## God You Should Know:

**How to Know God** Deepak Chopra, M.D., 2001-02-20 You don't have to believe in God in order to experience God. Deepak Chopra, the celebrated author of *Ageless Body Timeless Mind* and *The Seven Spiritual Laws of Success*, has written his most ambitious and important work yet: a runaway international bestseller that has inspired hundreds of thousands of readers to rethink their concept of God. According to Chopra, the brain is hardwired to know God. The human nervous system has seven biological responses that correspond to seven levels of divine experience. These are shaped not by any one religion; they are shared by all faiths but by the brain's need to take an infinite chaotic universe and find meaning in it. *How to Know God* describes the quest each of us is on: whether we realize it or not. For as Chopra puts it, God is our highest instinct to know ourselves. This book makes a dramatic and enduring contribution to that knowledge.

**Can We Really Understand God?** Cobus Prinsloo, Rev. Tienie Prinsloo, 2023-01-19 Can we really understand God? addresses some of the most common questions that Christians ask. For many unanswered questions have been a stumbling block to their faith. Not only is this book intended for believers but also for anyone who shows interest in the Faith but cannot embark on the next step due to these tough unanswered questions. One of the most common ones involve the science versus faith debate. This book shows there exists an elegant harmony between modern science and the Bible. Apparent contradictions are neutralized when one considers words and syntax in the original Hebrew. Other questions such as Why did God not throw Satan in hell immediately and Why does God allow evil to exist at all will ensure a captivating read and show that we can indeed understand a little more about the mind of God.

*Simple Ways to Know and Follow God's Leading* Praise Kolawole, 2025-01-07 Knowing and following God's leading is not as complicated as it seems. God's leading does not have to be spectacular and mind-blowing. It often comes naturally to us as thoughts or an inclination to do something but we hold back for fear of missing God's will. How can we be certain that a thought in our heart is God's leading? How can we know if He wants us to refrain from taking a step? Is it wrong to follow our plans and desires when we have not received any specific revelation from the Father? *Simple Ways to Know and Follow God's Leading* draws real-life examples from the book of Acts and shows how the apostles and other believers made pivotal decisions based on simple perceptions that could be easily dismissed as ordinary. This book has been written to teach and inspire believers to be confident in God's leading and step out in faith knowing that it is much easier to get the leading of God right than it is to miss it.

*1001 Surprising Things You Should Know about God* Jerry MacGregor, Marie Prys, Donna K. Wallace, 2003 Fun and handy compilation includes brief intriguing facts about the names of God, God's prophets and church, the Trinity and much more.

spiritual aspects that are relevant outside the norms of social traditions His goal is to rescue the unconscious 97% of humanity strengthen and elevate your consciousness to a higher spiritual degree via the concepts in this book Hes imploring people can revive their inner self by self analysis building their mental and spiritual awareness and simultaneously discovering the Borne Revolution Borne Revolution Fight for Humanity defines and discloses the purpose of human existence is book will always be a source of refuge and inspiration to save humanity from an unthinkable demise extinction *Be Still: Uncovering God's Solution for Achieving Happiness, Healing, and Wholeness* Anita Marchesani, Ph.D.,2019-12-07 No one escapes this life without heartbreak emotional pain and suffering God promises to heal your wounded scarred broken and shattered heart Counseling therapy and even medications have limits on the depth of healing they can provide Sometimes only a direct intimate specific supernatural word from the Sovereign Creator of the universe can heal an emotional wound We have a role and responsibility in our healing relationship with Jesus God cannot heal us without our active participation beyond even prayer We must place ourselves in the proper spiritual and emotional position to receive God s healing word into our hearts That position is Biblical stillness When God commands us to be still He is serious God wants us to be still according to His definition of stillness Being still does not come naturally but we can learn specific strategies and techniques to move into still space From that posture we can receive the gravitas of His word that heals us immediately **HOW TO USE GOD'S LIFETIME WARRANTY IN YOUR MARRIAGE** Dr. Amos Adeniyi,2014-08-28 The idea to write fictional letters to marital couples on how to use God s lifetime warranty on their marriages came into being in the process of a sermon preparation as a guest pastor for a local church in November 2011 I prayed about which message to deliver for many days About two days before Sunday I had a dream that a young lady participated during my sermon After the sermon her family greeted me well and said I made her speak in public for the first time and I gave her the encouragement that she needs for the rest of her life Then I woke up On the actual Sunday service during the sermon I asked the congregation how many of them had a dog or a cat A young lady a 17 year old said she had a cat I asked if she ever took her cat for a walk she said no I asked why not She replied Nobody does Then I said people take their dogs for walks but this does not mean that dogs are more important or better than cats Cats have their own usefulness God who created us knows that we are not the same and that we cannot function in the same way One should not be boasting that s he is better than the other After the service the grandfather of the cat owner who spoke during my sermon and her aunt came to me and thanked me for the opportunity given to the young lady to talk for the first time in public which would enable her to express herself publicly When I was praying at home after the sermon I had the feeling that God wanted me to tell people to try out what seems to be unusual for them It has been my concern for many years that many couples don t take their wedding vows seriously It is affecting children a great deal many children have two or three stepparents Those children without stepparents seem to be the odd ones among their peers In Canada about 50% of first marriages may likely end up in divorce One may presume that the rate

of divorce in second marriages would be lower but instead it is higher at 72% while third marriages have the highest divorce rate of 85% Comparative Annual Divorce Rate in Canada Similarly in America the first marriage divorce rate ranges from 41 50% second marriage divorce rate is between 60 67% and third marriage is between 73 74% Information on Divorce Rate and Statistics This book is fictional The stories are not real stories They are about my past experiences with heterosexual couples in my counseling or pastoral care I do not have a particular person or couple in mind No names in the book are real names If anybody s name or any couples have the same names as used in the book I would like them to know that I am not telling their particular story or using them as an example The Holy Spirit inspired the writers of the bible stories instructions messages and the same Holy Spirit is still talking to us today I believe I was inspired to write the book I will encourage anyone or couple whose story or stories are similar to what s in the book not to be too critical but to take it the book as a means through which God is speaking to them to change No marriage is too bad that God cannot change for better Don t fold your arms and accept your troubled marriage as a done deal I will advise the readers to call upon the author of marriage God through Jesus Christ to fix their marriages He is able Since the idea of letter writing is becoming obsolete one may be wondering why letters to marital couples and not email text or any other modern means of communication Letter writing is an old form of communication which is to inform correct and educate In the New Testament there are many letters written by Paul the apostle and others to individuals and churches to deal with issues circumstances and problems faced by the recipients We never read about their responses or their initial letters to the Apostles Similarly only letters written to the couples are featured in this book Most of the Letters in this book are long term correspondence with the imaginary couples The objectives of the letters are to 1 Encourage couples not to give up on their dream of having a successful marriage and to continue fighting until the victory is won 2 Enable the counsellors pastors to keep their counselees hope alive as long as they are still interested in counselling 3 Help families and friends to keep on supporting the couples in crises Note that some of the letters end with prayer while some didn t The idea is we don t have to impose prayer on people Praying with people is as important as praying for people in absentia We need permission to pray with people but we don t need permission to pray for people while they are not there In both my pastoral and counselling ministries the most prevalent issues are marriage and family matters This book thus serves as a handbook to help couples in crises or prevent couples from getting into a marital mess It can be used in marriage enrichment groups or as a counsellor Pastor s handbook The group Leaders Counsellors or Pastors should not use the book as a weapon of judgment against anyone but as a means of correction and education The book is calling people who just want a family and not a marriage Many couples lose love in their marriages Love is the greatest gift God gives to people but many people do not accept it They choose anger instead of peace or love from God The book is calling the readers who are making wrong decisions for wrong reasons We should not let bitterness anger frustration alcohol drugs etc ruin our marital relationships The principles of marital solutions in the book focus on God May God bless

*Self-Disclosure of God* William C. Chittick, 2015-03-26 The Self Disclosure of God offers the most detailed presentation to date in any Western language of the basic teachings of Islam's greatest mystical philosopher and theologian. It represents a major step forward in making available to the Western reading public the enormous riches of Islamic teachings in the fields of cosmology, mystical philosophy, theology, and spirituality. The Self Disclosure of God continues the author's investigations of the world view of Ibn al Arab, the greatest theoretician of Sufism and the seal of the Muhammadan saints. The book is divided into three parts dealing with the relation between God and the cosmos, the structure of the cosmos, and the nature of the human soul. A long introduction orients the reader and discusses a few of the difficulties faced by Ibn al Arab's interpreters. Like Chittick's earlier work *The Sufi Path of Knowledge*, this book is based primarily on Ibn al Arab's monumental work *al Futuḥ al Makkīyah*. The Meccan Openings. More than one hundred complete chapters and subsections are translated, not to mention shorter passages that help put the longer discussions in context. There are detailed indices of sources, Koranic verses, and hadiths. The book's index of technical terminology will be an indispensable reference for all those wishing to delve more deeply into the use of language in Islamic thought in general and Sufism in particular. **Heaven** Scott Tobias, 2021-05-19 Sam Butler is caught up in a war with himself, his business, and his love relationships that come to a head as he continues to wonder what really is it all about. Magically, it all comes together after a life-changing accident. This book is a Spiritual Love Story that teaches that life can be more than just success and survival. **Tell My Beloved** Vickie L. Brooks, 2018-08-27 Tell My Beloved is a compilation of 225 discourses or letters and is written from the perspective of God speaking today. What God would say today is in complete harmony with what He has already spoken in His Word. As a result, you will find that in reading these words for today, the Bible will come alive. Tell My Beloved will challenge your thinking while confirming your own purpose and destiny. Imagine yourself sitting under God's heaven upon His majestic earth, alone with Him. Your heart desires to know Him who created you. What is the purpose and meaning of life? How do I fit in? What am I meant to be? All these things and more are racing through your mind. Your emotions are flooded with a deep yearning to know God and make sense of all that is swirling around in your daily existence. You set your intentions on not just any God or concept or teaching. Rather, you position yourself before Him who is your creator. You address Almighty God, creator of heaven and earth, creator of the universe and creator of you and me. You cry out to Him saying, God, I want to know you. And with your heart, as you begin to listen, He answers. *The Great God Brown* Eugene O'Neill, 1926
