God Still Speaks Through Dreams Are You Missing His Messages:

God Still Speaks Through Your Dreams Greg Cynaumon, 2008-07-13 If you re open to hearing God even when you re sleeping your dreams can be a rich source of revelation and insight One man s dream saves his family from what could have been a deadly fire A fifty two year old woman finally understands a dream she s been having since she was thirteen A policeman s dream warns a friend of a dangerous encounter with a suspect Church elders have the same dream about a change in the church s leadership A strange and frightening dream warns a mother of a potentially dangerous relationship in her son s life A dream confirms an East Indian man s decision to become a Christian As you read the details of these and other dreams that Dr Greg Cynaumon describes you will find that they and the circumstances that surrounded them were more than coincidental You will be convinced that God who is concerned and involved in the lives of individuals has something to say through dreams And you won t want to miss His messages Dr Cynaumon examines dreams from a perspective that is both scientific and biblical He explores dream interpretation explains some common dream symbols and answers questions about dreams and their occurrences in Scripture He also corrects several popular myths about dreams If you desire to unravel one of life s great mysteries but are wary of secular approaches to this subject then you ll want to explore with Dr Cynaumon how God still speaks through dreams

Visitations to Heaven and Talking with Angels Brenda J. Medley, 2019-02-05 Would God actually summon someone to Heaven far above the earth the sun the moon and all the constellations Prior to standing on a cloud and viewing

all of Heaven's beauty and glory my answer would have been an emphatic no. However I found myself standing on a fluffy impenetrable white cloud witnessing the beautiful holy city called Heaven and then I saw Him. His face and garment radiated a supernatural brilliant light that was much brighter than the morning sun coming up over a horizon too magnificent to gaze upon. There is no verbal vernacular to adequately describe the exquisite golden streets, breathtaking jeweled walls, fragrances incomparable to any on earth, and the Heavenly choir singing melodious songs to worship and praise the King of kings and Lord of lords. There are nine classifications of Angels, all having different assignments. Some have four faces, one resembling that of a man, and the other three faces are the likenesses of animals. Only the Angels assigned to mankind sent to provide assistance, directions, encouragement, instructions, or to reveal or fulfill the plan of God resemble human beings. There is life after death and a Heavenly home where Yeshua Hamashia, Jesus the Christ, resides and where He has prepared a residence for all those who love Him. Many personal visitations of Angels and that of Heaven are included in this writing. In fact it was an Angel who prompted me to pen this book, and it is my expressed hope that your faith will be elevated and that you too will experience the supernatural.

A Reader in New Religious Movements George D. Chryssides, Margaret Wilkins, Margaret Z. Wilkins, 2006-05-10. We've Lost. What Now? Wayne Baxter, 2015-02-13. Is the church of the twenty-first century supposed to regain its former glory, or is it too late? Are the people of God in exile yet again? Have we lost our cultural footing and are now in desperate need to find a new way for the present millennium? Daniel was born into a nation of God-fearers where the Scriptures were embraced and biblical values espoused. But that all changed with the Babylonian exile. Daniel's God, his values, and his faith had become irrelevant and even despised in his society. With the erosion of Christendom, Daniel's story has become the church's story. *We've Lost. What Now?* offers a clear, insightful, and relevant exposition of Daniel in order to empower believers to minister more effectively than ever before from the social and cultural margins the church now inhabits.

Practical Life **Reset Your Heart** Ellen Stotts, 2018-10-25. People all over the world suffer in silence. Why? Because they do not have any answers as to how to help themselves or deal with their

Prophetic Evangelism Mark Stibbe,2004-02-01 In this compelling book Mark Stibbe argues that God wants to use Christians to speak prophetically into the lives of unbelievers waking them up to the fact that Jesus is alive and he knows their every thought word and action There are many biblical examples of God s people using prophecy in their witness to unbelievers Jesus used prophecy in His ministry to seekers After Pentecost God gave the gift of prophecy to believers as one resource among many in their witness to the world Furthermore Christians today receive prophecies for those who don t know Christ often with immediate and life changing effects This book contains many such testimonies

I SAW THAT Tamara Woods,2019-02-27 Are you hurting and you can t seem to find God in your pain Do you feel like the circumstances surrounding you threaten to overtake you If so you are not alone I have been where you are sitting There have been times I have asked these same questions In the midst of some of my greatest storms I have wondered Where are you Lord What are you trying to show me through this When everything in life is going great we recognize God s blessings but when life throws us a curveball we begin to question God Does God care that we are struggling Why doesn t God answer as soon as we pray It was during those moments of great pain that I developed a closer relationship with Father God I did not realize it at the time but those heartaches drove me into the arms of my Heavenly Father It was then that I experienced what it meant to trust God even when I couldn t see the outcome That trust brought me a newfound closeness and strength I had not known before in my relationship with Christ This book is about learning to recognize the presence of God through your pain It will probably bring a few tears laughter and a lot of teaching to help you understand God has a purpose for your life Your pain has not been in vain In your times of greatest sorrow God has not abandoned you Just like He spoke to me one day He will also reveal to you I saw that
