## **Gods Fruit:**

**God'S Fruit** Jacqueline Howard,2013-05-13 The goal of this book is to introduce Gods Spiritual Fruit to children In the process it seemed like a good way to share knowledge about a selection of tropical fruit through art form Most of the fruit was new to me before I lived in The Virgin Islands for a few years I hope children will learn about spiritual fruit the Godly characteristics that are combined into one fruit Gods fruit The tropical fruit they will be presented on the pages are not to be connected to the Godly attributes given My prayer is that we adults teach children as we demonstrate the nature of God in our daily walk of being fruitful According to the New Living Translation of scripture when the Holy Spirit controls our lives He will produce this kind of fruit in us love joy peace patience kindness goodness faithfulness gentleness and self control I hope this book will encourage children to apply the attributes found here and also see how good the fruit of God is Included on the pages are some tropical fruit that you may have never noticed in your local grocery store Perhaps you have seen the fruit but never tasted it This was my situation until I lived in the Caribbean for a while I learned that tropical fruit is closer to the equator and sunshine therefore tropical fruit is more potent with vitamins I did not realize what I was missing until I tasted the unfamiliar fruit Hopefully you will search for the different fruit in your local grocery or local cultural food store or while you visit a Caribbean Island Enjoy     *The New Paradise of God.
