author and speaker Deacon Keith Stroh shines God's light on ten of the most common lies that Satan uses to bind our hearts and prevent us from experiencing the fullness of God's love. Not only does Deacon Stroh help us gain clarity to the ways in which these lies take hold and imprison us. He also shows us that through the use of Scripture and the spiritual traditions of the Church we can break the power and authority those lies have in our lives. We all want to be drawn closer in our relationship with Jesus Christ and more secure in our identities as sons and daughters of God so we can never be too vigilant in battling the lies of the enemy. This book offers valuable wisdom for any Christian, those just beginning to follow Christ and those who are more mature in their faith.

The Prophetess and Bishop Love Episode Destiny Boaz, 2025-07-23

The Prophetess and Bishop Love Episode: Overcoming Adversity. Destiny Boaz, a Prophetess of God, is the first to bring out a true, open, honest, and transparent story to let her readers know how she survived her Bishop of twenty years who had narcissist Jezebel witchcraft behaviors that almost destroyed her life under his leadership. Her deep insight and vast knowledge of human behavior empowered her to unveil the root cause of narcissism and childhood trauma. Prophetess Destiny believes that Deliverance Counseling and Inner Healing must take place in the lives of the Servants of God. Closure is very important for one to move forward. This book will appeal to readers, leaders, men as well as women, because the Church is in trouble with leaders who have narcissistic behaviors toward strong women of God. This book will help them identify why you must address your childhood issues and receive deep inner healing for your internal trauma before leading others. Ladies, how can a man truly love you when he doesn't love himself? Over the past four decades in the church world and in the business world, leaders have lost their personal power and influence. Leaders have lost their families, churches, companies, and followers because of a lack of healing unattended childhood wounds. Leaders addressing their issues to achieve closure in relationships is very important for their success in leadership in this 21st Century. Deliverance Counseling, Inner Healing, and a Prayerful Relationship with Jesus Christ give us the opportunity to live open, honest, and transparent lives, the only path to freedom and peace of mind. Many leaders are surprised to discover that their anointing and giftings alone were not enough to prevent their downfall. Why did they fail in the end? Because they lacked the one quality that would have protected their leadership and given them enduring influence and steadfastness without failing when God puts their character to the test. The qualities of personal growth, character building, and sustaining success are seldom taught to leaders today. You cannot win without opposition, and you need adversity to overcome. Your God-given purpose is not a church cliché. You must be willing to go through the fire to be purified and ready for the Master's use. God allowed me to go through my ex-Bishop who had demonic narcissist Jezebel behavior that almost cost me my life. I was determined not to waste my personal pain. God let me live so that I could inspire and empower you to get delivered from leaders who are suffering from spiritual diseases and are refusing to take responsibility for their actions. Bishops and Pastors need to take a deeper look at the first twelve years of their life and see the men in the mirror of God's Word who are hurting and need healing. You must heal yourself then know.

yourself then grow yourself and then grow others This book will help you find true meaning and fulfillment of who God created you to become It will guide you in the discovery of greater self awareness It will catapult you to a new level of personal growth authenticity and fulfillment I pray that my mentorship through this book will inspire the hearts and minds of leaders to do what is right in their churches and organization and become more of an inspirational leader and mentor to your mentees I am passionately committed to helping leaders and women to develop their character and leadership influence in their communities Leadership should not be given to people who have not yet been tested and tried Always remember that your gift is different from your bondage so leaders need to work more on their inner life to preserve their leadership influence so that it is effective productive and fruitful in society God has chosen and anointed me to become a part of the solution instead of the problem I was determined not to waste my personal pain God let me live so I could inspire and empower leaders to live life to the fullest The guidance in this book will catapult you to a whole new level to becoming an influential leader The Canadian Baptist ,1904 This School Called Planet Earth Summer Bacon,2005-11-01 A journey for the greater truths and awareness
