Godliness Good Learning Four Studies:

Encyclopedia of the Essay Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies **Regendering the School Story** Beverly Lyon Clark, 2004-08-02 First published in 1996 Routledge is an imprint of Taylor Francis an informa company **Educating Women** Christina de Bellaigue, 2007-08-16 The author looks at boarding schools for girls in 19th century England exploring the emergence and expansion of private schooling for girls the recruitment and training of schoolmistresses the lives of schoolgirls and the instruction they received and the experiences of pupils and teachers who crossed the Channel *The Problem of Pleasure* Dominic Erdozain, 2010 The book combines intellectual cultural and social history to address a major area of encounter between Christianity and British culture the world of leisure This book traces the rise and fall of the evangelical movement the powerhouse of Victorian religion via its preoccupation with pleasure Victorian evangelicalism demonstrated an ability to excite the affections but also a corresponding suspicion of worldly pleasures Suspicion developed into hostility and a movement premised on freedom became coercive and alienating The crisis of Victorian religion began It is generally held that the mid Victorian turn to recreation and sport solved the problem justifying God to the people through cricket cycling and football This book argues otherwise that the problem of pleasure was inflamed by the ecclesiastical remedy The problem of overdrawn boundaries between church and world gave way to a new and subtle confusion of gospel and culture Historians have praised the mood of engagement but the costs were profound In fact sport became the perfect vehicle for that humanistic unmystical morality that defines the secularity of the twentieth century Secularisation did not wait for the Dionysian rebellions of the 1960s it emerged almost a hundred years earlier in the Victorian transformation of religion into ethics Central to the process was the problem of pleasure DOMINIC ERDOZAIN is Lecturer in the History of Christianity King s College London **Family Fortunes** Leonore Davidoff, Catherine Hall, 2018-12-12 First published to wide critical acclaim in 1987 Family Fortunes has become a seminal text in class and gender history and its influence in the field continues to be extensive today The book explores the middle class family and its place in the development of capitalist society It argues that gender and class need to be thought about together that class was always gendered and gender always classed Divided into three parts the book covers religion and ideology economic structure and opportunity and gender in action across two main case studies the rural counties of Suffolk and Essex and the industrial town of Birmingham This third edition contains a new introductory section by Catherine Hall reflecting on some of the major developments in historical

thinking over the last fifteen years and discussing the evolution of key themes such as the family Providing critical insight into the perception of middle class society and gender relations between 1780 and 1850 this volume is essential reading for students of eighteenth and nineteenth century British social history **Becoming Imperial Citizens** Sukanya

Banerjee,2010-06-17 By examining how Indians formulated notions of citizenship across the British empire from the late nineteenth century through the early twentieth Sujatha Banerjee theorizes modes of citizenship decoupled from the rights conferring nation state **Missionary Education and Empire in Late Colonial India, 1860-1920** Hayden J A

Bellenoit,2015-09-30 Contributes simultaneously to both British imperial and Indian history This work demonstrates that missionary understandings and interactions with India rather than being party to imperial ideologies often diverged from metropolitan and imperial norms **A Vital Ministry** John Caperton,2015-05-30 A Vital Ministry describes the situation of the post millennium generation of the young as threatening to their human flourishing Their economic political and cultural context is potentially oppressive and the education system in this country no longer seeks to provide spiritual capital to resource the young The special role of Church of England schools is to provide a holistic education which values the spiritual dimension genuinely encouraging the personal and spiritual development of young people as children of God Drawing on the testimony both of school chaplains and school students the book argues that the chaplain s ministry of pastoral care has a key part to play in the fostering of personal spiritual development and that the role of the chaplain as a liturgical leader can open up the spiritual realm for students The Church needs to take seriously this vital but neglected ministry the book concludes arguing for better recognition professional support and development *Juvenile" Literature and British Society*

Charles Ferrall,Anna Jackson,2012-05-10 In this study Charles Ferrall and Anna Jackson argue that the Victorians created a concept of adolescence that lasted into the twentieth century and yet is strikingly at odds with post Second World War notions of adolescence as a period of storm and stress In the enormously popular juvenile literature of the period primarily boys and girls own adventure and school stories adolescence is acknowledged as a time of sexual awareness and yet also of a romantic idealism that is lost with marriage a time when boys and girls acquire adult duties and responsibilities and yet have not had to assume the roles of breadwinner or household manager The book reveals a concept of adolescence as significant as the Romantic cult of childhood that preceded it which will be of interest to scholars of both children s literature and Victorian culture **Lightfoot the Historian** Geoffrey R. Treloar,1998 This is the first full length scholarly treatment of the life and work of J B Lightfoot Using large quantities of unpublished sources Geoffrey R Treloar presents a picture of Lightfoot in relation to the social and cultural conditions of his day and explains the breakthrough the achieved for the higher criticism of the New Testament in the English Church BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved [The Greenian Moment](#) Denys P. Leighton,2015-11-30 This study of T H Green views his philosophical opus through his public life and political commitments and it uses biography as a lens through which to examine Victorian

political culture and its moral climate The book deals with the political and religious history of Victorian Britain in examining the basis of Green s Liberal partisanship It demonstrates how his main ethical and political conceptions his idea of self realisation and his theory of individuality within community were informed by evangelical theology popular Protestantism and an idea of the English national consciousness as formed by religious conflict While the significance of Kantian and Hegelian elements in Green s thought is acknowledged it is argued that indigenous qualities of Green s teachings resonated with values shared alike by elite and rank and file Liberals during the mid and late Victorian era In examining Green s beliefs about the historical evolution of English liberty his championing of Liberal Nonconformity and Nonconformist causes and his approval of religious bases of community this study analyzes the ripening of a Greenian moment and traces Green s influence on Liberal quasi socialist and Conservative social reform down to the 1920s The lasting impact of Green s teachings on British and Western political philosophy apparent in the current vogue for communitarianism in liberal theory indicates limitations of the secularization thesis still tacitly accepted by historians of Western political thought

The Greenian Moment Denys Leighton, 2004 This study of T H Green views his philosophical opus through his public life and political commitments and it uses biography as a lens through which to examine Victorian political culture and its moral climate The book deals with the political and religious history of Victorian Britain in examining the basis of Green s Liberal partisanship It demonstrates how his main ethical and political conceptions his idea of self realisation and his theory of individuality within community were informed by evangelical theology popular Protestantism and an idea of the English national consciousness as formed by religious conflict While the significance of Kantian and Hegelian elements in Green s thought is acknowledged it is argued that indigenous qualities of Green s teachings resonated with values shared alike by elite and rank and file Liberals during the mid and late Victorian era In examining Green s beliefs about the historical evolution of English liberty his championing of Liberal Nonconformity and Nonconformist causes and his approval of religious bases of community this study analyzes the ripening of a Greenian moment and traces Green s influence on Liberal quasi socialist and Conservative social reform down to the 1920s The lasting impact of Green s teachings on British and Western political philosophy apparent in the current vogue for communitarianism in liberal theory indicates limitations of the secularization thesis still tacitly accepted by historians of Western political thought

Men's Bodies, Men's Gods Bjorn Krondorfer, 1996 Men s Bodies Men s Gods explores the intersection of body religion and culture from the specific perspective of male identities How are male bodies constructed in different historical periods and contexts How do race ethnicity and sexual preference impact on the intersection of male bodies and religious identity Does Christianity provide models to cope with the aging and ailing male body Does it provide models for intimacy between men and women Between men and men And how do men reflect the carnal dimensions of power abuse and justice

Romantic Genius Andrew Elfenbein, 1999 Elfenbein takes on the absorbing subject of homosexuality in British Romantic writing showing the centrality of disreputable desires to the works of Romantic

male authors from William Beckford to Samuel Taylor Coleridge to William Blake as well as to the writings of lesser known but equally significant female authors of the period

Discipline and Power, 1995 An intellectual cultural and social analysis of the ways in which universities successfully transformed a set of values encoded in the concept of liberal education into a licensing system for a national elite

The Measure of Manliness Karen Bourrier, 2015-04-10 Sheds new light on the narrative importance of the disabled man in Victorian literature and culture

The Idea of the Clerisy in the Nineteenth Century Ben Knights, 2010-06-10 This book is about the development in nineteenth century England of the idea of a secular intellectual elite the clerisy These intellectuals wanted to free themselves from the pressures of material conditioning and be in touch with transcendent values This elite would be capable of seeing and valuing the best in the national cultural heritage and raising the standard of intellectual life Dr Knights considers five major writers who shared this concern Coleridge Carlyle Matthew Arnold J S Mill and J H Newman He finds important similarities arising out of shared problems and assumptions The status of literary culture was still such that to many of its practitioners a clerisy offered the only hope of reversing a trend towards cultural and social disintegration Dr Knights goes on to examine the influence of the idea upon the reorganisation of university curricula in the latter part of the century

Democracy and Religion J. P. Parry, 1989-03-02 An account of how the various religious and educational issues tackled by politicians led to the fall of Gladstone's first liberal party government in 1874 and to an identity crisis for British Liberalism

The English Higher Grade Schools Meriel Vlaeminke, 2013-09-05 The English higher grade schools formed a key part of an expanding 19th century education system but they threatened the vested interests of a powerful Establishment bent on reaffirming the status quo The author analyzes the 1902 Education Act as a retrogressive move by which much was lost

Schools as Dangerous Places Tom A. O'Donoghue, 2007 The lack of serious study on how dangerous schools as institutions can be is a little surprising given that the matter was put squarely on the research agenda in persuasive fashion by Waller back in 1932 The lack of response to the possibilities opened up means that a vibrant research agenda still awaits construction This book will stimulate debate on the matter from the historical perspective It consists of fifteen chapters drawing on historical case studies from the United States Canada England Ireland Scotland and Australia written by international scholars in the field These chapters are helpfully grouped into three sections The first section focuses on certain dangers to which pupils were exposed in the past and on certain dangerous practices which they promoted The second section examines dangers to which teachers were exposed in the past along with dangerous practices which they themselves promoted In the final and third section the chapters explore the dangers to which teachers and students were exposed in the past at the university level Throughout the book the emphases range from dangers emanating from the institutions themselves and the patterns of relationships that developed in them to what occurred due to particular ideologies and practices connected with sport sex religion and science Schools as Dangerous Places delivers a historical perspective of schools in a manner that is most unusual This unique study helps us examine education through a

very different lens
