**It's a God Thing** James T. Dyet, 2006 If it's a good thing it's a God Thing If it's a bad thing The devil's out to get me We use these phrases over and over again to describe the differences between men and women and it works mostly However the phrase *It's a God Thing* seems to be employed to explain every good turn of events that pops up in the Christian life Too often Christians can perpetuate false perceptions of God and His people by turning biblical principles or even the words

themselves into trite clichés that lose their true relevance and application. Author Jim Dyer graciously but authoritatively debunks many such misunderstandings and better yet explains why it's important for us to understand them rightly. *It's a God Thing* Mick Brindle, 2010-12-09 There are many in the church today that believe God doesn't reveal Himself in the lives of people in this modern day. The prevalent thought is that miracles, signs, and wonders were only part of the early church and that after the ascension of Jesus they stopped because they were only a part of His earthly ministry. What we must come to realize is this: the same power that raised Christ from the grave that healed people and raised the dead resides within each Christian. Jesus said in John 14:12 that whoever believes in me will do the works I have been doing and they will do even greater things than these because I am going to the Father. What we as Christians must understand is that the power of God is available to each of us because of the indwelling Holy Spirit. God expects us to use this wonderful gift to edify one another, bringing about unity in the body which ultimately brings glory to Him. I can assure you that the power of God is still at work in these days and He does continually reveal Himself to His people. Jesus Himself said He would do whatever we ask in His name to bring glory to the Father. Jesus also said if we won't believe what He says, we should at least believe in the evidence of the results themselves: Miracles, signs, and wonders. **It's a God Thing** Luis Palau, 2002-02-07 Often called the next Billy Graham, Luis Palau is among the best-known American evangelists in the world today. His sermons on spirituality and the Christian life, as well as his calls for international and racial harmony, have been heard by hundreds of millions of people at public gatherings and on radio and television in more than ninety-five countries. *It's a God Thing* brings together stories Palau has gathered on his travels. These stories, often beginning with the words "You won't believe what happened to me," unfold to reveal an unusual and frequently miraculous series of events that transformed the life of the storyteller. Recent polls indicate that the vast majority of Americans, around 90 percent, say they believe in God. Yet even the most consistent churchgoers sometimes wonder why miracles, the recovery of a terminally ill child, the unexpected much-needed check in the mail, happen to other people. Through its simple true life stories, *It's a God Thing* illustrates the small, often mysterious ways in which God orchestrates events to create something positive amid the confusion and pain of daily life and shows that even when His intentions are not immediately clear, God gives each individual what he or she needs most. **Truly It's a God Thing** Cory L. Clark, 2017-11-09 I wouldn't ever tell someone to stop going to church, but God might. That's what he did to me, and this book is a testimony of the real love of God and what he can do for you if you so choose to be led by his Spirit. This journey happened in the Spirit, and it happened all the same in reality. It has affected me and those around me, and the church will not agree with most of this because it isn't based on their principles of manipulation and control. The stories in this book are true to the best of my memory and the journey that I have endured. It is here to help set you free from religious mind sets, to help you learn how to be led by God's Spirit and to help you learn who you are through him. **It's a God Thing!** Betty Whitaker Jackson, 2012-11 Coincidence No God, coincidence. In the words of John Phelps, everything in life is by divine appointment. Before

there was anything God the Almighty knew your life story He knew you d be here on this day in this place He gave me this message through the Holy Spirit who dwells in me in this place in your heart This is and was a divine appointment You realize don t you that among all the religions faiths and testimonies throughout history Christianity is the only one where God reaches out to man All the others are dependent upon man s trying to please their gods Some even have to get his attention They ring bells they clang gongs they hang paper messages they chant they need priests Our Lord answers a whispered prayer and is closer to us even than breath Imagine Check out this book filled with Godincidences of New York City life suspense terrorism romance courting and pastoral ministry Grapple with eternal questions prompted by the book s story
