will honestly come to hear the voice of the Savior in his Word The Lord Jesus indicates that there is an added blessing for those who will write down the insights he gives by his instruction Every scribe which is instructed unto the kingdom of heaven is like unto a man that is an householder which bringeth forth out of his treasure things new and old Matthew 13 52 The poems in this book are the result of going to the Bible each day with an expectation that God has something very valuable to say That expectation has NEVER been disappointed Our risen Lord said I stand at the door and knock If any man hears My voice and opens the door I will come into him and will sup with him and he with Me Revelation 3 20 This intimate two way communion with God is offered to all those who have received the Lord Jesus Christ John 1 12 and thereby have received not the spirit of the world but the Spirit which is of God that we might know the things that are freely given to us by God 1 Corinthians 2 12 My prayer is that God may use this book for his glory for the encouragement of his own children and for the persuasion of those who may yet be awakened to their need of our Savior Blessed is the man that heareth Me

The Advent season, devotional readings from J. Taylor's Life of Christ, selected and adapted by J.E. Kempe John Edward Kempe, 1899 **The Promises of God** Gary Gallant, 2023-09-14 This is a daily devotional from the Promises of God Zep 3 17 He will take great delight in you he will quiet you with his love he will rejoice over you with singing Here is a verse filled with the tender and loving nature of God offering us a beautiful glimpse into His heart He will take great delight in you These words convey a profound truth about God s attitude toward His people The Creator of the universe finds great joy and pleasure in His creation particularly in His beloved children It s a reminder that we are not just a part of God s plan we are recipients of His deep affection He will quiet you with His love This phrase paints a picture of God s love as a soothing and calming presence In moments of turmoil uncertainty or distress God s love can provide a sense of peace and security that quiets our anxieties It s a reminder that His love is a source of comfort and refuge He will rejoice over you with singing This is an incredibly intimate image God not only loves us but He also rejoices over us with singing It s as if He takes delight in expressing His joy through a beautiful melody This verse highlights the joy and celebration in heaven when even one soul is saved and reconciled to God Zep 3 17 is a powerful reminder of God s deep love and affection for His children It speaks to His desire to bring peace into our lives and to celebrate our presence in His divine plan As you meditate on this verse let it fill you with a profound sense of God s love and His delight in you Embrace His love find solace in His presence and join in the heavenly chorus of rejoicing over the wonderful relationship you have with your Heavenly Father The profound truths of Scripture often require spiritual discernment to fully grasp and appreciate They may not resonate with those who have not yet come to faith or experienced a personal relationship with God 1Co 2 14 acknowledges this concept The person without the Spirit does not accept the things that come from the Spirit of God but considers them foolishness and cannot understand them because they are discerned only through the Spirit This verse highlights that spiritual understanding is a gift of the Holy Spirit and without that spiritual discernment the truths of God may seem incomprehensible or even foolish to those who are not yet believers Recognizing and acknowledging our sinful condition is a crucial step in becoming a child of God This acknowledgment is foundational to

the process of salvation and reconciliation with God Here are some key elements of this process Recognizing Sin The first step is to acknowledge that we have all fallen short of God s perfect standard Ro 3 23 We must come to terms with our sinfulness and realize that it separates us from a holy and righteous God Repentance Once we recognize our sinful condition we should be moved to repentance Repentance involves a genuine sorrow for our sins and a turning away from them It s a change of heart and mind that leads us to seek forgiveness and a new way of living Faith in Jesus Christ Accepting our sinful condition is only part of the equation We also need to place our faith in Jesus Christ as our Savior and Lord It is through faith in Jesus that we receive forgiveness of sins and become children of God Joh 1 12 Confession Confessing our sins to God is an important aspect of the process When we confess our sins we are agreeing with God about our need for forgiveness and cleansing God is faithful and just to forgive us when we confess our sins 1Jo 1 9 Receiving God s Grace Salvation is a gift of God s grace We cannot earn it through our efforts or good works It is by God s grace that we are saved through faith Eph 2 8 9 New Life in Christ Once we accept our sinful condition repent place our faith in Christ and receive God s forgiveness we are born again as children of God This new birth transforms us and the Holy Spirit comes to dwell within us empowering us to live a life that is pleasing to God Accepting our sinful condition is the starting point of a journey toward becoming a child of God It s an acknowledgment of our need for a Savior and a recognition of God s abundant love and grace that provides the way for us to be reconciled to Him The Agents Collection: Agents of the Apocalypse / Agents of Babylon David

God's Church Floyd Mathews, 2018-04-23 One of the greatest desires of the church community in today's society is to have leadership that adds value to the personal growth of its membership while effectively supporting God's plan for building his kingdom Church leadership whether a pastor preacher deacon teacher or hopeful prospects of these positions need desperately to know who they are whose they are what is their role and how to effectively carry out their responsibilities as a leader in God's church The Holy Spirit has blessed me with the vision needed to fashion this book to be a guiding light for those who are and have a desire to become an effective leader in God's church The purpose of this book is to assist church leaders in their journey to effectively carry out God's plan for themselves and the people they are called to serve I challenge you to read this book and apply it to your life style in the interest of being an effective leader in God's church *The Silver Lining: A Practical Guide for Christian Grandmothers* Nancy Wilson, 2016-11-16 At last a practical Christian guide for grandmothers and for younger women preparing for that stage of life Since our culture is in love with immaturity advice written for older women can tend to focus on changes empty nests new priorities grown children getting married etc But the Bible tells us to focus on the things that don't change In all seasons of life God has good works prepared in advance for us to walk in And whether you're a young woman married unmarried widowed middle aged or a great grandma you never quit exercising that faith in Christ Grandkids and getting older dinners and hospitality mentorship and being an in-law all come with their own stretches of bumpy road but faith and joy and a little of Nancy Wilson's practical advice go a long way Women travelling through this season should be thinking in terms of family legacy and in terms of eternity as they seek godly wisdom great joy and a silver haired crown of glory **Weaving the American Catholic Tapestry** Derek C. Hatch, Timothy R. Gabrielli, 2017-03-28 Concerned that American Catholic theology has struggled to find its own voice for much of its history William Portier has spent virtually his entire scholarly career recovering a usable past for Catholics on the U.S. landscape This work of ressourcement has stood at the intersection of several disciplines and has unlocked the beauty of American Catholic life and thought These essays which are offered in honor of Portier's life and work emerge from his vision for American Catholicism where Scripture tradition reason and experience are distinct but interwoven and inextricably linked with one another As this volume details such a path is not merely about scholarly endeavors but involves the pursuit of holiness in the real world **GOD'S CALL FOR REPENTANCE (PART - II)** Antony I Raj, 2023-05-12 This is the continuation of Part I which helps the reader to understand how Important he/she is in the eyes of God Also this book enlightens people on how the Evil spirits are deceiving them to commit sin and makes them as slaves of sin and abuse their body which is the temple of the Holy Ghost thereby they indulge in sin endlessly Further this book enlightens on how the sinfulness of people makes them to lose the blessings which are promised to them by God in obedience The author's endeavor is to enlighten people on how to overcome their weaknesses and sinful desires that makes them to fall in sin repeatedly Thereby they can overcome their sinful nature glorify God and become an instrument in God's hand to be used in the work of SALVATION and

receive eternal life which was promised by Jesus Christ *God, the Creator and Lord of All* Samuel Harris, 1896 *Light*
Eddie B. Cool, 2022-08-01 This book was inspired by the book of John the first chapter In the beginning the word already
existed The word was with God and the word was God He existed in the beginning with God God created everything through
him and nothing was created except through him The word gave life to everything that was created and his life brought light
to everyone The light shines in the darkness and the darkness can never extinguish it My eyes have been opened to these
verses by the light of Christ penetrating into my soul leading me to see and understand the true meaning of life Everything
there is has a word attached to it When we can take time to slow down with understanding and yes even break words down a
little more with acronyms the power of those words can speak life to ourselves and to others When driving down a road we
have become accustomed to pushing on gas or the brake pedal as needed by our sight In life we can do the same thing with
our thinking whether good or bad to steer us away from disaster or to find peace If we only take the time and affiliate our
words with knowledge just like slamming on our brakes when a kid runs out in front of us My book will teach you how to find
peace that turns into lasting joy which is surrounded by love Little things like words put together with roots acronyms make
our lives stronger Here are a couple of acronyms just to get you started that have made a life changing transformation in me
