**Lover, Divine** A Star,2014-03-06 For fans of the Oracle of Delphi series and for those who aren't Born into one of the wealthiest families in Ireland Siobhan Law has status privilege and a secret The Greek gods of Olympus and their kingdom in the clouds are real and her family acts as one of their agents on Earth When the beautiful immortal celeste Liam Argyros shows up claiming to have come to Earth to deal in the affairs of the divine Siobhan finds herself unable to resist his charms New to the game of passion and seduction she quickly ends up in over her head sinking deeper with every attempt Liam makes to win her over But Liam's divine mission is far more complex than she ever imagined and nothing is truly as it seems Because Liam has a secret of his own He is Apollo Olympian god of the Sun and his mission will never be complete until he has claimed Siobhan's heart forever **WARNING** For readers 18 only Contains adult language and sexual situations

*America's Four Gods* Paul Froese,Christopher Bader,2010-10-07 Despite all the hype surrounding the New Atheism the United States remains one of the most religious nations on Earth In fact 95% of Americans believe in God a level of agreement rarely seen in American life The greatest divisions in America are not between atheists and believers or even between people of different faiths What divides us this groundbreaking book shows is how we conceive of God and the role He plays in our daily lives America's Four Gods draws on the most wide ranging comprehensive and illuminating survey of American's religious beliefs ever conducted to offer a systematic exploration of how Americans view God Paul Froese and Christopher Bader argue that many of America's most intractable social and political divisions emerge from religious convictions that are deeply held but rarely openly discussed Drawing upon original survey data from thousands of Americans and a wealth of in depth interviews from all parts of the country Froese and Bader trace America's cultural and political diversity to its ultimate source differing opinions about God They show that regardless of our religious tradition or lack thereof Americans worship four distinct types of God The Authoritative God who is both engaged in the world and judgmental The Benevolent God who loves and helps us in spite of our failings The Critical God who catalogs our sins but does not punish them at least not in this life and The Distant God who stands apart from the world He created The authors show that these four conceptions of God form the basis of our worldviews and are among the most powerful predictors of how we feel about the most contentious issues in American life Accessible insightful and filled with the voices of ordinary Americans discussing their most personal religious beliefs America's Four Gods provides an invaluable portrait of how we view God and therefore how we view virtually everything else Wisdom's Odyssey Peter A. Redpath,2021-11-01 This book establishes that the ancient Greeks had a prevailing method of doing philosophy which was rooted in philosophical realism Through extensive historical and philosophical analysis it demonstrates that this method was challenged in ancient times by an apocryphal notion of philosophy which eventually became confused with philosophical reasoning and was passed on to posterity through the work of Christian theologians until it was called into question by leading thinkers of the thirteenth century It shows how

this thirteenth century challenge influenced the growth of the Renaissance humanist movement and how this movement in turn passed on to modernity the same apocryphal notion of philosophy as a rhetorical theology of allegorical prefiguration

Children of the Gods Evren Thorne, 2024-10-23 This book contains Sexually Explicit Gay content Book 4 In the enchanting realms where elves humans and Greek gods coexist Cedric and Chris find themselves drawn into a divine quest that will challenge their love and reshape their destinies The lovers embark on a journey that unveils hidden truths about their pasts and the gods who govern their world Along the way they confront ancient monsters traverse treacherous labyrinths and face the dark forces of the underworld all while grappling with the secrets of their own lineage As Cedric and Chris delve deeper into their shared history they uncover a prophecy that binds their fates and reveals their true identities as divine beings With the help of ancient oracles and the eternal bloom they must confront the malevolent Hades and protect the realms from his relentless pursuit In this epic tale of love adventure and self discovery Cedric and Chris learn that the power of their bond can overcome even the darkest foes Join them as they navigate the mystical landscapes of Greek mythology and forge a future where their love can flourish forever intertwined Children of the Gods is a captivating blend of fantasy mythology and romance that will leave readers spellbound and eager for more

**Potpourri** Maurice Siegel, 2017-06-20 What is a word I

mean to that brain of ours a sound distinctly different from tree branches in motion or those of leaves hanging down uncertain what to do next We get simple instructions from tree noises except for getting out of the way should one of them collapse Not much information was gathered after a life of staring up at trees in awe not even a smile The reason is obvious We have to be told what a word is when struck on the ears for the first time generally intended to identify some object that can bring danger or caring or usefulness After that identification its clear sailing The word grows like the tree does with additional information tacked on to get you to laugh or cry or shrug or wonder or turn away unconcerned Unless the word is attached to other words words lurking about that can be hooked up with ease Something new will happen The mind can become busy directing the body to cause something to come about Something to come about comes in two sizes The one size we know the best is an action to change what is around our body directed by needs and wants It is the second one coming about that has no outward change of body direction but does something special to the mind as to be carried around by that mind for a lifetime if not longer It is an amazing sense of ones feelings without motion to the body rising out of words clustered together in certain ways that words can come together This miracle of the human animal creates the feelings of a satisfaction never to be known to any other of the animals also fighting for survival This sensation strikes deeply within oneself and is called by names we all recognize There is poetry prose and plays to mention the few that bring me to a sense of emotion that otherwise would lie forever dormant in the rush through lifes practical requiring needs to keep oneself available for more gathering up of practical needs My break with that cycle as life permitted is what is expressed as best as I could in this book as I wandered in and out of one act plays poems and essays all discoveries I had a chance to taste while the

tasting was good      **The Presocratic Philosophers** Jonathan Barnes,2002-09-11 The Presocratics were the founding fathers of the Western philosophical tradition and the first masters of rational thought This volume provides a comprehensive and precise exposition of their arguments and offers a rigorous assessment of their contribution to philosophical thought

Transactions Congregational Historical Society,1908      *Wisdom & Creation* Leo G. Perdue,2009-04-01 Wisdom literature asserts the author is grounded in the theological tradition of creation For the Wisdom writers of Israel and early Judaism God is the maker of heaven and earth whose creativity both forms and sustains the world The very nature of God is to create life to sustain it and to ensure that it flourishes God s originating acts of creation and sustaining providence provide the basis for faith worship and ethics Leo G Perdue grounds his reconstruction of the theology of Wisdom in the creation metaphors residing within the language of the sages metaphors that derive from Israelite creation traditions and the mythologies of the ancient Near East He focuses on the differences and interactions between two sets of creation metaphors those dealing with the creation of the world cosmology and those centering on the creation of humankind anthropology The contemporary importance of the creation theology of Wisdom literature says the author is that it can move the church away from one sided emphasis on salvation history and eschatology to a serious participation in environmental concerns and social justice Wisdom and Creation provides a thorough yet accessible discussion of the theological message of this important part of the Bible      **Encyclopedia of Love in World Religions** Yudit Kornberg Greenberg,2007-11-15 This is the first

comprehensive resource on the subject of love in the teachings of the world s major religions cultures and philosophies Encyclopedia of Love in World Religions is the first reference work to offer a comprehensive portrait of love in the context of the classic and contemporary literature of Judaism Christianity Islam Buddhism and Hinduism as well as other cultures and philosophies Like no volume published to date it reveals the full richness of religious teachings on love in all its many forms exploring an extensive range of topics that offer philosophical psychological and religious perspectives to guide the quest for the meaning of love Encyclopedia of Love in World Religions features approximately 300 subject entries as well as insightful biographic sketches of preeminent thinkers all written by a multidisciplinary team of some of the foremost scholars on the subject Entries examine both general and culture specific interpretations of love not just the dichotomy of spiritual and physical love but the full emotional spectrum of love in relationships and practices Collectively they encompass love s integral and sometimes conflicting role in shaping beliefs and behavior in a vastly diverse world      The Yearning of Yahveh

Jacob Van Zyl,2008-08 THE YEARNING OF YAHVEH In terms of man s morality the Old Testament is an account of tragic failure Israel strayed repeatedly from the path mapped out by God and He corrected them repeatedly with tough love discipline From the viewpoint of God s love the Old Testament is a journal of immense compassion Despite Israel s failures God kept yearning for their genuine trust and love He refused to give up on them and called them back by His prophets who relentlessly declared Thus says the LORD The LORD is a translation of the Hebrew name Yahveh God s personal name He

revealed to Moses at the burning bush The Yearning of Yahveh takes the reader on an exciting one page per day journey through the Old Testament Join the tour and discover the gospel in the scrolls of Hebrew Scripture **The Gospel Trumpet** ,1920 *Jehovistic names and titles of God. The attributes of God. Sins. Christian dogmatics* Henry Donald Maurice Spence-Jones,Joseph Samuel Exell,Charles Neil,1889 **Hum** Ann Lauterbach,2005-04-05 From Hum Things are incidental Someone is weeping I weep for the incidental The days are beautiful Tomorrow was yesterday The days are beautiful Since the mid 1970s Ann Lauterbach has explored the ways in which language simultaneously captures and forfeits our experience In Hum her seventh collection of poetry loss and the unexpected the title poem was written directly in response to witnessing the events of 9 11 play against the reassurances of repetition and narrative story By turns elegant fierce and sensuous her musically charged poems move from the pictorial or imagistic to a heightened sense of the aural or musical in order to depict the world humming with vibrations of every kind from every source the world as a form of life

The Case Against the Church. A Summary of the Arguments Against Christianity Anonymous,2024-06-01 Reprint of the original first published in 1876 **Essays on Mind, Matter Forces, Theology, etc** Charles Edward Townsend,1876

Shakespeare's Sonnets and the Bhagavadgita Bimal Narayan Thakur,2004 This book covers some of the crucial issues of sustainability in agriculture which are presented in five sections viz Concepts and Status Sustainable Technologies in Crop Production use of remote sensing and GIS in agro ecological zoning and agricultural resources information technology The Contributions by scientists planners technocrats researchers and practitioners address both the conceptual and policy related issues with important empirical research findings **The Case Against the Church** ,1876 *The Appeal of Exodus* Stefan Kurler,2014-07-08 In reading the literary rhetoric of the Book of exodus Kurler uncovers new insights in the author s purposes The unique work undertakes to interpret the Book of exodus as a whole in terms of its rhetorical aims The approach is distinguished from traditional critical readings in focussing not on the origin of the texts nor on the theological specifics of putative sources but on the text understood as having a coherent rhetorical strategy It is also distinguished from expressly theological readings of the book Kurler proceeds by considering Yahweh Moses and Israel as characters in the literary sense and exploring how the text operates through them on its implied readers Thus the particular focus is on the functional aspects of the text which direct the reading process and thus guide the reader in the perception of the ideas concepts and stories presented The book of exodus is the foundation for Israel s identity in its relation to God and part of the foundation of Jewish Christian ethics In The Appeal of Exodus Stefan Kurler offers a thorough exegetically profound and pleasantly readable study using a functional synchronic approach with a rhetorical critical analysis He concentrates completely on what the biblical text itself presents looking at the persuasive nature of that text and presupposing an implied reader who has a certain knowledge of his own history In the same manner the modern reader will be able to sense Israel s exciting journey from the oppressive slavery in Egypt to God s presence at Sinai Walter Hilbrands Dean of studies Giessen
