**In God's Awesome Creation** Faith Armitage, 2014-03-27 Seeing God in your busy life is sometimes hard to do. In my job I primarily worked outside with nature on a hands-on farm museum. People reacted in various ways sometimes surprising and sometimes profound. For me it was hard not to see God. In God's Awesome Creation is about some of my adventures my skills and my knowledge along with Bible verses and how it impacted me. I put a Try It at the end. You get to try some of the things I got to do. While you are reading please pray for yourself or others who are involved in that kind of situation. Some of the moments were funny some were awesome and some grabbed you by the socks and brought you up straight. They pointed right at you and you couldn't help but see you needed to think things out.

**Mountain Messages** Don Harville, 2022-07-13 Mountains are spectacular picturesque and common subjects in art and literature Even the authors of the Bible were enamored with the mountains The Middle East is not quite so famous for its mountains but the Bible contains over 542 references to mountains They are quite common as figurative symbols in literature as well as specific key geographic locations The Bible begins with the creation account first mention of mountains in Genesis 1 and ends with Revelation with Christ's return where He is standing on the Mount of Olives outside of Jerusalem Famous and well known events are recorded at specific mountain sites such as Mount Ararat Carmel or Mount Sinai Then there are mentions of obscure mountains like Mount Zemaraim or Perazim where notable meetings or battles or events occurred Mountains can also be used to represent features or characteristics such as obstacles or the permanence steadfastness immovable nature of something or national governments and kingdoms This devotional book is a look at 100 mountain passages in the Bible It is not a complete study of the mountains in the Bible It is not a book on geography geology or archaeology The real purpose of these devotions is to learn how mountains were a significant part of the Biblical landscape and what they can teach us about God and His character Instead of merely looking at their physical beauty we can look at them and recall God's beauty His character and most of all His love for us My prayer is that this will lead you to praise His name with all creation and with all you got

**Being Flawesome** Nicholas Matthews, 2021-01-21 A remarkable fact to reflect on You are perfect What we do in action and what we consider in thought remain vulnerable to imperfection It is for this reason that we often find ourselves living in a confused state of contradiction whereby we strangely possess the capacity to surrender to the dangerous and ungrounded assumption that would say we are simply a representation of our flawed character Or that we are not good enough similarly that we need more The alternative and more appealing by far is to consider our lives as being securely rooted in the grounded wisdom of having a perfected identity The key to confidence is living from perfected identity Jesus perfects our identity while our character remains vulnerable to imperfection Being Flawesome explores the tension between flawed character and perfected identity and advocates a life of living imperfectly perfect
