[-6.], 1790 *Mind What Matters* Amanda Belmont, 2023-02-22 Wow where did that thought come from If you've ever had that thought this book is for you Everything starts with a thought great ideas and inventions for example but also horrible ideas and sin starts with a thought as well So what is a person to do Are we doomed to simply be the bearers of whatever thoughts race through our minds at any given time By no means as children of God we have everything we need to live well starting with the thoughts in our minds We are not captives to our thoughts but in fact we can take our thoughts captive This book looks at four different aspects that lead to developing a theology of a sound mind and a good thought life To build a sound mind one must be actively involved in the process The information gained on what a sound mind is how to improve and activate it and healthy habits to incorporate to strengthen the mind should be continually applied both for our benefit and most importantly so each person can honor and glorify God to the best of their ability
