**God Is My Broker** Christopher Buckley, John Tierney, Random House Inc., 1999-04-01 From the bestselling author of Thank You for Smoking and Wry Martinis comes a riotous tale about a Wall Street broker who joins a monastery after losing all his clients money **God Is My Broker** Christopher Buckley, John Tierney, Random House Inc., 1999-04-01 **My Life with God** Tessie N. Del Rosario, 2011-05 Each of us experiences the vicissitudes of life in different ways Some it could be said never experience grief while others seem to have lives of grief alone I wrote this book the story of my life not to suggest my life is full of either just strife or just happiness Like anyone else I have experienced both joys and sorrows But I wrote this book so the reader can experience the reality of our great and awesome God speaking to us all in an audible voice and clear in our spirit No matter what occurred for me no matter what surprises life brought me it was always our God Creator of the Universe who kept His promises of the things He would do for me and that He will also do for you the reader of this book What He did for me He will do for you and you will see things happen one by one before your very eyes all your life if you are accepting Him as I am Once you see how our God dealt with a person like myself who is average and very ordinary a person like me full of imperfections and sins a person who even by my own standards would not be acceptable or qualified to be His servant yet still He called me to serve Him you will understand why I am very indebted and grateful to Him It is my hope that after your reading this book you will one day feel as indebted and grateful to Him as I am Our God used a nobody like me to heal a crippled woman to walk normally as you will see He used me to heal instantly a woman with back problems who had been going to chiropractors for years with no results He delivered drugs addicts from their bondage of addiction and fought for someone who was on the brink of Satan s possession casting out demons from a house that was haunted I was his vessel that showed how when someone prays believing in God that He will always answer Our God showed me His wonders His power for healing the manifestation of His gifts and His presence in my life and the lives of others God treated me as special and highly favored touching the hearts of men to do me favors He demonstrated His great love for me by sending His only Son to die in my place to save me from sins

and the fires of hell He showed me how privileged I was and still am to be given an opportunity to accept Jesus into my heart to be my personal Savior and Lord of my life He gave me the right to become a child of God and He will do the same for you He gave me a blessed assurance that I will go to heaven to be with my Lord Jesus forever and ever Here you will learn how to have that very close intimate and personal relationship with God that I have You will feel you know His plans and directions for you You will develop a very strong faith to believe that whatever His will for you it is acceptable and with the complete resignation that He is in control no matter what the circumstances are you find yourself in It makes no difference if you are sick or well dying or lively because you will understand the need and desire to put yourself in His hands as I have done You will completely trust in Him because you will believe in His sovereignty *Of Divine Economy* Marion Grau,2004-10-26 God gives Green Stamps A look at the theological and economic meanings of redemption The King's Stockbroker Archibald Clavering Gunter,1893 The Penniless Millionaire Dorothy Martell,2012-06-20 While reading Dorothy Martell s book The Penniless Millionaire I was forced to grapple with my own humanity and Christian pilgrimage Ms Martell has written an inspirational masterpiece that will captivate its audience to delve deep into its pages and be challenged as well as inspired to reflect and explore the author s life journey both physically and spiritually The author has captured the essence of man s real existence and God s power and how the two entities when joined together can reveal God s greatness and glory through dedicated and motivated people who are sold out for God This book will awaken the desire to experience God like he was portrayed in the Bible days **God's Hole-In-One and Other Miracles** John Corfield,2019-01-16 God s Hole in One and Other Miracles is a book about the Lord s miraculous workings in the life of one ordinary Christian The book begins with an unusual event which happened a few months after the author found faith in Jesus Christ as his personal Savior and Lord He already had a series of miracles which led him to his knees in thanking God for his redemption Therefore he really didn t need the unusual event to confirm his faith However the irrefutable event listed first in this book it is hoped should most assuredly be found compelling The rest of the book details a series of miracles in the author s Christian life of forty three years They include healings lifesavers a calling and a few wonderful discoveries The original purpose of the book was to encourage Christians of all denominational nondenominational and independent churches to not be afraid to share their personal miracles with others Many today are intimidated to keep those events to themselves However we live in an age where biblical doctrine has been watered down to such an extent that many don t really know what to believe any longer God s Hole in One has also an evangelistic mission Every person alive could have a personal relationship with Jesus Christ if they only knew the truth of who Jesus is He had a mission to offer himself as the sacrificial lamb that would take away the sins of the world as well as its penalty An explanation of Christ s finished work on the cross and what it means is woven throughout the chapters He has made an offer to all of us to live with Him forever but few today seem to understand what that means The miracles presented in this book should encourage all who read it to seriously consider the claims of Christ As he said You

will know the truth and the truth will set you free John 8 32 His truth is so easy to see that even a child can understand it He who has it will be free indeed John 8 36 The journey of miracles of this ordinary Christian many against very high odds was the Lord s doing and it is finally time to share it with all who will listen John has been presenting his message The Importance of Miracles in a Christian s Life to churches in Arizona It s not about the book it s a message of encouragement for all Christians in these chaotic times If anyone would like to have John present his message to their church Christian school adult Sunday school class Bible study or any other Christian group please contact John at godsholeinone gmail com
