want to play famous and inspiring hymns and spirituals Don t worry You will begin to play right away We made our pictured sheet music as simple as possible You ll play by number coded circles No musical staff or notes The easy to play songs and melodies were adapted especially for beginners The melodies have been transposed to one octave and simplified Also the number coded notations have been added and complex notes and symbols have been reduced Such simplification makes it possible for people to play melodies especially those who can t read music or who have never played music before The steel tongue drum and the handpan are percussion musical instruments designed to help you focus on your feelings sensations and body You don t need classical music training or knowledge of music theory to play them The primary purpose is relaxation meditation and traveling through your inner world No previous training or skills are necessary to enjoy these fascinating instruments For tongue drums that have numbered musical notation numbers 1 to 7 represent the keys of the diatonic major scale For example a C Major scale would be 1 C do 2 D re 3 E mi 4 F fa 5 G sol 6 A la 7 B ti si 8 i C do Your drum can be numbered from 1 to 8 where 8 is note C of the next octave We use the number 1 with a dot above the digit for this note because the most popular models of tongue drums use this enumeration All songs in this book have been written with numbers because most modern tongue drums have numbers engraved or painted on their keys This book is aimed at those new to music and musical instruments whether child or adult It allows for simple and easy learning that requires no previous knowledge of reading music Because most tongue drums include and are tuned to involve the notes of the main octave all songs from this book are possible to play in one octave You may need to skip some songs if you have less than one octave of keys on your drum Each tongue drum is very different and it is impossible to accommodate songs for all kinds of tongue drums in one book There are the following hymns and spirituals in this book Amazing Grace Babylon s Falling Be Still My Soul Christ Was Born on Christmas Day Deck the Halls with Boughs of Holly Elijah Rock Every Time I Feel the Spirit God Is So Good Great Big Stars Great Day He s Got the Whole World in His Hands Holy Holy Holy I ve Got Peace Like a River Jesus Loves Me Jingle Bells Jolly Old Saint Nicholas Joy to the World The Lord is Come Just As I Am Kumbaya My Lord Michael Row the Boat Ashore O Sanctissima Praise Him All You Little Children Shall We Gather at the River Silent Night Holy Night Sinner Man Soldier of the Cross Song of Praise The First Noel Twinkle Twinkle Little Star We Are Climbing Jacob s Ladder We Are Marching Siyahamba We Wish You a Merry Christmas When the Saints Go Marching In Who Built the Ark **God Is So Good to Me** ,2016-03 Mary McDonald and Bryan Sharpe team up to give the revered praise chorus God Is So Good an exciting spin Replete with gospel flavor the fresh music and lyrics combine with a soulful tenor solo to create a joyous celebration of God s love and faithfulness [My First Praise Songs](#) Anna Laura Page,Jean Anne Shafferman, My First Praise Songs offers 10 delightful songs and medleys featuring 17 traditional tunes including camp meeting jubilee and revival songs spirituals gospel hymns and folk songs Each title is arranged for unison voices with actions and activities for young children ages 3-8 Some songs feature optional solo or 2 part singing *Songs of Faith and Praise* Gray Conventional ,1994-04

W.B. Seals** Barbara A. Seals Nevergold,2013-02-27 talented musician and an expert photographer His photography career spanned nearly a half century and produced thousands of photographs and negatives Following his death in 1995 members of the family decided to gather as many images as possible especially the early ones However the search that the family conducted for the negatives and photos that chronicle our father s photographic career resulted in finding materials that are equally emblematic of his role as a minister of the Gospel We found an unexpected treasure in the copies of the notes that he used to construct his sermons These hand written notes were probably also used when he preached Many were dated and cited the church where they were delivered The earliest one dated to 1948 with the last ones ending in 1988 Surprisingly many of the messages he conveyed have a timeless nature to them as the issues which he addressed are still relevant This small volume is also enriched by copies of photos taken from our fathers collection and scans of some of the original notes The majority of the sermons in this book were preached during Dad s pastorate of the Cold Spring Baptist Church in Buffalo New York He was the pastor of Cold Springs located at Verplanck and Woodlawn Avenues from about 1956 to 1961 During the latter part of his tenure at the Church his sermons show signs of mounting frustration and difficulties with a faction of the congregation I leave the analysis of this period of my fathers ministry to the reader but I think that these sermons provide an interesting picture of the management problems that many ministers encounter in their positions as spiritual as well as organizational leaders Finally we were extremely fortunate that these papers werent over looked and destroyed I have to give special acknowledgement to my brothers James John and Jerry for their foresight in gathering these sermons the negatives and photographs for

preservation Initially I transcribed these sermons notes and saved them to be shared with the family It s taken over 15 years but finally they can be passed down to a generation who were not even alive when our father died However I believe that these papers represent not just a family legacy as they illustrate a tradition of the Black ministry Like so many of his peers our father was an itinerant minister who answered his call to ministry while keeping his day job in my father s case day jobs This little book offers a glimpse into the life of a Black man born more than a century ago who persevered against the challenges of his day to succeed in several chosen fields
