God Is No Laughing Matter Julia Cameron, 2001-10-01 In *God Is No Laughing Matter* bestselling author Julia Cameron takes a witty powerfully honest and irreverent look at the culture of spirituality today and offers insight to enable readers to determine their personal spiritual path The important thing to remember she says is that God is both more humorous and more humane than we've been taught With her trademark sparkling prose Publishers Weekly anecdotes and helpful techniques Cameron's thought provoking essays paint the spiritual journey in a refreshingly clear light Addressing the way in which spiritual experts have clouded the message her book shows readers how to improve concentration and how to make conscious choices that heighten their individual autonomy as well as enrich their lives and their communities **God is No**

No Laughing Matter Julia Cameron, 2001 **No Laughing Matter** Angela Rosenthal, David Bindman, 2015-11-22 In the wake of the Charlie Hebdo attacks this collection which gathers scholars in the fields of race ethnicity and humor seems especially urgent Inspired by Denmark's Muhammad cartoons controversy the contributors inquire into the role that racial and ethnic stereotypes play in visual humor and the thin line that separates broad characterization as a source of humor from its power to shock or exploit The authors investigate the ways in which humor is used to demean or give identity to racial national or ethnic groups and explore how humor works differently in different media such as cartoons photographs film video television and physical performance This is a timely and necessary study that will appeal to scholars across disciplines

Michael Braswell, Clemens Bartollas, 2017-09-11 *God's Scoundrels and Misfits* examines the relationships of biblical characters with God and with each other Some took advantage of the second chances God offered them while others missed the opportunities to change the direction of their lives Lessons learned from the choices they made and the outcomes they experienced are explored in the context of modern families and individuals Sibling rivalry unbridled ambition women's issues suffering and forgiveness are some of the issues that are brought forward into contemporary living The times may have changed but the challenges remain the same *The Church School Journal*, 1914 **God's Autopsy and the Living**

Truth of Soul Hal Childs, 2022-08-22 The Grand Narrative of Christianity that the Bible created is dead and the Bible is silent Does the Bible have anything relevant to say to our modern circumstances We ask where did God come from What happened to God God's Autopsy reinterprets soul and God as historical psychological phenomena related to the cultural

structure of consciousness the invisible shared context of thought which has changed dramatically over the past three millennia This book offers a new way to understand the trajectory of Western civilization by making the implicit foundation of Western consciousness soul visible and conscious Our modern Western consciousness is radically different from that of antiquity when the Bible emerged Jung s psychological philosophical insight that whenever we speak about the psyche it is the psyche speaking about itself leads to the realization that today consciousness has come home to itself Beginning with preliterate polytheism the emergence of the transcendent god Yahweh and Christ which led directly to the Enlightenment objective soul continues to unfold itself How did late modernity become a topsy turvy quantum virtual digital impersonal and abstract world that appears to be running away from us The answer is unexpectedly and shockingly in the Bible itself
