Gods Equal:

Siva's Warriors ,2014-07-14 Here is the first translation into English of the Basava Purana a fascinating collection of tales that sums up and characterizes one of the most important and most radical religious groups of South India The ideas of the Virasaivas or militant Saivas are represented in those tales by an intriguing mix of outrageous excess and traditional conservatism Written in Telugu in the thirteenth century the Basava Purana is an anthology of legends of Virasaivas saints and a hagiography of Basavesvara the twelfth century Virasaiva leader This translation makes accessible a completely new perspective on this significant religious group Although Telugu is one of the major cultural traditions of India with a classical literature reaching back to the eleventh century until now there has been no translation or exposition of any of the Telugu Virasaiva works in English The introduction orients the reader to the text and helps in an understanding of the poet s point of view The author of the Basava Purana Palkuriki Somanatha is revered as a saint by Virasaivas in Andhra and Karnataka His books are regarded as sacred texts and he is also considered to be a major poet in Telugu and Kannada Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Heaven's Ambassador Kevin Sullivan,2015-12-22 My name is Kevin Sullivan I am the author of a NEW book series entitled Heavens Ambassador It is the most influential thought provoking Christian book series of the 21st Century I wrote this book for anyone who is interested in learning what it takes to become an Ambassador of Heaven In case you didnt know an Ambassador of Heaven is someone who dominates the Father of Lies discerns the deceitfulness of worldly wisdom and actualizes the power of heavenly wisdom In order to adequately address this topic I wrote this book in 4 volumes Volumes 1 and 2 admonishes the recklessness and foolishness of worldly wisdom Volume 3 is a compilation of the main points of Volumes 1 and 2 which exposes the worthlessness of worldly wisdom And Volume 4 reveals secrets to maintaining relationships with your spouse and children that are pleasing to God My books are simple enough for a 5th grader to

understand and deep enough for a Ph D student to embrace Show your family some love and buy a few copies They are the perfect empowerment tools for middle school high school and college bound family members and make excellent birthday graduation and Christmas gifts

Slaves of God Toni Alimi,2024-08-06 A provocative look at the central role of slavery in Augustine s religious ethical and political thought Augustine believed that slavery is permissible but to understand why we must situate him in his late antique Roman intellectual context *Slaves of God* provides a major reassessment of this monumental figure in the Western religious and political tradition tracing the remarkably close connections between Augustine s understanding of slavery and his broader thought Augustine is most often read through the lens of Greek philosophy and the theology of Christian writers such as Paul and Ambrose yet his debt to Roman thought is seldom appreciated Toni Alimi reminds us that the author of *Confessions* and *City of God* was also a Roman citizen and argues that some of the thinkers who most significantly shaped his intellectual development were Romans such as Cicero Seneca Lactantius and Varro Romans who had much to say about slavery and its relationship to civic life Alimi shows how Augustine a keen and influential student of these figures related chattel slavery and slavery to God and sheds light on Augustinianism s complicity in Christianity s long entanglement with slavery An illuminating work of scholarship *Slaves of God* reveals how slavery was integral to Augustine s views about law rule accountability and citizenship and breaks new ground on the topic of slavery in late antique and medieval political thought

God and His Coexistent Relations to the Universe: George D. Shollenberger,2014-01-30 In the book *God and His Coexistent Relations to the Universe* the author is rejecting the universe that Judaism Christianity Islam Isaac Newton and Albert Einstein have accepted for a long period To replace this old universe an improved universe appeared from the thoughts of Confucius Anaxagoras Plato and Jesus who taught the death of our sun in Ch 24 of Matthew Unfortunately this teaching by Jesus was quieted for fifteen centuries by Irenaeus until Copernicus stood up and said that earth is not the center of the universe So an improved universe was becoming very interesting to many scientists This improved universe of Copernicus would expand when Kepler found that our sun has a system of eight precise planets Slowly the improved universe would become very clear when Leibniz found the immortal human souls and when Galileo found the bodies are made by these immortal souls In 1766 Ben Franklin went to Germany in order to learn the immortal souls of Leibniz In the next ten years Americans would separate America from England which still accepts the old universe After this separation more discoveries would come to the USA from German and Chinese thoughts For example Riemann would tell the world that the relationships of bodies in the universe can be determined only by our senses and measurements With Riemanns statement the author concluded that God is always active The author also found that God and the bodies in the universe come together with co existent concepts With these advances the author rejects the old universe and says that the people of many nations will form a new religion under an active God

Gods Equal Introduction

In today's digital age, the availability of Gods Equal books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Gods Equal books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Gods Equal books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Gods Equal versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Gods Equal books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Gods Equal books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Gods Equal books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities

and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Gods Equal books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Gods Equal books and manuals for download and embark on your journey of knowledge?
