God In The Heart Of Things:

The Heart of Man; God's Target Alfredo Harold Geil, 2009-08 The Heart of Man God's Target Part One is Harold's autobiography. It is a captivating account beginning with the author's parents leaving Germany at the end of World War I and settling in Buenos Aires, Argentina, where Harold was born and raised. He became fluent in three languages and at age twenty was drafted into the Argentinean Army. Soon thereafter he was chosen among thousands as the interpreter for the 1952 Argentinean Equestrian Olympic Team that toured Europe for seven months. After discharge from the Army, Harold enjoyed working for two international German corporations where he held several management positions, but political upheaval prompted Harold to fulfill his dream to leave for the USA. Part Two outlines hindrances that prevent Christians from truly enjoying God by failing to appropriate the power, promises, and faith of Jesus Christ. Harold Alfredo Geil is a sincere man of God who spent years in the corporate world as an electrical engineer. While still in Argentina, he married his high school sweetheart and was blessed with two boys. Later in the USA, they were blessed with a daughter. But shortly before retirement, his wife of 28 years died. Through the pain of this experience and other hardships, his desire to comfort the brokenhearted increased. In 1984, Harold married Jeanie, who shared his vision for ministry. Together they have five children, twelve grandchildren, and two great grandchildren. Harold and his wife Jeanie have been a tangible gift of love to many. In 1995, they founded Fullness of Christ Ministries Inc., bringing God's healing to the brokenhearted. So it should be of no surprise that a man who walks so closely with God exudes genuine fatherly love, and the preciousness they both manifest extends into their marriage and to their children and families.

The Complete Works of Rev. Andrew Fuller: with a Memoir of his Life, by Andrew Gunton Fuller: Reprinted from the Third London Edition Andrew Fuller, 2024-04-27 Reprint of the original first published in 1845. The Small Heart of Things Julian Hoffman, 2013-10-15 In *The Small Heart of Things*, Julian Hoffman intimately examines the myriad ways in which connections to the natural world can be deepened through an equality of perception, whether it's a caterpillar carrying its house of leaves, transhumant shepherds ranging high mountain pastures, a quail taking cover on an empty steppe, or a Turkmen family emigrating from Afghanistan to Istanbul. The narrative spans the common and often contested ground that supports human and natural communities alike seeking the unsung stories that sustain us. Guided by the belief of Rainer Maria Rilke that everything beckons us to perceive it, Hoffman explores the area around the Prespa Lakes, the first transboundary park in the Balkans shared by Greece, Albania, and the former Yugoslav Republic of Macedonia. From there, he travels widely to regions rarely written about, exploring the idea that home is wherever we happen to be if we accord that place our close and patient attention. *The Small Heart of Things* is a book about

looking and listening It incorporates travel and natural history writing that interweaves human stories with those of wild creatures Distinguished by Hoffman s belief that through awareness curiosity and openness we have the potential to forge abiding relationships with a range of places it illuminates how these many connections can teach us to be at home in the world *Hours of Thought on Sacred Things* James Martineau,1877 Praying God's Heart Alvin VanderGriend, Dr. ,2013-11-19 Praying God s Heart is for anyone who wants to be more effective in intercession praying for others and for God s kingdom to advance Its 30 short chapters offer a thorough yet concise treatment of important issues related to intercessory prayer Among the topics are The role of Father Son and Holy Spirit in intercession The listening side of prayer Praying kingdom prayers The relationship of obedience to answered prayer The power of praying scripture The prayer of faith No generation has ever had as much knowledge about world conditions and problems as our says Alvin VanderGriend in Praying God s Heart Along with that knowledge comes a responsibility to pray far and wide for the establishment of God s plan and purposes Praying God s Heart will teach you how to more effectively come alongside God s purposes for your family friends church and world as you learn to intercede for what is on His heart **The Works of Thomas Goodwin ...
