God Was In Christ:

God Was in Christ Reconciling P. Andrew Sandlin, 2019-03-26 Jesus was the fulness of God and his incarnation revealed and did not conceal God His death and resurrection displayed God in ways that he could not otherwise be revealed This same Jesus as the eternal Son is the Mediator of creation and not just redemption and his work as Creator is no less significant than his work as Redeemer God in Christ; set forth in two letters to a friend, with some observations on Mr. M'Lean's tract on the Sonship of Jesus Christ; and an Appendix containing some remarks on Dr. Gill's arguments in his Body of Divinity for the eternal generation of the Son of God. [By George Bevan.], 1818 **The History of Scottish Theology, Volume III**

David Fergusson, Mark Elliott, 2019-10-31 This three volume work comprises over eighty essays surveying the history of Scottish theology from the early middle ages onwards Written by an international team of scholars the collection provides the most comprehensive review yet of the theological movements figures and themes that have shaped Scottish culture and exercised a significant influence in other parts of the world Attention is given to different traditions and to the dispersion of Scottish theology through exile migration and missionary activity The volumes present in diachronic perspective the theologies that have flourished in Scotland from early monasticism until the end of the twentieth century The History of Scottish Theology Volume I covers the period from the appearance of Christianity around the time of Columba to the era of Reformed Orthodoxy in the seventeenth century Volume II begins with the early Enlightenment and concludes in late Victorian Scotland Volume III explores the long twentieth century Recurrent themes and challenges are assessed but also new currents and theological movements that arose through Renaissance humanism Reformation teaching federal theology the Scottish Enlightenment evangelicalism mission biblical criticism idealist philosophy dialectical theology and existentialism Chapters also consider the Scots Catholic colleges in Europe Gaelic women writers philosophical scepticism the dialogue with science and the reception of theology in liturgy hymnody art literature architecture and stained glass Contributors also discuss the treatment of theological themes in Scottish literature **The Complete Works of Stephen Charnock: The necessity** Stephen Charnock, 1865 **The Works of the Late Rev. Prefatory Dedication and Memoir, by Edward Parsons. [With a Portrait.] Stephen CHARNOCK, 1815 The Sacred Writings of John Cassian John Cassian, Cassian was one of the first and most prominent of the Semi Pelagians maintaining that while man is by nature sinful he yet has some good remaining in him and that while the immediate gift of God's grace is necessary to salvation conversion may also be begun by the exercise of man's will He further asserted that God is always willing to bestow his grace on all who seek it though at the same time it is true that he sometimes bestows it without its being sought These views have been held by a very large part of the church from his time and embrace much of the essence of Arminianism The style of Cassianus is slovenly and shows no literary polish but its direct simplicity is far superior to the rhetorical affectations which disfigure most of the writings of that age At the request of Castor bishop of Apt he wrote two

monumental and influential treatises on the monastic life The De Institutione Coenobiorum twelve books describes the dress the food the devotional exercises the discipline and the special spiritual dangers of monastic life in the East gluttony unchastity avarice anger gloom apathy vanity and pride The Collationes Patrum a series of dialogues with the pious fathers of Egypt deal with the way in which these dangers and others e g demons may be avoided or overcome At the desire of Leo then archdeacon of Rome he wrote against Nestorius his De Incarnatione Domini in seven books Continuing in Christ'S Teaching Moffat D. Ngalande,2012-01-31 My increasing desire is to see Christians that have a holistic view of the Christian faith being firmly grounded in the truths of Gods Word Continuing in Christs Teaching takes you on a journey in which the fundamental Christian doctrines are explored so that we may grasp them and not only grasp them but also apply and continue in them in practical day to day living Moffat Ngalande Many of the books and papers in almost all fields of study are normally written by so called giants and heavyweights in their field Yet many times because of this very fact much of what is written tends to be very intellectual It seems to be out of touch with the normal day to day hassles of life that the average human being has to face Many of the other books written by lightweights in the field seem to lack orderliness and the depth of thought that is required Yet in this book Continuing in Christs teaching Moffat works out a unique combination of the best of both worlds I thus proudly recommend this book to Christians of all denominations Reverend Reynold Mmangisa Church of Central Africa Presbyterian A very good and well researched effort The fact that this is done by a young lay and professional person should be both encouraging and challenging Encouraging because its a very good sign in the midst of the different extremes in teachings and doctrines Challenging because it shows that there is a quiet which must be recognized and addressed Pastor Jeremiah Chikhwaza Bible Faith Ministries This is an excellent work which elaborates the biblical doctrines herein discussed Many readers both growing and mature Christians would find this book both informative and helpful in attaining a deeper understanding of the fundamentals of the Christian faith Bishop Geoffrey Matoga Faith of God Ministries International **God, Possibility and Corporeality** Marcel Sarot,1992 Peeters 1992

The Word Incarnated for Our Enjoyment Witness Lee,2023-09-21 John 1 14 18 indicate that all the children of God need the enjoyment of Christ But how can we enjoy Christ In this booklet compiled from Life study of John Witness Lee breaks down these verses to show that we can enjoy Christ because He was incarnated becoming flesh and tabernacling among us full of grace and reality **The Works of John Owen, D.D. Edited by T. Russell. With Memoirs of His Life and Writings, by W. Orme. (Funeral Sermon ... by D. Clarkson.).** John OWEN (D.D.),1826 **The Works of John Owen, D.D.** John Owen,1853 *The Outlook* Lyman Abbott,Ernest Hamlin Abbott,Hamilton Wright Mabie,Francis Rufus Bellamy,1898 *TYPES and SHADOWS: Prophetic Pictures to Wholeness in Christ* Shirley Christian,2006-08 The revelation shown in this edition reveals to believers the richness and grandeur of the Old Testament Biblical Studies *God of Holy Love* Paul K. Moser,Benjamin Nasmith,2019-08-30 The God of Christian faith is according to Peter Taylor Forsyth a God of

holy righteous love As a result God's intervention in human life is morally robust being in search of the transformation of its recipients toward holy love Its high point is in the cross of Jesus Christ This book contains twenty of Forsyth's essays that clarify the nature and manifestation of God's holy love Forsyth contends that God is an active personal agent who desires interpersonal fellowship with humans under the authority of divine holy love He attends to the experience of God in moral conscience where one can experience forgiveness and redemption by God He challenges readers to consider whether their experience includes an encounter with a God who manifests holy love The Poor Man's Morning Portion; Being a Selection of a Verse of Scripture, with Short Observations for Every Day in the Year ... Nineteenth Edition, with the Final Corrections of the Author Robert HAWKER (D.D.), 1836 *Christ's Resurrection in Pauline Soteriology* David Michael Stanley, **The Church of England Magazine**, 1851 Report and speeches at the third annual meeting of the Church Pastoral Aid Society May 8 1838 *Commentary on 1 and 2 Corinthians* John Calvin, For hundreds of years John Calvin's Commentaries have been admired and relied upon for their deep insights into Scripture Charles Spurgeon told his students It would not be possible for me too earnestly to press upon you the importance of reading the expositions of that prince among men John Calvin Of all commentators I believe John Calvin to be the most candid He was no trimmer and pruner of texts He gave their meaning as far as he knew it His honest intention was to translate the Hebrew and the Greek originals as accurately as he possibly could and then to give the meaning which would naturally be conveyed by such Greek and Hebrew words he laboured in fact to declare not his own mind upon the Spirit's words but the mind of the Spirit as couched in those words And even Arminius himself admitted Next to the perusal of the Scriptures which I earnestly inculcate I exhort my pupils to peruse Calvin's commentaries for I affirm that he excels beyond comparison in the interpretation of Scripture and that his commentaries ought to be more highly valued than all that is handed down to us by the Library of the Fathers so that I acknowledge him to have possessed above most others or rather above all other men what may be called an eminent gift of prophecy **The Christology of John Macquarrie** Vernon L. Purdy, 2009 The Christology of John Macquarrie comprehensively scrutinizes the life and writings of Scottish born systematic theologian and philosopher John Macquarrie 1919 2007 in an attempt to comprehend and evaluate his Christology The author examines the people e.g. Heidegger Schleiermacher the philosophical and theological positions and the writings that formed Macquarrie's thinking One major influence was his commitment to modern critical theology including the premise that in the modern world the only acceptable Christological tenets are those that can stand up to the scrutiny of modern critical reasoning The work concludes that this commitment profoundly shaped Macquarrie's theology especially his Christology The book also discusses Macquarrie's evaluation and criticisms of the Christology of other theologians e.g. Kierkegaard Moltmann Pannenberg and others concluding that Macquarrie's understanding of the Christian faith and the person of Jesus Christ is consonant with modern liberal Anglo Catholicism This idea furthers the argument that Macquarrie's reluctance to accept traditional

incarnational categories suggests that his Christology is a modern form of Adoptionism Jesus Margery Wolfe, 2016-10-04
Jesus came so that man would be aware of the choice they have leaving man without excuse to sin You see God loves man
and desires that we serve him in spirit and in truth Jesus is the way the truth and the light we will need to live now the Word
and he is the same one we need when we depart this life the Christ He came that we have life in Christ that is more abundant
through the Spirit He sent us once again Gods Spirit that gave man life in the earth as living souls
