The Brightness Around Him Jim W. Strahan,Mike Meeker,2015-09-22 During the 1950s a seven year old boy from a church going family in a Texas suburb has a night time vision of Jesus In the morning he tells his parents about it They immediately call the minister who visits that very day Best keep it quiet the grown ups all agree So Jim Strahan nurtured his experience grew in his faith and Christian character but always wondered Why me What was he supposed to do Jim didn t go to seminary or start a TV ministry He began a study of Scripture and church history focused on the ultimate destinies of humankind concluding that the predominant beliefs of the day were wrong What he saw in the pages of Scripture and in the writings of many church fathers convinced Jim that Jesus will at long last save every person who ever lived on earth Part autobiography part advocacy *The Brightness Around Him* is a compelling tale of walking by faith processing a transformative spiritual experience and fitting in at churches that don t want to hear about your deepest held biblical belief In the end it s about how God s love will one day win it all

Be the Donkey

Kimberley Rb Johnson,Samuel Dwight Johnson,2022-01-30 Searching for your life s purpose It s not about what one obtains but more about what one leaves behind There is Kingdom work to be done and it is all laid out for us in the Bible and delivered to us through the Holy Spirit Are you listening Let s get started *Be The Donkey Bible Study* is sure to bring one closer to Jesus Targeting small groups as well as short term missionary teams preparing for commission this twenty lesson study explores a vast array of topics all worthy preparation for ministry The only materials needed for the study are the book *Be The Donkey* the *Be The Donkey Bible Study* a favorite Bible a creative mind and a tender faithful and obedient heart The Biblical principles found within these pages will help prepare even the most novice heart Rather than dictate a particular

mission style it is the study's goal to assist the student reader grow more intimate in relationship with Jesus. If this one goal is achieved undoubtedly the ministry work which follows will benefit, advance and prosper. I could not put down the book *Be The Donkey*. I cannot wait to dive into the Bible study. When the Spirit Moves Vincent Goddard, 2022-02-10
 Pastor Vince's memoir *When the Spirit Moves* is a carefully crafted literary exposition of the faithful journey of a poor Jamaican born Englishman. Yet because of its articulated integrity and spiritual candour, unnumbered thousands of Caribbean peoples will find this miraculous saga irresistible. It has regional and international attractions and identifications baked into its articulated fibre. Perhaps one of the most interesting aspects of this easy to read but hard to put down autobiography is the fact that the content generates emotional turbulence. Yet at the same time it provides hope and comfort, peace and pleasure, vision and faith, all wrapped securely in a sound Biblical theological blanket. What Pastor Vince humbly permitted God to do in his life and with his lifestyle, drowns out most excuses for living a life without purpose. His story takes away excuses for not being all that God intends for one to become. It leaves no excuses for failures. By the grace of God, Pastor Vince made quality decisions and did many magnanimous things that most people generally fail to do. Ironically, Pastor Vince like so many Caribbean and African peoples whose lands and treasures were borrowed, destroyed or stolen, had the courage to forgive and forget the colonial history. Most interestingly, they risked life in many instances to leave their native lands and journey to the very heart of the socio-political and economic global empire that once oppressed them. They took advantage of available opportunities that enabled them to survive and thrive through hard work, education and raw faith in themselves and a sanctified faith in Almighty God.

Be the Donkey Kimberley Johnson, 2020-07
 Searching for your life's purpose. It's not about what one obtains but more about what one leaves behind. This relatable story of blind faith, patience and trust culminates into God's beautiful promise. *Be the Donkey* is the true story of Kimberley's first mission trip to Haiti during which she meets a young man named Bildad. I truly pray this book when published will be in every home. Esther Pereira

Some people come into your life for a moment and make a difference. Others come into your life, stay and change the world. Leslie Poole, Trail, Murfreesboro, TN. When two hard working, driven, determined Christians are thrown together by God, the impossible really can come true. Leisa Neihoff, Paducah, KY. I did as Kimberley. I made my Haitian student's dreams come true. It has been the most satisfying accomplishment of my life. You can do it too. Dr Debbie Quinn, Switzerland.

Does God have a fine-tuned plan for each of our lives? Is He present in the details? There is work to be done. It is all laid out for us in the Bible and delivered to us through the Holy Spirit. Are you listening?

When You Are Down to Nothing ? God's Up To Something Isaiah Reed,2014-04-24 I am not sure why you picked up this book but it is probably a good educated guess that things are not going as expected in your life I do not know who you are or what your story is but I do know that you get to choose how it goes from this point forward That is the beauty of our testimony We write it as God is doing it by our choices in how we respond to what is happening Yet make no mistake about this one fundamental truth it is all centered on Him which is why you might be having trouble with your current situation You are looking at it from your point of view not God s Your testimony is more about God working within you to complete the good work He began rather than working in the world

around you Do not get me wrong He will use your testimony to peak the curiosity in others and ultimately draw them to Himself but the reality is that God is always at work in your life He is at work when you know it and He is most at work when you do not know it I have a pretty dramatic testimony If you do not know it you would probably enjoy watching it because it will give you a greater appreciation for why you can count on the fact that what I share with you in this book is not really my wisdom but from the Lord As my testimony would reveal I was a rebellious murderous womanizing involved in drugs and otherwise a horrific person whom God chose to save and use and not so much because I am special but because He knew I would have to be bold I live life large and have done so on both sides of the track What happened to me is hard to believe because it is so bizarre yet it happened It happened all the while there was no evidence at all in my life that it was happening That is what this book is about The fact that when we get down to nothing God is always up to something There came a point not too long ago that I was never so thankful for my testimony After I was shot stabbed died and came back to life one of my best friends in the world died in the act of avenging my death He was also the one who began to tell me about Jesus His name was Red and the night before I gave the message on which this book is based his daughter called me up I had not heard from her since her father s death She was nine years old at the time and she had been waiting over twenty years to ask me one question and it came that night What happened to my father I have thought many times during my life about what would have happened to me if my mom had given up on God because she became discouraged to the point of quitting I would not have blamed her How hard it must have been for her because she could not see what God was up to but was constantly faced with the reality of what I was doing and it just kept getting worse and worse That is why I decided to teach this message and why I chose it for the content of this book There just might be someone out there ready to give up and they need to know that when life gets down to nothing God is up to something

This is a book that will take you soaring with information and inspiration But first it will bring you down to earth When I read the first chapter I thought I m glad I wasn t part of Phil s team with the snakes the disposals the often terrible food It s not about glamorous travels Then when I read chapter two I thought I wish I could have been there to see God at work Here is the moving real down to earth story of how God led one man to make a difference not with glamor but with grit and grace and not for a year or two but a lifetime of faithful ministry I wish every young evangelist could read it Leighton Ford President Leighton Ford Ministries Charlotte North Carolina Every man or woman who answers God s call to ministry comes to the altar with some idea of where they would like to serve whether it is a glistening cathedral a humble country church or somewhere in the mission field Raised on the teachings of men such as J Hudson Taylor and C S Spurgeon Dr Philip C Eyster believed his calling was to be an evangelist but he didn t know how or where God would lead him Eventually God led him all over the world wherever there was need for the light of the Gospel Through preaching teaching physical labor and medical clinics Dr and his organization have been demonstrating God s love and healing power wherever there was need and a little
