

A dramatic sky scene with a bright sunburst breaking through dark, colorful clouds. The sunburst is the central focus, radiating light across the frame. The clouds are dark and textured, with a gradient of colors from deep blue on the left to warm orange and red on the right. The overall mood is one of hope and divine light.

**God is Good** Martin G. Kuhrt, 2020-07-30 Is the God of the Bible the most unpleasant character in all fiction as Richard Dawkins claims in *The God Delusion* He is backed up by former preacher and now virulent atheist Dan Barker who has cited Scripture seeking to justify every one of Dawkins's infamous character slurs about the God of the Old Testament Dawkins says the biblical God is jealous and proud of it a petty unjust unforgiving control freak a vindictive bloodthirsty ethnic cleanser a misogynistic homophobic racist infanticidal genocidal filicidal pestilential megalomaniacal sadomasochistic capriciously malevolent bully Barker has added eight accusations of his own Dawkins was too kind he says The God of the Bible is also a pyromaniacal angry merciless curse hurling vaccicidal aborticidal cannibalistic slavemonger Furthermore Barker thoroughly implicates Jesus in the alleged crimes of his Father God is Good seeks to answer every one of these twenty seven accusations Written for theological students pastors preachers thoughtful laypeople who wince at some of what they read in the Bible and those atheists who are honestly searching for truth this book ducks none of the difficult questions and problematic passages If God Is Good Randy Alcorn, 2014-06-17

Suffering is in the end God's invitation to trust him As he did in his best selling book *Heaven* Randy Alcorn delves deep into a profound subject and through compelling stories provocative questions and answers and keen biblical understanding he brings assurance and hope to all Publishers Weekly Every one of us will experience suffering You may be in such a time now We see the presence of evil in the headlines every day It all raises questions about God Why would an all good and all powerful God create a world full of evil and suffering How can there be a God if suffering and evil exist Atheists such as Richard Dawkins and even former believers like Bart Ehrman answer the question simply The existence of suffering and evil proves there is no God But in this illuminating book best selling author Randy Alcorn challenges the logic of disbelief and brings a fresh hopeful and thoroughly biblical insight to the issues these important questions raise Alcorn offers insights from his conversations with men and women whose lives have been torn apart by suffering and yet whose faith in God burns brighter than ever He reveals the big picture of who God is and what God is doing in the world now and forever And he shows the beauty of God's sovereignty how it ultimately triumphs over suffering and evil in our lives and the world around us **God Is More Than A Good Idea** Michael Alex

McDonald, 2011-08-17 In addition to being an author Michael McDonald is an ordained minister and a licensed professional counselor in private practice with his wife and partner Rebecca Besides counseling people who have both mental health and substance abuse problems Michael and Rebecca present creative Christian programs using magical illusions clowning and ventriloquism In *God Is More Than a Good Idea* Michael describes how to allow God to be more than a rational belief in your life I'm excited about the book he says because Jesus proved by his every word and action that he was God in the flesh He simply did everything right What was his reward for loving us We tortured and killed him What was his response to our hatred He prayed from the cross Father forgive them because they don't know what they are doing I don't know about you

but that's the kind of God I want to know. The book covers a lot of ground with Michael sharing many of his own personal experiences as he talks about how you can become God's friend. What's the point he asks if God is only a good idea? What good is a God who isn't there and doesn't care? The good news is that God came to planet Earth to help us find love and peace in a world filled with trouble.

**Good God** David Baggett, Jerry L. Walls, 2011-04-20. This book aims to reinvigorate discussions of moral arguments for God's existence. To open this debate Baggett and Walls argue that God's love and moral goodness are perfect without defect, necessary and recognizable. After integrating insights from the literature of both moral apologetics and theistic ethics, they defend theistic ethics against a variety of objections and in so doing bolster the case for the moral argument for God's existence. It is the intention of the authors to see this aspect of natural theology resume its rightful place of prominence by showing how a worldview predicated on the God of both classical theism and historical Christian orthodoxy has more than adequate resources to answer the Euthyphro Dilemma, speak to the problem of evil, illumine natural law, and highlight the moral significance of the incarnation and resurrection of Christ. Ultimately the authors argue there is principled reason to believe that morality itself provides excellent reasons to look for a transcendent source of its authority and reality, and a source that is more than an abstract principle.
