Gods Eternal Love:

Eternal God, Eternal Life Philip G. Ziegler, 2016-09-22 How ought Christian faith and theology understand the concept of human immortality today And what if anything might be distinctively Christian about such a concept The contributors to this volume explore how our thinking about the prospect of human immortality is decisively determined by what we receive of the limitless life of the triune God of the gospel and how our understanding of immortality is made concrete by the Christian hope in the resurrection of the body and the life everlasting Debates about how best to understand the eternal life of God are directly significant to how we can imagine the promise of eternal life While immortality is generally conceived to be a future qualification of human reality theological approaches to the question of personal immortality must investigate the difference that the hope and promise of such eternal life makes in the living of present day spiritual life as well as in our common moral and political existence To understand immortality as an eschatological gift of God requires that we take account of it as a formative factor at the foundations of the Christian life

God in the Movies Andrew M. Greeley, 2017-07-05 The religious imagination is alive and well in the movies Contrary to those who criticize Hollywood popular movies very often have metaphorically represented God on the screen From Clint Eastwood as an avenging angel in *Pale Rider* and Nicolas Cage as a lovesick angel in *City of Angels* to Jessica Lange as an angel of death in *All That Jazz* and from George Burns as God in *Oh God* to Audrey Hepburn in *Always* to pure white light in *Fearless* and *Flatliners* God is very much present in the movies ,

Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 , 2003 Notes on the Holiness of God David E. Willis, 2002 According to Willis confusion about God s holiness is due to the mistake of treating transcendence and immanence as opposites and subsuming holiness almost exclusively under God s transcendence To correct this view Willis begins with the cross and resurrection where the transcending One is freely immanent to fulfill God s covenanting purposes God says Willis is not so much the wholly other as the Holy Other who confronts us as purifying love Willis looks in detail at several facets of holiness love simplicity communion beauty He shows that when we recognize beauty to be an essential aspect of holiness we can better reconsider frequently given definitions of the glory and the sovereignty of God and can better understand something of the awe filled love that this beauty inspires Finally Willis explores how the holiness of God provides the basis for the life of Christian faith and hope in today s world From publisher s description

No Jesus, No Heaven, No Salvation Jeff Everett, 2024-05-31 The title and the contents of the book came to me in the middle of the night I was struggling with the security of the salvation I was tossing and turning losing sleepless nights over salvation I found out there are many believers that struggle with their salvation too So I decided to write a book on the assurance of salvation even if there are many topics on salvation that have been written I decided to embark on writing a book on salvation My inspiration to write a book on salvation came from the Holy Spirit The title of the book was also from the Holy Spirit I was totally guided by the Holy Spirit in writing this book along with references from the Bible The book is

mainly about salvation The title of the book is an attention getter The title of the book How Secure Is Your Salvation generates curiosity As the saying goes never judge a book by its cover **The Way of Grace** Bruce W. Hubbard,2016-11-17 This is a clear concise well written book that is chock full of all sorts of information and references While the text is certainly authoritative and well researched the prose is accessible enough that the average reader can easily grasp the book s concepts and teachings Anyone who would like to do a book by book study of grace in the New Testament epistles and the Bible as a whole will find this book immensely helpful Therefore I see this book finding a significant audience amongst all sorts of Christians Kevin Miller The Way of Grace opens up a whole fresh understanding of the gift of grace revealed through the New Testament epistles In its concise examples of how grace works to build on our relationship with Jesus Christ this book will assist many Christians in understanding the full power and extent of this infinite gift of God John Stanley And therefore the Lord earnestly waits expecting looking and longing to be gracious to you Blessed happy fortunate to be envied are all those who earnestly wait for Him who expect and look and long for Him for His victory His favor His love His peace His joy and His matchless unbroken companionship Isaiah 30 18a c *Readings in Calvin's Theology* Donald K. T&T Clark Handbook of Election Edwin Chr.van Driel,2023-11-16 Offering not only state of the art introductions from Biblical historical and constructive theologians this volume also fosters an inter disciplinary and cross confessional conversation reclaiming the idea of election as a central notion for any retelling of the biblical narrative Several essays explore the variety of ways in which election is spoken about in the Scripture drawing on research from the last twenty years that offers a more sophisticated framework than the traditionally theological categories of elect and reject The historical part of the volume covers new analyses of Medieval and post Reformation Catholic and Protestant debates on predestination while the book s constructive part contributes to contemporary conversations on the relationship between Trinity Christology and election the development of a post supersessionist understanding of Israel s chosenness as well as voices from contextual struggles in South America Palestine and South Africa **Commentary on the Holy Scriptures** John Peter Lange,1867

Barth and Schleiermacher on the Doctrine of Election Matthias Gockel,2007-01-04 The first detailed comparison between the theologies of Friedrich Schleiermacher and the early dialectical theology of Karl Barth Matthias Gockel shows

that the doctrine of election in Barth's early theology bears a remarkable resemblance to the position of Schleiermacher. He challenges the conventional wisdom that these two positions or liberal theology and dialectical theology stand in irreconcilable opposition. Barth articulates a fresh assessment of the doctrine not only in Church Dogmatics II/2 but in the second edition of his Epistle to the Romans and in his first series of lectures on Systematic Theology, the so-called Göttingen Dogmatics. Hence a resemblance between Schleiermacher and Barth is already discernible in Barth's early theology at a time when he was writing his most virulent criticisms of Schleiermacher.

All in Awe! William E. Gray, 2016-11-04 Billy, it is the best book I have read inspiring the reading of scriptures. Everyone in the world should read your book. I see All in Awe as the one and only book of its kind anywhere anytime. Steve J. Eichberg, attorney at law, Westlake Village, California. Yes, I am glowing with happiness, good health, I love everything, and everyone. My secret is out: I love myself because my God and I are one. This awesome book and CD will change your negative life into a positive life. The word abides in me. Sandy Weaver, housewife, Columbus, Ohio. William, please don't take this wrong. Your book puts me to sleep. And if you'd been an insomniac for fifty-four years of your life, this is like mega from heaven. Cherie Shay Ballard, daughter of Dr. William Ballard, MD, Hidden Hills, California. Unfortunately, Shay passed away about four years ago. Yes, I did read your book All in Awe, and yes, it was in prison where your book found me. That book had inspired me so greatly I found myself reading it over and over again. Mr. Gray, I'm a big man and a tough man at that. But the truth is I could only read it while being alone because without fail every time I cried like a baby. Now a big tough guy in prison can't be seen crying, can he? Many times while reading your God-inspired book, I felt the spirit of God so strong I think I could have actually healed the sick or raised the dead by the laying on of hands. Pete Swartz, entrepreneur, Lancaster, Ohio. Billy, thank you for coming today and leading Dr. Hejny and me in such a beautiful meditation. It was also great to see you today. The things I have noticed more after our sessions with you are always I am in a more relaxed, loving state of bliss for the rest of the day. And we always have four or five more people call into the office for an appointment. Tiffany Atkinson, Truckee, California.
