Godmother Night:

Godmother Night Rachel Pollack, 2014-06-30 Almost a set of short stories this novel breaks into discrete episodes centered on identity love and death Jage has no identity until she meets Laurie introduced and named by Mother Night in that moment she knows herself and that she loves Laurie But once Mother Night has become part of their lives Laurie and Jage and their daughter Kate cannot live as other people do Knowing Death inevitably each of them seeks to use the knowledge to bargain with Death and to change the terms in the balance of life and death in the world Pollack's characters major and supporting living dead and divine are memorably human As she transplants myths and folklore into a modern setting she gives new life to old tales and a deeper meaning to a seemingly simple world Winner of the World Fantasy Award for best novel 1997 The Godmother's Web Elizabeth Ann Scarborough, 2010-11 Cindy Ellis knows about fairy godmothers Her almost stepdaughter is studying to be one and she is a close personal friend of Felicity Fortune an Irish godmother But she didn't suspect when she picks up Grandma Webster that the elderly seemingly lost American Indian woman in traditional dress was a magical godmother too When a self-serving skinwalker witch inflames tensions between neighbors and pits sisters against each other in the best fairy tale fashion Grandma enlists Cindy's help along with that of a Navajo doctor a Hopi rancher and an unlikely champion a dude who is related to coyotes and dreams of a home shopping network empire Together they must defeat the evil that is threatening to destroy their world forever Characterization pacing and folkloric expertise are all up to the series high standards so Godmother followers and others should greet this book joyfully Booklist

Ensoulng Language Stephen Harrod Buhner, 2010-08-23 The first comprehensive work on nonfiction as an art form Shows how nonfiction especially how to and self help can take on the same power and luminosity as great fiction Develops processes to reliably induce the dreaming state from which all writing comes Teaches the skill of analogical thinking that is the core perceptual tool for writers Explores the subtle techniques of powerful writing from inducing associational dreaming in the reader to language symmetry sound patterning foreshadowing feeling flow and more Approaching writing as a sacred art Stephen Buhner explores the core of the craft the communication of deep meaning that feeds not just the mind but also the soul of the reader Tapping into the powerful archetypes within language he shows how to enrich your writing by following golden threads of inspiration while understanding the crucial invisibles essential to the art of both fiction and nonfiction how to craft language with feeling and vision employ altered states of mind to access the writing trance clear your work by recognizing the powerful sway of cliché thinking and hidden baggage and intentionally generate duende that physical emotional response to art that gives you chills opens up unrecognized aspects of reality or simply resonates in your soul Covering some very practical aspects of writing such as layering and word symmetry the author also explores the inner world of publishing what you really will encounter when you become a writer He then shows how to develop a powerful and engaging book proposal based on understanding the proposal as a work of fiction the map is never the territory nor is the

proposal the book that it will become This book written using all the techniques discussed within it offers a powerful experiential journey into the heart of writing It does for nonfiction what John Gardner s books on writing did for fiction It is one of the most significant works on writing published in our time *Three Marys* Paul Park,2003-01-01 The exposition of the faith of Mary the mother of Jesus Mary the sister of Martha and Lazarus of Bethany and Mary Magdalene and their lives after the crucifixion *Golden Vanity* Rachel Pollack,2013-08-29 Earth was finally entering the galaxy The Allies had arrived sweeping down from the stars to offer a jaded Earth the marvels of the cosmos And Earth had gone crazy Farmers sat back to wait for Vita Flakes to fall from the sky New York City drank itself into a permanent starstruck stupor Blissed out teenagers wandered into the Great Mexican Defoliation Desert to wait for the New Gods to bear them off to the astral plane But the Allies weren t in the business of trading something for nothing This impertinent little marketworld might fetch a nice price on the interstellar auction block particularly if a runaway wondergirl named Golden Vanity was tossed into the bargain
