Goddeb Changes A Personal Guide To Working With The Goddeb:

The Goddess Changes Felicity Wombwell,1991 Women and Gender Issues in British Paganism, 1945-1990 Shai Feraro,2020-06-11 This book explores the ways in which changing views on gender and the place of women in society during the latter half of the twentieth century affected women's participation and standing within British Paganism. More specifically, it examines how British Wiccans and Wiccan-derived Pagans reacted to the rise of second wave feminism and the Women's Liberation Movement in the UK with a special emphasis on the reception of feminist theory hailing from the USA and to the emergence of feminist branches of Witchcraft and Goddess Spirituality during the 1970s and 1980s. The book draws on primary sources never before analyzed in an academic context and makes a valuable contribution to the growing body of knowledge on gender and religion during the twentieth century as very little research has been conducted on the relations between the history of modern Paganism and that of second wave feminism in the UK. *Forgotten Origin* Steven Strong,Evan Strong,2011-03-29 *Forgotten Origin* is the third in a series of books dedicated to the first Homo sapiens the Australian Aboriginal people. Steven Strong and Evan Strong continue in their investigation into the global impact of Aboriginal people sailing from never to Australia no less than 50 000 years ago, paying particular attention to the shared principles found within many Gnostic scriptures and the Dreaming. As radical as this theory may appear, the rigor applied, whether through mtDNA, Y Chromosomes, skull morphology or historical accounts and the religious ancestry upon which this hidden history is founded, demands serious consideration. This is not their story. Steven Strong and Evan Strong make no claim to speak on behalf of anyone. They do, however, have the right to relay that which Aboriginal culture custodians insist is true. The First Australians are unique and in no way descended from Africans or any other race. *Forgotten Origin* is merely another reminder of this hidden truth.
