addition hope is the push behind perseverance that helps a person achieve success in spite of challenges great or small Hope is the propeller that helps to lift a person out of the lowest times in their life and propels them to unimaginable heights As you read this book you will see how my life was catapulted into seasons of darkness yet through that darkness the light shown greater as it came bursting through the darkness from the power of who is on the inside Greater is He that is in you than he that is in the world 1 John 4:4 KJV When you read this book instead of focusing on the bad events or words of darkness by the evil one that were intended to destroy me focus on the acts of the Heavenly Father and my beloved Savior Jesus who lives in my heart for all of the miraculous things they have done in my life We may go through bad events in life but we don't go through them alone and Jesus won't allow them to destroy us Scripture tells us in Revelation that we overcome conquer prevail be victorious over by the blood of Jesus and the word of our testimony what you witnessed And they God's people overcame him Satan by the blood of the Lamb Jesus and by the word of their testimony Rev 12:11 KJV This book is a testimony that God is in total control of all things and that we are overcomers through Jesus the Christ the Anointed One In life we may face situations that are unbearable hurtful sad or challenging but we can trust that God will never fail us

James Innell Packer, 1992-03 **Final War** Leo Giampietro, 2011-04 In the end there will be many wars this will be one of the signs that the end is near In Matthew 24:7-8 Jesus Christ foretold signs that would mark the time leading up to His return For nation will rise against nation and kingdom against kingdom And there will be famines pestilences and earthquakes in various places We have certainly seen devastating earthquakes in recent years The December 2004 earthquake off Indonesia was the most powerful in decades unleashing a massive tsunami that took some 300,000 lives Less than a year later an earthquake in southern Asia killed another 30,000 In Matthew 24:7 the Greek word translated earthquakes is seismos from which we derive such English words as seismology referring to the study of earthquakes Strong's Lexicon defines it as a commotion i.e. of the air a gale of the ground an earthquake earthquake tempest Seismos has a broader meaning than just the earth shaking Matthew 8 records how a violent storm overtook Jesus and His disciples on the Sea of Galilee threatening to capsize their boat and drown them until Jesus miraculously calmed the winds and waves **Weather or Not, God is in Control** Mark McLaughlin, 2021-10-27 Weather or Not God is in Control is a book like no other that you have ever read Weather or Not draws you in to the weather and natural phenomenon with scientific descriptions of what causes natural disasters and then uses various biblical stories of how Jesus His disciples and followers even the apostle Paul and Old Testament prophets like Elijah and Elisha were affected by weather Weather or Not shows us how even though we see or endure chaos of events God is still in control Grab some coffee or tea sit back and enjoy reading Pray to see how God will work and show you His sovereignty His love and protection **Inspirations of Love - Love** Lee Linda, 2015-09-26 This poetry book called Inspirations of Love Volume 1 is an inspirational book with words the Lord has given to me in poetry I feel blessed to be given this gift and I am grateful that I get to share it with the world and to

Christopher Lee Bolt,2019-04-17 From the moment we wake until the time we go to sleep we are bombarded by the benefits of science in the practical elements of everyday life Electricity lights hot showers breakfast cereals clothing cars cell phones roads security systems computers communications traffic lights climate control and entertainment are just a sampling of the many benefits of science In addition to technological advances medicine and agriculture progress with science as well Even educational political and marketing strategists invoke science to substantiate their claims Science dominates the collective Western mindset and we regard it with the utmost respect Yet society remains generally religious even though science and religion are frequently thought of as being at odds with one another How do we reconcile the two Christians are taught to believe that God is in control of everything including the natural elements But how does God relate to physical laws Is God in control of the world or laws of nature Could both views be correct This book examines the Christian doctrine of divine providence and its implications for the laws of nature and the problem of induction before contrasting secular and Islamic approaches to these same topics **Satan and the Problem of Evil**

Gregory A. Boyd,2025-08-04 Where does evil come from If there is a sovereign creator God as Christian faith holds is this God ultimately responsible for evil Does God s sovereignty mean that God causes each instance of sin and suffering How do Satan his demons and hell fit into God s providential oversight of all creation and history How does God interact with human intention and action If people act freely does God know in particular every human decision before the choice is made In this important book Gregory A Boyd mounts a thorough response to these ages old questions which remain both crucial and contentious both practical and complex In this work Boyd defends his scripturally grounded trinitarian warfare theodicy presented in God at War with rigorous philosophical reflection and insights from human experience and scientific discovery Critiquing the classical Calvinist solution to the problem of evil he advocates an alternative understanding of the sovereignty of the trinitarian God and of the reality of Satan that sheds light on our fallen human condition While all may not agree with Boyd s conclusions Satan and the Problem of Evil promises to advance the church s discussion of these critical issues God Is In Control
