Nazarene Commentary Mark Heber Miller,2010-11-13 At my birth in Norfolk Virginia September 24 1938 my mother June prayed I would become a teacher or minister Now at 72 years of age after 45 years as a pastor teacher and missionary I can thank her for her prayers for they were fulfilled beyond her most hopeful dreams I look back on 60 years of Biblical studies beginning when I first completed reading the King James Bible at the age of 12 I have

been in love with the Scriptures and reading writing in general and always wanted to publish a new edition of the New Testament The Dialectic of the Holy Robert E. Meditz, 2016-09-12 This is the first published book length treatment on Paul Tillich and Judaism which is a neglected aspect of Tillich s thought It has three compelling features First pivotal biographical details show the importance of Judaism for Tillich and that he ardently opposed anti Semitism before WWII and after the Holocaust Second Tillich s theological method is examined in key primary sources to show how he maintains continuity between Judaism and Christianity The primary source analysis includes his 1910 and 1912 dissertations on Schelling the 1933 The Socialist Decision the 1952 Berlin lectures on the Jewish Question and his final public lecture on the importance of the history of religion for systematic theology Particular attention is paid to his dialectical and theological history of religion Third Tillich s positive theology of Judaism contrasts sharply with the many complex negative ways in which Judaism is portrayed in Western thought This contributes significantly to our understanding the evolving history of Christian anti Judaism
