

A silhouette of a person sitting on a hill, looking up at a large cross against a sunset sky. The person is sitting on the base of the cross, with their hands clasped in prayer. The sky is a mix of deep blue and orange, with clouds catching the low light of the sun. The cross is a simple, dark silhouette, standing prominently against the sky.

The Koran and the Bible Thomas Schirrmacher, 2018-05-10 Two world religions two books which span the globe the Bible and the Koran Both have been and still are disseminated in the millions every year And the contents of these two books continue to write world history Still in their origin style and message the two books could hardly be more different This study of the two books does not have its center in the dogmatic differences of the two religions Rather it has to do with different understandings respecting Holy Scripture as God s Word It is from different understandings of how God reveals himself that most other differences between the two religions originate With that said this book also makes an important contribution to understanding the problem of fundamentalism in both religions

God's Fire Starters Donald A. Broadwater, 2008-10 When it comes to having a desire to see things change it is obvious that most Christians are ready for it The problem is that churches have tried every program available and yet they still feel that there is something missing from their ministry This book takes a fresh look at ministry and challenges us to consider that we may have actually left God out of the ministry equation by not realizing how desperately we need for God s Spirit to set us on fire Take a journey through the Bible and discover for yourself how God s fire is present when God is on the move Discover how God s fire reveals his character as well as our calling to be transformed into the image of Christ You will also discover how being one of God s Fire Starters can be one of the most exciting adventures of anyone s life Donald A Broadwater was born in Roanoke Virginia and spent most of his

It Is the Same Light Daljit Singh Jawa, 2015-03-28 Sri Guru Granth Sahib is generally known as the holy scripture of Sikhism the worlds fifth largest religion But this holy scripture is neither a storybook nor just the philosophy of the Sikh saints or prophets It is more like a collection of divine revelations and hymns expressing the feelings of love and devotion of the Sikh Gurus for the Supreme Being along with the similar yearnings and longings of the devotees and saints from all faiths prevalent in Indian subcontinent during those times The beauty of this 1430 page hymnal written in 22 different languages lies in the fact that while it spiritually connects the human mind to the original source of eternal bliss it provides a very practical and effective way to live in love and harmony with other fellow human beings irrespective of their faith color caste creed or race The following are a few examples of the views of eminent writers and scholars regarding Sri Guru Granth Sahib Mankinds religious future may be obscure yet one thing can be foreseen The living higher religions are going to influence each other more than ever before in the days of increasing communications between all parts of the world and branches of the human race In this coming religious debate the Sikh religion and its scriptures the Sri Guru Granth Sahib will have something of special value to say to the rest of the world Arnold Toynbee Historian I have studied the scripture of great religions but I do not find elsewhere the same power of appeal to the heart and mind as I find here in these volumes of Sri Guru Granth Sahib There is something strangely modern about these scriptures They speak to the people of any religion or of none They speak for the human heart and the searching mind Mrs Pearl S Buck Nobel Laureate In Volume five of the It Is The Same Light series SGGS pages 801 1000 author Daljit Singh Jawa continues his humble effort to share the beauty of the SGGS with those who have limited familiarity with the language Gurumukhi history or context The following are some of the comments received on the volume 7 pages 1201 1430 of SGGS This translation of Guru Granth Sahib is one of the best English translations in my view as it is in simple understandable English each shabads summary message is given there is connection between the shabads to reveal continuity of thought process in Guru jis message Thanks to S Daljit Singh ji for the great work which will benefit future generations understand Guru Jis message easily Amarjit Singh M D University at Buffalo Buffalo NY A monumental undertaking reflecting a lifetime of devotion to the Sri Guru Granth Sahib and to the scholarly
