**Getting God Wrong** G. S. Kohler, 2023-10-06 Reading a tone of voice into printed words especially the personal experience of an email or text can disconnect two people even friends Having one friend reinterpret the way another heard the words with their own tone of voice may lead them into discovering how Jesus seems to hear God differently even though he read the same Bible In *Getting God Wrong* the reader is invited into a conversation on how they taught themselves to misunderstand the One who loves them best Instructions is the same word that gets translated commandments and guidance is the same word sometimes translated law This shift of translations can affect one's emotional engagement with the ideas People have told themselves for centuries that God marched the people of Israel out of four hundred years of slavery out into the desert to tell them Now you'll be my slaves and live under my commandments What if God used a different tone of voice and not the one people usually hear as they read *Getting God Wrong* suggests that God wants people to hear his heart as clearly as Jesus lived it out in front of them Jesus is God's tone of voice

are not the same and that we cannot function in the same way One should not be boasting that s he is better than the other After the service the grandfather of the cat owner who spoke during my sermon and her aunt came to me and thanked me for the opportunity given to the young lady to talk for the first time in public which would enable her to express herself publicly When I was praying at home after the sermon I had the feeling that God wanted me to tell people to try out what seems to be unusual for them It has been my concern for many years that many couples dont take their wedding vows seriously It is affecting children a great deal many children have two or three stepparents Those children without stepparents seem to be the odd ones among their peers In Canada about 50% of first marriages may likely end up in divorce One may presume that the rate of divorce in second marriages would be lower but instead it is higher at 72% while third marriages have the highest divorce rate of 85% Comparative Annual Divorce Rate in Canada Similarly in America the first marriages divorce rate ranges from 41 50% second marriages divorce rate is between 60 67% and third marriages is between 73 74% Information on Divorce Rate and Statistics This book is fictional The stories are not real stories They are about my past experiences with heterosexual couples in my counseling or pastoral care I do not have a particular person or couple in mind No names in the book are real names If anybodys name or any couples have the same names as used in the book I would like them to know that I am not telling their particular story or using them as an example The Holy Spirit inspired the writers of the bible stories vii instructions messages and the same Holy Spirit is still talking to us today I believe I was inspired to write the book I will encourage anyone or couple whose story or stories are similar to whats in the book not to be too critical but to take it the book as a means through which God is speaking to them to change No marriage is too bad that God cannot change for better Dont fold your arms and accept your troubled marriage as a done deal I will advise the readers to call upon the author of marriage God through Jesus Christ to fix their marriages He is able     **The Sunday Magazine** ,1877     *Life-Changing Love* John Ortberg,2015-05-05 How do you explain a love that has no explanation What will happen if you let it touch your heart God loves you not because you are flawless not because you are a perfect person but just because you are you In *Life Changing Love* John Ortberg reveals the God you ve longed to encounter a Father head over heels in love with you his child and intensely committed to your highest joy Ortberg takes you to the very focus of who God is to discover a burning passionate love that gives and gives and gives He explores the life changing ways this love has expressed itself through Jesus And he shows how you can love your mate your family your friends and the world around you with the same practical transforming love Dispelling your fears and misconceptions of God *Life Changing Love* brings you face to face with the Love that frees and empowers you to love
