GOD'S EYE VIEW

The central image of the book cover is a pair of hands, rendered in a soft, ethereal light, cupping a small, realistic globe of the Earth. The hands are positioned as if they are gently holding or presenting the globe. The entire scene is set against a dark teal background that features a subtle, concentric circular pattern, reminiscent of a target or a celestial map. The lighting is focused on the hands and the globe, creating a sense of depth and divine presence.
