God Thats Not Fair:

That's Not Fair! Galal Ahmed, 2025-09-24 Raised by a Muslim father Galal Ahmed's journey to faith in Christ was anything but ordinary As a firefighter he embraced his newfound Christian faith only to face jail time four months later for a crime from his past How can a man who committed heinous acts against an infinitely holy God not only find forgiveness but be adopted as a son inheriting all things Is that fair Through gripping personal stories and sound biblical exegesis *That's Not Fair* explores these provocative questions Join Ahmed as he recounts riveting encounters with Imams atheists cult members and more offering clarity on the objection all have voiced at some point That's not fair This book will challenge the reader's perspective and illuminate the transformative power of God's grace **You Are Stronger than You Think** Joel

Grant, 2025-08-25

When I Think About is a book of poems written by Mason Anthony Grant Driven by his goal to help spread the Word of God around the world Mason gives his spiritual insight and inspiration on certain topics in poetic form Mason has been writing poems and music since he was twelve years old but it was his experiences during his college years that made him write about them in a little red book given to him by an old friend during a lunch meeting Mason's goal for his poems is to spread his insight on topics while sharing the love God has shown him with others especially teenagers Mason's only desire for his readers is to be inspired and encouraged to start or continue the walk for Jesus Christ He wants them to be able to find the desire within themselves to learn more about Christ and what their God-given purpose is Venture within Mason's thoughts as he talks about his own struggles experiences opinions and much more **Sugar-Free Religion** Denny C. Wise, 2014-06-26 *Sugar Free Religion* is part biographical part religious instruction and part just a fun read Denny believed we are called to be Christian change agents As such he believed we must be willing to relate not only to the beautiful people of this world but to the not so

beautiful as well We are called to give hope to the hopeless and love to the unlovely That is what Jesus did and that is what he calls us to do In short the whole Gospel is not about following the right rules It is about following Jesus and loving your neighbor It is not about believing the right stuff it is about personal life changing relationships Relational Theology was Denny's entire ministry It is what he taught and how he lived So if you really want to expand your consciousness and find your true authentic self then why not try looking at every person you meet as a special gift from God Every stranger is a wonderful opportunity for you to experience new joy self fulfillment and self discovery So reach out and touch someone Comfort a friend who is hurting Give hugs to everyone Be kind to a lonely child Visit the aged in nursing homes Take flowers to someone who is sick Bring cheer to someone who is dying Give comfort to someone in grief Gladly give yourself away That is how you find your life by losing it Most of the stories and examples in the book come from first hand experience From Wilmington to Burlington and from Laurinburg to Oxford he became a part of the lives of the parishioners he was sent to serve So get ready to have your heart strangely warmed as you read the pages of his book He will knock the sugar coating the marshmallow fluffiness and even the sugar sprinkles from your faith Open your heart and your mind for a new experience Don't worry if a few things fall to the wayside That's OK because from there you can begin to build your own bright shiny faith free of the stickiness Experience now the joy of living a life without the ick

Sovereign Mark Hollingsworth, 2016-07-21 In the tiny town of Plainville Jared Whitehead grew up in church and is now trying to live out his faith like a man Influenced first by a fiery preacher who crashes in a moral scandal then by a godly pastor who challenges his long held convictions Jared is forced to come to terms with what he really believes about God But when tragedy strikes his family his faith in his sovereign God faces the test of his lifetime

The Judge Is the Savior Jean Wyatt, 2015-02-16 This is a book Jean Wyatt felt compelled to write as she has for many years wrestled with questions surrounding the love and the justice of God his salvation and judgment through Jesus Christ and the effect of our response or lack of response to that salvation The Bible gives glimpses of hope that in the end God will restore all things and that finally all people will worship him If it is God's will that all should be saved is it possible to resist that will for all eternity Or dare we hope that God will continue to seek and ultimately save those who now reject his offered salvation Dare we hope that hell will be a place of restorative justice and cleansing with redemption as its aim Wyatt has come to the conclusion that we can answer Yes to both these questions The fire of God consumes evil and cleanses people Meanwhile in the here and now in which we live as disciples of Jesus Christ we are called to be witnesses to the kingdom of God and to work for his kingdom to come on earth as it is in heaven
