Being God's Man by Resisting the World Stephen Arterburn, Kenny Luck, Todd Wendorff, 2010-03-31 If you think God's values and the world's values can co exist think again You have to live in this world But if you want to be God's man there's a catch You can't be absorbed or influenced by the world You have to stand strong as a man of God and resist the world Men like you who are getting serious about their walk with God feel a deep intuitive conflict of the soul where unholy alliances with the world which were once acceptable must now be broken That's not easy But here's solid trustworthy guidance for you from men who have been there too In Being God's Man by Resisting the World you'll take a look at Christ's template of values as revealed in the Sermon on the Mount Every man who seeks to understand and train in these values will experience a greater connection with God So forget what you know focus on these truths and start living large spiritually Special Features Practical studies facilitate personal encounters with God and other men Questions encourage genuine reflection and help build godly convictions Real Life case studies show how the truths you discover have worked out in other men's lives Standing Strong section gives you the opportunity to form and express your action steps with God and your group
