*The God who Hung on the Cross* Dois I. Rosser, Jr., Ellen Santilli Vaughn, 2003 In 1999 a pastor traveled to remote villages in northern Cambodia to spread the gospel He thought he would be the first person to speak of Jesus in that formerly Communist controlled region However at one small village the people welcomed him eagerly and told him they had been waiting for him for 20 years Here is their story

**Christian Life God's Way** Larry Harmsen, 2022-08-01 Larry has come to understand that there are two basic ways that the Bible can be taught The first is the most prevalent It consists of telling the Christian the things that he or she should be doing and the things that he or she should not be doing sometimes accompanied with relatively meaningless ways of doing or not doing these things The second way to teach the Bible is to teach it by revealing what God says in the Bible which we call expository preaching or teaching I am very much in favor of expository teaching If a Christian is taught the Bible not taught about the Bible but actually taught to understand God and God's desire to live in and through us in a fulfilling meaningful way the Christian will be able to determine for him or herself what to do or what not to do as it becomes a part of the person's life rather than just something added to the person's life If living the vibrant Christian life through knowing God and His Word becomes the desire and goal of the Christian life learned from the Holy Spirit through God's Word that inner force becomes an external force far more useful to God than being told what to do or what not to do That desire to teach Christians in a way to build that inner force of God through knowing Him has been mine for many years This book contains Bible studies to help develop that inner force that is only by grace

Min., 2023-02-10 If you are tired and exhausted of being sick this book is for you I was born sick I never thought I would enjoy a period of feeling great or being free from sickness I was sick a long time The good news is it doesn't matter what ails you or the name of the disease God has not changed His mind about you walking in divine health If God didn't want you healed then He would not have sent His Son to die on the cross for your sins sicknesses and diseases There are healing miracles with your name on it Your sickness or disease hasn't taken God by surprise You can be healed It doesn't matter what the disease or sickness is whether it has a name or not healing is yours It's time to be healed and start walking in divine health

**Saved by Works...Christ's Works!** James Prest, 2010 In the cover of night Nicodemus came to Jesus to learn more about His teachings It was during this meeting that Jesus told him how to enter the kingdom of God except a man be born again John 3:3 Nicodemus was not the first or last man to ask this question In Acts 16 the jailer asked Paul and Silas What must I do to be saved And they said Believe on the Lord Jesus Christ and thou shalt be saved verses 30-31 Saved by Works Christ's Works

focuses on what it means to depend entirely upon God for absolutely everything from our salvation to our every day needs The author James Prest presents thought provoking quotes from the Bible and a variety of religious books in an effort to point readers to the only One who can save us Jesus Christ He asserts that faith and salvation are simple subjects which we often complicate with our own ideas doctrines and life experiences Deepen your relationship with Jesus strengthen your faith and learn how to let Christ work through you and in you for His glory by digging deeper into the Word of God and reading Saved by Works Christ's Works

**The Legend of the Grail** Nigel Bryant, 2004 A single consistent and accessible narrative of the Grail story constructed from the principal motifs and narrative strands of all the original Grail romances The quest for the Holy Grail is one of the most important elements in the story of King Arthur Yet even among the many interested in the stories of the Round Table very few have read at first hand the medieval masterpieces which over a period of some forty years in the late twelfth and early thirteenth centuries together became the foundation of the legend of the Grail These romances full of bewildering contradictions and composed by a number of different writers with very different preoccupations dazzle with the sheer wealth of their conflicting imaginative detail In this new compilation the enthralling material becomes truly accessible through his interweaving of the principal motifs and narrative strands of all the original Grail romances to construct a single consistent version of the Grail story while clearly tracing the development of its enigmatic and potent theme All the mystery and drama of the Arthurian world are embodied in the extraordinary adventures of Perceval Gawain Lancelot and Galahad in their pursuit of the Grail Told here as a unified coherent narrative the Grail legend reasserts its relevance as one of the great works of imaginative literature of the middle ages NIGEL BRYANT's previous Arthurian books include *The High Book of the Grail* Perlesvaus Chretien de Troyes *Perceval and its Continuations* and *Robert de Boron's Merlin and the Grail*

*The Truth Will Make You Free* Robert F. Leavitt, 2019-02-07 2020 Association of Catholic Publishers first place award in theology The available literature on the new evangelization is wide ranging and focused on issues of ecclesial renewal In *The Truth Will Make You Free* Fr Robert Leavitt adopts a different approach to the subject From Paul VI until Pope Francis the nature and challenges of modern secularism have become a recurring factor in

the agenda of the new evangelization yet often without historical perspective and philosophical balance Few popular works bother to examine in such depth and scope as this book does what the history nature and implications of the secular age are for revitalizing ministry in an age of optional belief Written for the interested layperson seminarian theology student and pastor The Truth Will Make You Free is an indispensable catechism for rethinking our understanding of the secular world in proclaiming the Gospel of Christ

**Fundamentals of Orthodox Faith** Prof. Nikolay Pestov, 2021-12-17 Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com/2023/01/book-inventory-vladimir-djambov-talmach.html> SchemaArchim Sophrony writes God by His grace deigns to unite with man so closely that man becomes God like God the Creator in the image of His being Those who do not believe this and do not pray to the Saints did not know how much the Lord loves a person and how he magnified him At the same time the degree of glory among the saints is different As the apostle Paul writes There is one glory of the sun God and another glory of the Moon the Mother of God and another glory of the stars saints for one star differeth from another star in glory 1 Cor 15 41 In the parables about mines the Lord says to the faithful slave who has acquired ten minas Take control of ten cities So the chosen ones of the Lord receive from the Lord and His glory and take part in the building of His Church by Him Moreover this honorable service to the Lord begins for many saints still here on earth and continues after their repose All Christians need to comprehend the beauty of the highest achievements on the path to Christ and know about the holiness of human souls so that as a result in them that poverty of spirit which Christ placed as the basis of the Beatitudes Matthew 5 3 As St Isaac the Syrian Keep always in the memory of those who excel you in virtue so that you will constantly see in yourself a lack against their faith Therefore it is necessary to learn from the experience of the Church of Christ not only those ideals that are achievable in modern times but also all those great achievements of the saints which humbling us would amaze with their greatness and beauty of Christian deeds and virtues Writing about the way of salvation is a very responsible business It is bad if a person at the same time will rely only on himself and limit himself to his inventions One is the Truth on earth This Truth is Christ Himself John 18 37 And only that can be affirmed that is proclaimed in the Gospel and the understanding of which is explained by the Holy Fathers of the Orthodox Church and confirmed by the centuries old experience of glorified saints and ascetics of piety Therefore all the most important provisions on the way of salvation must be confirmed by texts from Holy Scriptures and creations of the Holy Fathers of the Orthodox Church and devotees of piety and examples from their lives St fathers As Bishop Ignatius Brianchaninov the Monk Nil of Sorsk never gave instructions or advice directly from himself but offered to the questioners either the teaching of Scripture or the teaching of the Fathers

**Don't Stay at Calvary** Pastor Ronald A. Palmer, 2021-05-06 When I finished writing my first book which was my autobiography With God As My Partner and had submitted it to the publishers for printing I thought I was done for a while About two months after that I was almost asleep

one night when the thought came to me Don't Stay at Calvary I was instantly awake and lay there for about a half hour trying to figure out what it meant Getting nowhere I committed it to the Lord and went to sleep A couple days later as I was praying the verse in Matthew 16:24 came to mind where Jesus said If any man will come after me let him deny himself and take up his cross and follow me It connected with the thought I had about Don't Stay at Calvary This book is the result of those thoughts and the meditation that I spent on them I had no thought of writing another book so soon but I felt impressed to try to address the question I had been asked so often Why is the church of today so different from the church of the first century I certainly have no corner on the market of knowledge or wisdom especially when it concerns such a profound and involved question as that one I do however have over fifty years in the ministry of the Gospel having answered the call to preach on the last Sunday of April 1969 and felt it may be beneficial to share what I believe God has laid on my heart about that subject It is by no means the final word but I hope it will be a clear challenge for the church to follow Jesus in service rather than stay at Calvary in complacency

The Paradox of Poverty Susan R. Pitchford, 2025-08-15 Susan Pitchford examines the ways in which followers of Christ have understood poverty of spirit and the traditions that have formed around their attempts to follow Jesus on this radical path Blessed are the poor in spirit Jesus said for theirs is the kingdom of heaven And we smile nod and think Lovely thought But if we're paying attention it's a shocking almost offensive thought The grieving the brokenhearted the marginalized the stigmatized all blessed all happy In The Paradox of Poverty Susan Pitchford examines the ways in which followers of Christ have understood poverty of spirit and the traditions that have formed around their attempts to follow Jesus on this radical path Over the centuries those who have heard Jesus have learned the truth of his promise that we will find the greatest happiness our deepest fulfillment the kingdom of heaven in fact our blessedness and our belovedness in the things that seem to impoverish our souls The Paradox of Poverty looks at some of the wisdom traditions that have formed this understanding the Scriptures the desert mothers and fathers the Franciscans liberation theologians the 12 Step movement and more At both individual and collective levels these traditions help us understand that varied kinds of poverty can become a blessing by bringing us to know our belovedness in God
