Goddess Of Cool:

An Introduction to Hinduism Gavin D. Flood,1996-07-13 This book provides a much needed thematic and historical introduction to Hinduism the religion of the majority of people in India Dr Flood traces the development of Hindu traditions from their ancient origins through the major deities of Visnu Siva and the Goddess to the modern world Hinduism is discussed as both a global religion and a form of nationalism Emphasis is given to the tantric traditions which have been so influential to Hindu ritual which is more fundamental to the life of the religion than are specific beliefs or doctrines and to Dravidian influences from south India An Introduction to Hinduism examines the ideas of dharma particularly in relation to the ideology of kingship caste and world renunciation Dr Flood also introduces some debates within contemporary scholarship about the nature of Hinduism It is suitable both for the student and for the general reader Meisner and Mindfulness Royce Sparks,2022-09-20 Meisner and Mindfulness Authentic and Truthful Solutions for the Challenges of Modern Acting is the first book that reveals how Meisner and mindfulness can be united to create strong results for actors and help them navigate the challenges of the digital age The twenty first century has created an entirely new set of demands and pressures on the working actor including an acceleration of the digital age and the complications of COVID 19 which have led to auditions rehearsals and even whole performances happening entirely in isolation This book combines a modern rethinking of the Meisner technique with a complementary set of tools from mindfulness meditation to offer profound solutions to these growing challenges addressing the demands of a post coronavirus industry as well as the pressures of acting in the digital era In this ground breaking expansion of the technique readers will discover how it is possible to train some of the deepest values of living truthfully under a given set of circumstances both with other actors and whilst alone Since the 1950s the Meisner technique has aided the actor in navigating the demands unique to their time This book is a powerful reminder that even in the midst of so many changes and challenges the truthfulness that has defined outstanding performances across generations is still within reach Full of easily accessible mindfulness and Meisner exercises and principles for practice based support Meisner and Mindfulness will be illuminating to working actors directors students and instructors of acting and practitioners of the Meisner technique looking to develop the authenticity immediateness and closeness essential to great acting The book also includes access to an online supplement featuring additional exercises and concepts including new ways to incorporate Meisner exercises into training sessions suggestions for how Meisner oriented companies can use exercises such as repetition in rehearsals and discussions for how to set up a facilitated Meisner group
