful future God divinely designed for you No matter what you've been through or what's been done to you if you're still breathing God isn't finished with you yet Let Tracie Miles help you discover your calling and the way you are uniquely equipped to make your life count

**The God Revolution** Bruce Hamill, 2018-08-02 The God Revolution takes a fresh approach to the roots of Christianity It asks the reader to explore and join a revolution in lifestyle and thought rooted both in a personal wager on God as the source of a meaningful hope and in the story of Jesus of Nazareth This book invites us to see Jesus own Hebrew Bible something like the way he himself did Then it turns our attention forward to the surprising impact Jesus had on those who followed him how they reinvented the ancient world and how we might reinvent ours It is written for explorers rather than those already weary of the form of religion they have known

God, Christ and Us Herbert McCabe, 2005-01-11 Here is a collection of Herbert McCabe's more popular spiritual writings McCabe was highly regarded as a writer on philosophy and theology but in true Dominican tradition the Order of Preachers he was also a brilliant preacher He always preached in a lively and witty way his style has been compared to that of G K Chesterton This collection

of his sermons and spiritual addresses are never platitudinous or short of ideas filled with questions arguments and solid intellectual content The major influence on McCabe was the Bible but he was also a devoted admirer of the thought of St Thomas Aquinas whose ideas saturated his public speaking From the Bible McCabe derived the notion of God leading us to happiness through the work of grace and through the life and teachings of Jesus From Aquinas McCabe derived a hatred of idolatry a powerful sense of the incomprehensibility of God and a recognition that we depend on God s gracious revelation of himself rather than what we can work out on the basis of our limited understanding A presiding theme in this book is that we are saved because of the life of someone fully human God Christ and Us communicates the essence of the Gospel in an original and compelling way It can therefore be mentioned in the same breath as works by Dean Inge Donald Soper H A Williams and Leslie Weatherhead

**Does God Make a Difference?** Warren Nord, 2010-11-10 Most public schools avoid teaching their students about religion and university students must enroll in religious studies courses in order to learn about it Warren Nord shows that these practices are not religiously neutral in fact they border on secular indoctrination Nord uses an examination of textbooks to make a case for the study of religion in schools and universities and explains how such study came to be neglected He puts forward a number of arguments for taking religion seriously in the curriculum most importantly that a liberal education and critical thinking require it

**Faith and Unbelief** Stephen Bullivant, 2013-09-16 Offers a rounded understanding of the development of atheism its many faces and the places where Christian faith modern day unbelief interact It asks Can a rational person still believe in God What does the rise in atheism in Christian countries say about the church How can Christians present the gospel in a world of unbelief

[The Crisis of Global Capitalism](#) Adrian Pabst, 2011-11-10 This collection of essays outlines a new political economy Twenty years after the demise of Soviet communism the global recession into which free market capitalism has plunged the world economy provides a unique opportunity to chart an alternative path Both the left wing adulation of centralized statism and the right wing fetishization of market liberalism are part of a secular logic that is collapsing under the weight of its own inner contradictions It is surely no coincidence that the crisis of global capitalism occurs at the same time as the crisis of secular modernity Building on the tradition of Catholic social teaching since the groundbreaking encyclical *Rerum Novarum* 1891 Pope Benedict XVI s *Caritas in Veritate* is the most radical intervention in contemporary debates on the future of economics politics and society Benedict outlines a Catholic third way that combines strict limits on state and market power with a civil economy centered on mutualist businesses cooperatives credit unions and other reciprocal arrangements His call for a civil economy also represents a radical middle position between an exclusively religious and a strictly secular perspective Thus Benedict s vision for an alternative political economy resonates with people of all faiths and none
