WHAT IS SALVATION?: A Biblical Study of God S Greatest Gift Bill Parker, 2014-02 The idea for What is Salvation came as a result of a real concern over the ignorance of so many people today who claim to be saved but who do not understand the truths and realities of salvation as set forth in the Bible Pastor Parker began this as a series of messages preached at Thirteenth Street Baptist Church where he currently pastors and it developed into a comprehensive study and overview of this great and glorious subject as revealed in God's Holy Word It is written in simple and precise language so that any serious Bible student can glean from its pages without getting bogged down in lofty theological platitudes It will be helpful as a guide for those who desire to go further and deeper in their study of God's Word and also as an aid to ministers students and study groups all who seriously desire to study and find answers from God s Word The Forgiveness of Sins Tim Carter, 2016-08-25 In The Forgiveness of Sins Tim Carter examines the significance of forgiveness in a New Testament context delving deep into second century Christian literature on sin and the role of the early church in mitigating it This crucial spiritual issue is at the core of what it means to be Christian and Carter's thorough and erudite examination of this theme is a necessity for any professional or amateur scholar of the early church Carter's far reaching analysis begins with St Luke who is often accused of weakness on the subject of atonement but who in fact uses the phrase forgiveness of sins more frequently than any other New Testament author Carter explores patristic writers both heterodox and orthodox such as Marcion Justin Martyr and Origen He also deepens our understanding of Second Temple Judaism and the theological context in which Christian ideas about atonement developed Useful to both the academic and the pastoral theologian The Forgiveness of Sins is a painstaking clear eyed exploration of what forgiveness meant not only to early Christians such as Tertullian Irenaeus and Luke but to Jesus himself and what it means to Christians today **Unpacking Forgiveness** Chris Brauns, 2008-09-03 Helps readers move beyond the wounds and baggage of bitterness disagreements and broken relationships True or false most Christian pastors and counselors agree on what forgiveness is and how it should take place This question is part of Chris Brauns s Forgiveness Quiz that draws readers into his book and gets them thinking about the subject of forgiveness The truth is pastors and counselors disagree profoundly on this subject Unpacking Forgiveness combines sound theological thinking and honesty about the complicated questions many face to provide readers with a solid understanding of biblical forgiveness Only God's Word can unpack forgiveness The wounds are too deep for us to find healing on our own and the questions are too complex to be unraveled by anything but the wisdom of God This book goes beyond a

feel good doctrine of automatic forgiveness balancing the beauty of God's grace and the necessity of forgiveness with the teaching that forgiveness must take place in a way that is consistent with justice
