Godly Materialism Rethinking Money And Possessions:

Godly Materialism John R. Schneider, 1994 Dramatically reopening the debate about money and possessions John Schneider offers a thoughtful reading of the Bible draws on sociological study of the Bible and offers positive examples for Christians who want to use their money conscientiously *Moral Choices* Scott B. Rae, 2009 Now in its third edition this foremost college ethics text helps students form a basis for practical ethical decision making in contemporary culture Substantial updates and revisions include a new chapter on ethics and economics online resources for instructors current case studies new material on bioethics and stem cell research and more *Rethinking Materialism* Robert Wuthnow, 1995 This collection of essays by ten of the nation's prominent social scientists and theologians offers serious commentary on our culture's obsession with material goods and examines the uneasy relation of materialism to religion The contributors assess the ways in which materialism has been understood in recent analyses of American character how the economy shapes our understandings of ourselves the ways in which religious thought is being reshaped by economic circumstances and the nature of consumerism The complement to Wuthnow's *God and Mammon in America* this volume challenges us all to look at materialism in new ways and suggests viable means for reversing our country's prevailing material fixation and its destructive effects on our spiritual lives

The Truth About Material Wealth: Is It God's Blessing in Disguise? Revd Dr Gabriel J. Anan PhD, 2015-11-23 The text of this book reveals the fact that because of poverty in our world there's a desire for every being to accumulate material possessions therefore the temptation to pursue this cause of action can never be underestimated regardless of our belief in the Lord God Regardless of the desire to be wealthy however many believers still ascertain the fact that poverty must be encouraged as part of our faith in Jesus Christ our Lord They support the argument from the biblical text thus For it is easier for a camel to go through the eye of a needle than for a rich person to enter the kingdom of God Luke 18:25 Conversely other believers assert that God does not refute richness and therefore also affirms their belief with the biblical verse that says in the Proverbs 22:7 that the rich rule over the poor and the borrower is servant to the lender In Ecclesiastes 5:19 we hear further thus When God gives any man a wealth and possessions and enables him to enjoy them to accept his lot and be happy in his work this is a gift of God Furthermore we hear from 1 Samuel 2:7 that the Lord makes poor and makes rich he brings low and he exalts These biblical verses indicate the fact that God raises both the rich and the poor The Good News Bible in giant print expands this verse to mean the Lord makes some men poor and others rich He humbles some and makes others great 1 Sam 2:7 Deducing from these texts we can come to some kind of understanding that further reflection on both sides of the arguments is fundamentally in demand for an in-depth illumination of how to live within the grace of the Living God **The Marketplace Ministry Handbook** Robert J. Banks, R. Paul Stevens, 2005 Work has become for many people the central reference point in their lives and the main consumer of their time and energy Whether people have much or little money is what much of life revolves around There is an implicit theology

in everyone's attitude to and handling of work. This book looks at the relationship between God and the marketplace at work as a spiritual discipline and at how to handle some of the main pressures and dilemmas that arise in a work setting. The combined wisdom of dozens of experts makes this volume a great place to start thinking about how Christians should approach subjects such as ADVERTISING BUSINESS ETHICS COMPETITION COMPROMISE CONTRACTS CREDIT DEBT FIRING GOSSIP INSURANCE INTEGRITY INVESTMENT LEADERSHIP LOYALTY MANAGEMENT NEGOTIATING NETWORKING OFFICE POLITICS PROMOTION RETIREMENT SHIFTWORK STEWARDSHIP STRESS STRIKES UNIONS VOLUNTEER WORK WHISTLE BLOWING. R. Paul Stevens is the David J. Brown Family Professor of Marketplace Theology and Leadership at Regent College in Vancouver and the author of many books on marriage, work, and everyday life. His many books include *The Other Six Days*, *Liberating the Laity*, *Marriage Spirituality*, *Living the Story*, and *Down to Earth Spirituality*. Robert Banks is past director and dean of Macquarie Christian Studies Institute in Sydney, Australia. He has written widely on work, community, and popular culture, including *The Tyranny of Time* and *Redeeming the Routines*. **The Complete Book of Everyday Christianity** R. Paul Stevens, Robert Banks, 2018-12-01 I am thrilled to know that *The Complete Book of Everyday Christianity* is being relaunched. A well-worn first edition of this book sits next to my office desk, and I consult it often. There is no better collection of everyday issues examined from a Christian perspective. A wide variety of topics are addressed with a cleverly balanced combination of academic and practical perspectives informed by thoughtful biblical and theological reflection. This is a wonderfully useful tool. I am pleased that it will be available to resource a new generation of Christians who are eager to understand more about what it means to follow Christ in every aspect of life. Alistair Mackenzie, Senior Lecturer, School of Theology, Mission and Ministry, Laidlaw College, Christchurch, New Zealand. Also, Director of Faith at Work NZ. **Jacob's Wealth** Paul Vrolijk, 2011-05-10 Various biblical studies on wealth and poverty have been published over the last thirty years. Some of these studies touch on the wealth of the patriarchs in Genesis 12-50, but they focus predominantly on other parts of the Bible. Scholars who have studied the patriarchal narratives in detail comment on aspects of patriarchal wealth but do not offer an in-depth analysis of this topic. This book on Jacob's wealth shows that such an analysis is warranted. In the Jacob story, material possessions and their associated attitudes and actions are essential to understand the various relationship dynamics. Often, possessions are the cause of conflict, but they also play a role in conflict resolution. As a result, this study contributes to a fuller understanding of the Jacob cycle. **The Good of Affluence** John R. Schneider, 2002 wealth incompatible with true Christianity. In *The Good of Affluence*, John R. Schneider reopens the debate over the proper Christian attitude toward money, arguing ultimately that Scripture does indeed provide support for the responsible possession of wealth. This is a provocative book of Christian theology written to help people seeking God in a culture that has grown from modern capitalism. By comparing classic Christian teaching on wealth with the realities of our modern economic world, Schneider challenges the common presumption that material affluence is inherently bad. Careful

interpretation of Scripture narratives creation exodus exile and more also shows that abundance is the condition that God envisions for all human beings and that faithful persons of wealth are part of this plan Schneider believes that the wealth as blessing themes of the Old Testament are not to be spiritualized and do not run contrary to New Testament teachings but provide exactly the frame of reference for the incarnate identity life and teaching of Jesus who came to make real the messianic feast both in this age and in the age to come Through insightful engagement with the biblical text Schneider overturns some of the most cherished and unquestioned assumptions of influential Christian writers particularly Ronald Sider on modern capitalist affluence Yet Schneider's message is also finely balanced with the need for responsible Christian living He offers rich Christians biblical affirmation but also challenges them to a life shaped by an uncommon sense of stewardship and compassion Incisive thought provoking and biblically grounded *The Good of Affluence* is a superb resource for anyone students professors businesspeople general readers discussion groups wishing to grapple seriously with the subject of faith and wealth ***Christian Ethics (Revised Edition)*** Wayne Grudem, 2024-09-18 What Does the Bible Teach about How to Live in Today's World How should Christians live when the surrounding culture is increasingly hostile to Christian moral values Granted the Bible is our guide but how can we know if we are interpreting it rightly with regard to ethical questions about wealth and poverty marriage and divorce birth control abortion euthanasia homosexuality ethical business practices environmental stewardship and dozens of other issues And on a very practical level how can we know God's will in the ordinary decisions of life To address questions like these Wayne Grudem author of the bestselling book *Systematic Theology* draws on 40 years of teaching classes in ethics to write this wide ranging introduction to biblical moral reasoning organized according to the structure of the Ten Commandments He issues a challenging call for Christians to live lives of personal holiness and offers a vision of the Christian life that is full of joy and blessing through living each day in a way that is pleasing to God Written by Wayne Grudem Bestselling author of *Systematic Theology* and the *What the Bible Says About* series *Biblical and Applicable Teaches* readers how to protect 7 central tenets of God's law God's honor human authority life marriage property truth and purity of heart Accessible An ideal textbook for Christian college and seminary ethics classes with straightforward language and a bibliography for the topic at the end of each chapter Replaces ISBN 978 1 4335 4965 6

The Ethics of Business Scott Rae,2012-04-10 Derived from Scott B Rae s widely adopted textbook Moral Choices this digital short looks carefully at economic life in the Bible and at a range of economic and business issues including wealth materialism work calling capitalism human resources management product safety and more Rae covers

moral and theological principles for a biblically ordered economic life and also includes cases and questions for further discussion The Ethics of Business thus provides a wise and well grounded introduction to an everyday ethical question for Christians namely How can I best serve God in my work and finances Luke's Wealth Ethics Christopher M. Hays,2010 Christopher M Hays addresses the apparent incongruity in Luke s ethical paraenesis and argues that Luke s Gospel depicts a spectrum of behaviors which actualize the basic principle of renunciation of all Book Jacket **Just Capitalism** Brent Waters,2016-10-01 Just Capitalism is a Christian moral defense of economic globalization as a system that is well suited to provide the necessary material needs that are prerequisite for human community and flourishing Global based market exchange offers the development and distribution of the goods of creation for humans to enjoy and share Globalization also offers the most realistic and promising way of exercising a preferential option for the poor Waters argues that economic globalization and thus capitalism is a necessary condition for sustaining human life but not a sufficient condition for enabling human flourishing Even though globalization is generally compatible with Christian theological and moral claims and can realistically facilitate the well being of the human family it must be reoriented toward koinoniahuman community communication fellowships as the global economy s primary goal in order to help actualize human flourishing Readers will gain insight about how economic globalization and thus capitalism is good for the human family and can be made better by certain reorientations that are compatible with Christian moral values Waters provides a mature and civil counterargument against knee jerk condemnations of economic globalization and capitalism Fundamental Christian Ethics Daniel Heimbach,2022-11-01 In Fundamental Christian Ethics Daniel Heimbach draws from decades of research and scholarship to introduce the field of Christian ethics in a comprehensive manner while showing how it dialogues with modern day ethical topics and issues *The Sense of the Call* Marva J. Dawn,2006-02-21 In Keeping the Sabbath Wholly Dawn introduced the vital Sabbath aspects of resting ceasing feasting and embracing Now she expands these into a way of life for serving God and the Kingdom every single day of the week Practical Life Working Blessedly Forever, Volume 2 R. Paul Stevens,Lucas Lee,2025-02-27 In volume 1 of Working Blessedly Forever Paul Stevens argues that doing marketplace theology requires head thought heart prayer and hand action Volume 2 takes up the doing part through the experience of multiple practitioners thus providing a practical marketplace theology So under the headings of Doing Theology from Above and Below Dimensions of Marketplace Practice Issues in the Marketplace and Marketplace Practice and the Church these sixteen authors ranging from a machinist to a lawyer elaborate on what they have learned about the integration of faith and work from their actual work life Edited by R Paul Stevens who writes the introduction a short introduction to each session three of the short chapters and the epilogue this book does not cover everything but gives a window into the actual life of a marketplace Christian in their work for God and neighbor Along with volume 1 this puts flesh on the invigorating and empowering truth of biblical marketplace theology First Things ,1995 **Adam Smith's Sociability and the American Dream** John E.

Hill, 2024-07-08 John E Hill's Adam Smith's Sociability and the American Dream seeks to correct the three misunderstandings that have hindered the pursuit of the American dream and contributed to excessive individualism at the expense of community. Market fundamentalists ignore the importance of Adam Smith's impartial spectator for capitalism; his ideal economy was not a free market but a sociable and fair one. A fair market would promote individuality within vibrant communities and would be consistent with Smith's justice, liberty, and equality formula. Such a sociable market would also be more productive. Second, many Christians misunderstand the love your neighbor commandment, excluding the outsider so explicit in the parable. Failure to follow John Adams's warnings that aristocrats are dangerous in a republic. Free market advocates devalue the immense contributions communities make to the economy. Greater sociability would also facilitate the pursuit of happiness. It would not be necessary to reinvent the wheel to move to this more ideal society. Cooperative organizations already exist in the United States and in other countries as models for reform.
