*United States of America, Government, Religion, Christianity, Law, Illegalities; God 1st Priority~ His Rightness, Provided Rights, Holy Bible; Not Self-Idol Selfishness.* Anthony Sheffield,2017-03-09 Every concerned citizen will enjoy and be very encouraged by the good and accurate historical records of the United States of America Lies have infiltrated so vastly and so deeply into the society that even the educational institutions have become deceived and warped so that the students are then receiving passed down versions that are as said lies Some folk are deceived innocently some willingly some know it and want it Many folk are so busy with all the cares of life that they passively accept it A false peace has set in and yet it is not peace as we are so alertly observing Values of the heart need care as to whether they are right values and those values are then displayed by posts of the government Every citizen needs to know what the true historical experience and record is what governmental structure was established in the USA what it is all about and how it really is and operates Because we are all interested in the spiritual activity of life then we will be so inspired therein This is a very different and correct account of the real USA Government its history and its establishment The Existence and Attributes of God Vol. 1 Stephen

Various Authors,2008-01-01 This issue of The Ministry contains a complete record of the twelve messages given during the 2007 winter training on the Crystallization study of 1 and 2 Peter and Jude held December 24 29 in Anaheim California The crucial truth and burden embodied in these twelve messages may be summarized in four statements 1 In Christ s death we have been separated from sins and in His resurrection we have been enlivened so that we might live to righteousness under the government of God 2 We must redeem the time to enjoy Christ as the supreme preciousness of God so that He can build Himself into us to make us His spiritual house and His holy and royal priesthood for the accomplishment of His heart s desire 3 We should be diligent to pursue the growth and development of the divine life and divine nature for a rich entrance into the eternal kingdom 4 As we are contending for the faith enjoying the Blessed Trinity and taking the way of rapture by giving heed to the prophetic word our trust is in our precious Lord and God as the One who is able to guard us from stumbling and to set us before His glory without blemish in exultation These messages are being published immediately following the training in order that they might benefit the saints participating in the many video trainings that are held throughout the earth The Reports and Announcements section includes two reports related to the Lord s move to Europe and an announcement related to upcoming conferences and trainings      The Holy Word for Morning Revival - The Will of God

**Life-study of James and the Epistles of Peter** Witness Lee,2023-09-27 In Life study of James Witness Lee emphasizes two key points related to the Epistle of James first that the believers must progress in practical Christian perfection and second that the believers must be careful not to cultivate such perfection without a clear vision concerning the law and grace of God in God s New Testament economy In Life study of First Peter he describes the Christian life under the government of God with its high demand and in Life study of Second Peter he details the divine provision that supplies the believers with all that they need to meet that high demand      *The Ministry of the Word, Vol. 24, No. 05* Various Authors,2020-06-01 This issue of The Ministry of the Word contains the eight messages of the international training for elders and responsible ones hosted by Living Stream Ministry on March 27 29 2020 The messages were provided via webcast from Anaheim California and the mutual fellowship prophesy ing and studying by groups were practiced locally in the various churches that participated The general subject of this series of messages is The Will of God God created the universe to fulfill His eternal purpose based on

His determined will Ultimately God's will in the universe is to head up all things in Christ through the church as the Body of Christ God's working throughout the ages according to His economy will issue in the heading up of all things in Christ in the new heaven and new earth for eternity We can know God's great and lofty will and participate in His economy to head up all things in Christ In order to be headed up in Christ we need to grow up into Christ the Head in all things in big things and small things both in our daily life and in our work The way we participate in God's will and work together with Him to carry out His will is by our prayer for God's will to be done on earth God's people must pray before God will move on earth to accomplish His will Whenever God's people place their will in harmony with God's will the will of God will be done on earth as in heaven Since God's great will is to head up all things through the church as the Body of Christ the believers in Christ need to practice the Body life that is to have the living of the Body of Christ We need to live a life according to God's heart and will by daily enjoying Christ as the reality of all the offerings for the divine goal of the Triune God The will of God is also our sanctification To be sanctified is to be made holy which is to be separated unto God and saturated with God as the Holy One Sanctification is for sonship actually sanctification is God's sonizing The divine sanctification is the holding line in the carrying out of the divine economy to divinely sonize us making us sons of God that we may become the same as God in His life and in His nature but not in His Godhead so that we may be God's expression We need to do the will of God in the realm that carries out His will the kingdom of God We do the will of God in the kingdom of God of which the central government is the enthroned Son of Man Jesus who is Lord of all When we do the will of God in the kingdom of God under the government of God the church becomes the Israel of God which fulfills God's commission to subdue the earth to exercise dominion and to represent God with His authority As the Israel of God we represent God exercise His authority and carry out His administration on earth for the fulfillment of His purpose If we take the Father's will upon us as a yoke and learn from Him we will find rest for our souls Hence in the church age we need to enjoy Christ as our rest our perfect peace and full satisfaction in order to be His expression and representation on earth When there is a situation on earth in which man expresses God and represents Him that situation is a Sabbath rest to God Everything of God's economy is not a heavy burden but an enjoyment The Lord's yoke the Father's will is easy and His burden the work to carry out the Father's will is light It is a divine principle that God does not ask us to work until we have had rest and enjoyment It is in a full enjoyment with Him and of Him that we can work together with Him A central aspect of God's will is the church which is the assembly of the called out ones As such the meetings of the church are crucial to the carrying out of God's will Our doing God's will depends on our knowing His will and it is in the meetings that God makes His will known to us Since the Christian life is a meeting life and much of the Lord's work is carried out in and through the meetings we should regard the meetings as being of great importance The goal of our meeting together is to exhibit Christ therefore our Christian meetings should be an exhibition of our experience of Christ in our daily life Since the Father's eternal will and the desire of His heart are to build up the church

as the Body of Christ we do His will by functioning in the meetings according to the scriptural way to meet for the building up of the Body The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe

**The Existence and Attributes of God, Volume 7 of 50 Greatest Christian Classics, 2 Volumes in 1** Stephen Charnock, 2008-09 The Existence and Attributes of God comprises the first two volumes of the works of Stephen Charnock 1628-1680 an English puritan divine who was highly skilled in philosophy patristics Reformed theology and Biblical languages These volumes are his abiding monument They are worthy of being compared with the finest in theology When the existence and attributes of God are called into question to whom else can we better go than to Stephen Charnock those things revealed belong to us and to our children forever The material that Charnock discusses is firmly founded in the Word of God Both the Old Testament and the New emphasize these two things First we should study the whole revelation not just some easy or favorite parts of it secondly the study of God's attributes is not dry as dust theology but is practical that is it leads to righteousness Dr Gordon H Clark from a preface to this great work in a Sovereign Grace edition 1958 One of the greatest tragedies in these spiritually starved times is the sad fact that most Christians know so very little about their God It is often said that this is simply because these volumes are exhaustive on the subject Yet it is clearly filled with sublime expositions of the truth regarding God's existence and attributes Charnock displays God's attributes not as impersonal abstractions for the mind to juggle with but as qualities observable in the concrete actions of the living God of which the Bible speaks The technical terms and sometimes arguments of scholastic theology are employed but always with a Biblical orientation Charnock has no desire to speculate but only to declare the works and ways the nature and character of the God of the Bible The substance of his doctrine is characteristically Puritan and representatively Reformed Dr James I Packer in The Encyclopedia of Christianity Volume II p 410 The possessor of these rare volumes will be blessed by getting acquainted with the incomparable God and thereby will reach a higher plane of spiritual enjoyment never attained before To know Him better is to love Him more
