**God's Amazing Creation** Kay Arthur, Janna Arndt, 2001-08 Part of the Discover 4 Yourself Inductive Bible Studies for Kids series God's Amazing Creation takes readers ages 9-12 through the first part of Genesis focusing on the theme of creation Each study is divided into daily lessons designed to be completed in about 15 minutes and contains memorable games puzzles and activities to reinforce biblical truths Jesus, Who Are You? Janna Arndt, Kay Arthur, 2020-05-05 A Beginner Inductive Bible Study on the Names of Jesus From the authors and ministry of the bestselling Discover 4 Yourself Bible study series for kids over 850 000 copies sold comes an all new study series for beginning readers ages 4-7 Each book is designed to help children build a familiarity with and love for God's Word at an early age Kids will have a blast following the many adventures of Cooper and Callie and their faithful canine companion Kate as they go on a quest for Bible knowledge This unique series makes use of all learning styles visual auditory read write and kinesthetic to create a fun and memorable experience for every child The study of Jesus's names is an understandable and foundational topic for young believers When kids understand who Jesus is they take the first step toward believing in Him Also look for Who Created It a Beginner Inductive Bible Study on Genesis 1 Untie the Cords of Silence Michael Huffman, 2022-01-03 Christians often feel they are faced with a choice Either I compromise my commitment to biblical authority or I embrace male authority over women as the Bible teaches Such a dilemma tends to prod Christians often reluctantly down one of two paths One path involves relegating the Bible's teaching to an antiquated past Certain passages are labeled artifacts of a patriarchal culture and deemed irrelevant for today The other path involves a doubling down in which Christians commit themselves to the Bible's perceived teaching about male authority and thereby set themselves over against a full commitment to equality Untie the Cords of Silence shows through careful readings of relevant biblical passages that Christians need not go down either of these paths It is possible to hold to both biblical authority and the full equality of men and women In fact doing so is the most logically coherent way of applying the Bible's message to the Christian life This book does not merely provide a way to tolerate the problem texts Instead it restores these texts to their rightful place as coherent integrated parts of the Bible's message of salvation and freedom in Christ Extreme Adventures with God Kay Arthur, Janna Arndt, 2005-01-01 In this exciting addition to Kay Arthur and Janna Arndt's Discover 4 Yourself Inductive Bible Studies for Kids series characters Max Molly and Sam the great detective beagle help young faith adventurers explore the feats and faith of three fascinating men from the Bible Isaac Jacob and Esau This outdoor adventure through imagined mountain treks and whitewater rides reveals how children of God are outfitted with all the gear they need for their amazing trip through life All along they discover courage forgiveness loyalty and how to trust God even when you face disappointment Excellent stories engaging activities and puzzles create a study of godly character ideal for Sunday school classes Bible studies and independent study For ages 8-12 From Every People and Nation J. Daniel Hays, 2016-02-10 With this careful nuanced exegetical volume in the New Studies in

Biblical Theology J Daniel Hays provides a clear theological foundation for life in contemporary multiracial cultures and challenges churches to pursue racial unity in Christ

**Seeking After God** Wayne Talbot, 2019-10-08 The author has a fascination with God His belief stems from an earlier study of science and logic concluding that a transcendent infinite entity is the most probable cause of our existence The same study convinced him that God is One and that he should ignore polytheistic religions in his search for understanding A study of the Quran revealed it to be a mixture of Jewish Christian and pagan beliefs and thus unlikely to be an authentic depiction of God A deeper study of Christian history the contradictions and implausible narratives in the New Testament and the Old Testament variances from the earlier Hebrew Scriptures convinced him to walk away from the Christianity of his earlier years All this he has written about in his previously published works Now he had but one choice to understand what Judaism has to say about God For this he sought the opinions of earlier Jewish scholars Maimonides Rabbi Ibn Ezra Hasdai Crescas and others and more modern commentators Hirsch Kook and most especially Rabbi Nathan Lopes Cardozo in the title of whose book *Jewish Law in Rebellion* he found a kindred spirit echoing his own rebellion against religions in general He considers religions to be too complacent believing that they already know the God Whom the Jews describe as Ein Sof the Infinite and Unknowable God The author contends that cannot truly know God agreeing with Maimonides that we can only describe God in terms of what He is not Thus his search continues believing that God knows the fallibility of the mankind He created and likely prefers that we seek without finding rather than in turn accept vicariously the perceptions of others who have not sought for themselves Indoctrination has its dangers whether in ideology politics or religion

**Morning and Evening Meditations from the Word of God** Michael J. Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God
