Goddess Of The Sea:

GODDESS OF THE SEA. BRITNEY. JACKSON,2024 **God's Sea Animals I** Marion Wehmeyer,2007-04-27 God s universe is so astonishing that we would be missing a great deal of life if we chose to ignore any part of His creation Most of us are aware of the many animals that live in the forest and roam the land A lot less of us are aware of God s animals that live beneath the sea It is with this in mind that I decided to share my undersea experience with all of God s children It is my hope that this book can be used by Christian parents to interact with their children in a way that will expose God s undersea world and at the same time teach some Christian values that will have enduring ramifications By asking the questions on each page we as parents can stimulate our children to think about God and Christ and His world We can communicate with our children and share some interesting life forms with them It has been said that a picture is worth a thousand words Each picture within this book is an authentic sea animal I took all of the pictures of these sea animals as they appeared in their natural environment Each picture represents an extended effort as a scuba diver and underwater photographer Each animal was handled with loving care and was not removed from its environment Look at each picture and use your imagination to stimulate your child s curiosity This book is intended to be used as a guide to stimulate your child s interest in His world and as a tool for you to listen to what your child has to say Please read it to your child and use the information provided with each picture to answer you child s questions As you read this book may you enjoy God s undersea world and remember you are loved by Him always and forever

Encyclopedia of the Divine Feminine Tamara Von Forslun,2021-05-26 No matter what land culture country or faith the Goddess is alive and well and attracting not only women to Her many paths and Her Mysteries but also men who have realised and awakened the feminine within and without as needed in this time of great uncertainty It is time not to suppress the feminine but Empower Her so the world can see the true beauty in everything that She stands for and represents She is

not separate from the world She is the world and everything has a little light of the Goddess within them if they only take off their blinkers and let Her shine forth Let us all now honour the Great Mother and in this great hour of need for a Mother let us honour all Mothers throughout women s forgotten past and listen to Her story not his story It is the Patriarchal religions of the world that have created a world of uncertainty imbalance and fear Let us NOW through the Divine Feminine remove the imbalance of the patriarchal warring world and assist our own community in EMPOWERING women and men to awaken to a world of harmony peace and equilibrium The Golden Age of Harmony and Equilibrium is NOW Let us as a sisterhood daughters nieces sisters mothers grandmothers and all women and men under the Light of the Goddess in all Her cultures names and differences awaken Her to our world and through us let Her shine In honouring the Great Mother we shall spread Her love and honour all Mothers all women of every faith culture and path May The Goddess hold you gently in the palms of Her hands And always close to Her heart Lady Tamara Von Forslun Elder High Priestess of the Clan of Boskednan Tribe of the Crow The Pursuit of God (Sea Harp Timeless series) A.W.
