Fifteen Faces of God Father Michael Manning, 2010-03-16 The parable, a short story told to impart a lesson to the listener, was the chief teaching tool of Jesus Christ. In this delightful and inspirational book, author Michael Manning, the TV host of *The Word in the World*, takes readers on a journey through fifteen of the most beloved parables from the New Testament in order to enlighten the many different ways seekers can understand God's presence in their daily lives. From the parable of the talents to the stories of the wedding feast and the Good Samaritan, Manning shows us that God has many faces to meet the diverse challenges we all experience. Certainly God can be seen as a parent or an authority figure, but as the parables demonstrate, God is also a humble servant, a conversationalist, a friend, a risk taker, and an optimist, to name just a few. Knowing this and experiencing God's many faces can dramatically change your life forever. In our fast-paced, hectic society, Manning's practical guide for walking a spiritual path is an illuminating, multidimensional work that will help readers to slow down, stop, look, listen, and gaze upon the beautiful faces of God and all his creation. George Rutler,2015-03-09 Christ knew that the splendor of heaven is too great for us to bear just now and so he used parables as clues to the mystery of paradise In them are hints of heaven and they offer

profound spiritual advice meant to guide us on the road to eternal glory In our age Christ's Parables are often reduced to exercises in moralism In these pages Fr George Rutler acclaimed author and EWTN television host unveils these deceptively simple stories showing you their hidden meanings and how they apply to our own age and way of life Let Fr Rutler take you on an enriching tour of Scripture's 24 parables as you learn Tares in the Field of the Lord Why it's necessary that scandals beset the Church and how it brings about a stronger harvest The Mustard Seed Why it gave hope to the early Church and prefigures her glorious future The Yeast How God speaks in a gentle and inward voice which melts the soul and how you could be drowning Him out The Hidden Treasure Are you responding properly to the unique gifts Christ has given you The Net Many will be sifted out How to be sure you're among the souls He keeps The Unmerciful Servant Not only must you forgive you must convert the offender Are you a channel for God's grace Laborers in the Vineyard Are you letting selfishness and pride get in the way of the salvation of your neighbor's soul The Two Sons The dangers of agnosticism Are you guilty You may be astonished at the answer The Marriage of the King's Son Why frequent reception of the sacraments is necessary for dwelling at the wedding feast The Ten Virgins There's a difference between watching and being prepared for Christ's return Are you ready The Ten Talents God has given you a special gift Do you know what it is and how you should use it The Two Debtors How to know if you are going through the motions without Christ's love The Good Samaritan Do you know the most overlooked element of this parable It may surprise you The Rich Fool Our capacity for self-deception is limitless Learn the only way to truly know yourself The Barren Fig Tree Time is running out and we have one last chance to cultivate virtue Will you bear fruit in time The Great Supper There's room for all in the heavenly banquet but not all will find room Are you making excuses that lead you into isolation The Lost Sheep and the Lost Coin Do you judge others or do you receive them as Christ did Why your approach to lost sheep could cost you your soul The Prodigal Son Learn how this famous parable explains why God created mankind and chose to give Himself to us The Unjust Steward The world is filled with evildoers Are you mirroring the light of Christ The Rich Man and Lazarus Learn the evils of self-sufficiency and the dangers of taking gifts for granted The Unjust Judge Why you must persevere in prayer despite your continued sins The Pharisee and the Publican Why even though you may not commit great sins your failure to put faith into action could ruin your soul

Sound in the Ecstatic-Materialist Perspective on Experimental Music Riccardo D.

Wanke,2021-08-09 What does a one hour contemporary orchestral piece by Georg Friedrich Haas have in common with a series of glitch noise electronic tracks by Pan Sonic This book proposes that despite their differences they share a particular understanding of sound that is found across several quite distinct genres of contemporary art music the ecstatic materialist perspective Sound in the ecstatic materialist perspective is considered as a material mass or element unfolding in time encountered by a listener for whom the experience of that sound exceeds the purely sonic without becoming entirely divorced from its materiality It is material by virtue of the focus on the texture consistency and density of sound it is ecstatic in the etymological sense that is to say that the experience of this sound involves an instability an inclination to depart from material appearance an ephemeral and transitory impulse in the very perception of sound to something beyond but still related to it By examining musical pieces from spectralism to electroacoustic domains from minimalism to glitch electronica and dubstep this book identifies the key intrinsic characteristics of this musical perspective To fully account for this perspective on sonic experience listener feedback and interviews with composers and performers are also incorporated Sound in the ecstatic materialist perspective is the common territory where composers sound artists performers and listeners converge *Parables from God Series - Parable on How We Are to Give!* Joe Callihan,2013-02-15 This Parable offers the reader clarity of the way in which God desires to see us give in tithes as well as offerings It is a concise picture of the varied abilities found in the amounts people are able to give God is always looking for two things giving from our heart and balance in the amount we are to give The Parable of How We Are to Give hits people where their pocketbook lives It is certain to bring both relief to some and conviction to others This small but powerful book will be an inspiration to many **The Parables of Jesus** James Montgomery Boice,2015-12-15 Some sections of the Bible give us grand theology Some move us to grateful responses to God But the parables break through mere words and make us ask whether there has indeed been any real difference in our lives In this beloved classic James Boice takes us systematically through the parables of Jesus grouping them into five categories parables of the kingdom salvation wisdom and folly the Christian life and judgment In each section Boice brings Jesus words to bear on life today Through his careful study and clear explanation of each parable born from a sermon series he preached at the Tenth Presbyterian Church in Philadelphia where he pastored for 32 years he helps us understand just what Jesus meant and how our hearts and lives ought to respond Jesus parables are memorable for a reason Discover their power for yourself **Parables from God Series** Joe Callihan,2012-07-10 This book is one of a series of parables received from the Holy Spirit by Christian author Joe Callihan It offers a deeply spiritual understanding of what being made in God s image really means to you and me This parable shines understanding in a way never before revealed It is a book which offers the reader opportunity to grow in spiritual understanding of how they may reflect to others the image of their Father in Heaven I hope you will enjoy this and the other six parables I have been given by the Spirit of God His Word is the basis for each parable *Understanding The Parables* Michael Grady,2022-08-01 Have you ever read the

parables in the Bible and wondered What is this all about Parables can be hard to understand but this book will help as you read it and the parable alongside of the chapters The book examines not just the parable itself but the context it was given in both historical and scriptural as well as giving some crucial keys to understanding the text itself The author is confident you will be blessed in your understanding of God's heavenly stories and their earthly meanings *Surprised by God* Christina R. Zaker, 2020-12-11 Our God is a God of surprises Am I open to the God of surprises Pope Francis 2014 Responding to this challenge *Surprised by God* explores what it means to reflect on life and our journey of faith Theological reflection has been primarily used in academic training for ministry preparation but it is an essential tool for any person pondering Pope Francis questions Christina Zaker provides an in depth look at the foundational elements of theological reflection including definitions and guidance through various methods Offering a lens for reflection based on the unique way Jesus parables surprise and invite listeners to collaborate in the reign of God the book foregrounds the importance of reflection as a spiritual practice committed to justice Reveling in the many ways God surprises us we learn how to respond to the invitation of faith with open minds and hearts **Parables** John D. Barry, 2018-09 Although Jesus parables may seem simple on the surface they convey deep and complex truths about God's Kingdom The parables Jesus uses in his teaching aren't merely illustrations or moral tales They are intricate stories that reveal the mysteries central to the kingdom of God In this volume of the Not Your Average Bible Study series John D Barry unravels the many layers of Jesus parables showing us the radical truths contained within With an eye toward practical application and personal reflection this Bible study is the perfect way to study the teachings of Jesus on your own or in a group Each section of the Bible study begins with a concise introduction providing context for the biblical passage Next you'll consider questions designed to prompt your own in depth study You'll also find specific prayer suggestions along with ideas for further research Experience the joy of discovering biblical insights for yourself then apply these lessons to your everyday life *The Forty Parables of Jesus* Gerhard Lohfink, 2021-07-15 In this book which covers all of Jesus parables award winning author Gerhard Lohfink takes a closer look at the origins of each one its shape its realistic details but most of all its original message and the situation into which it was once spoken Jesus parables speak in bold images of the kingdom of God making it present to us as they reveal something of the mystery of his own person Lohfink also offers a review of some of the scholarship in this area as this topic has sustained research on Jesus since the first telling of these stories but not for the purposes of debate His reflections interpret the forty parables and show how they speak of the coming of the reign of God lead us to Jesus and reveal the mystery of Jesus himself *Parables of Time and Eternity* Keith Ward, 2021-05-27 Most people agree that Jesus parables are about the kingdom of God But what is that They seem to have a lot about hell and judgment but how is that consistent with the Parable of the Prodigal Son and Jesus search for lost sheep They speak of the Son of Man but who or what is that Some have thought they predict the end of the world but could that be a failure to understand biblical language In a new survey of Jesus parables Keith Ward proposes

that they imply a theology of the universal and unlimited love of God a moral demand to care for the well being of all living things a compassion for the poor and rejected of the earth an open door of repentance that even death cannot close the offer of new life in the Spirit and an ultimate goal of universal creative sharing in the life of the cosmic Christ

Jesus' Parables: Finding Our God Within Robert Winterhalter, George W. Fisk, 2004-09-20 Using the best of current biblical scholarship Dr Robert Winterhalter invites his readers to reexamine the parables of Jesus in the light of our inner search and the many surprising insights found in the remarkable collection of early Christian Gnostic manuscripts discovered at Nag Hammadi This important work brings refreshing insights of the early years of the Christian faith by taking into account their historical literary and symbolic dimensions In Jesus Parables Finding Our God Within the affirmations and inspirations in each parable add fresh insights because our understanding of God deepens as we move beyond old boundaries of thought The parables become a window into the mind of Christ and as we grow in open mindedness we feel the warmth of a healthy minded spirituality and the release of a greater harmony in our everyday life Written with pastoral warmth and framed in solid scholarship Jesus Parables Finding Our God Within will provide a deep satisfaction for everyone who is searching for a new level of experience and living faith that will match our uncertain times

Surprised by God Christina R. Zaker, 2020-12-11 Our God is a God of surprises Am I open to the God of surprises Pope Francis 2014 Responding to this challenge Surprised by God explores what it means to reflect on life and our journey of faith Theological reflection has been primarily used in academic training for ministry preparation but it is an essential tool for any person pondering Pope Francis questions Christina Zaker provides an in depth look at the foundational elements of theological reflection including definitions and guidance through various methods Offering a lens for reflection based on the unique way Jesus parables surprise and invite listeners to collaborate in the reign of God the book foregrounds the importance of reflection as a spiritual practice committed to justice Reveling in the many ways God surprises us we learn how to respond to the invitation of faith with open minds and hearts
