Richard A. Gabriel

Gods Of Our Fathers The Memory Of Egypt In Judaism And Christianity:

Gods of Our Fathers Richard A. Gabriel, 2001-11-30 Gabriel offers a startling new look at Judaism and Christianity by attempting to trace their historical theological roots not to the revelations of God but to the common theological ancestor the religions of ancient Egypt Using new material only recently made available by archaeology Gabriel shows how the theological premises of Christianity were in existence three thousand years before Christ and how the heresy of Akhenaten became the source for Moses Judaism Gabriel begins with the challenge that the dawn of man's ethical conscience began in Egypt by 3400 BCE long before the age of revelation in the West Over the course of 3000 years Egyptian theologians developed a complete theology of trinitarian monotheism immortality of the soul resurrection and a post mortem judgment within the Osiris myth These concepts existed nowhere else in the ancient world and were passed directly to Christianity In 1200 BCE the heretic pharaoh Akhenaten abandoned Egyptian tradition and invented his own theology of a single god no immortal soul no resurrection and no post mortem judgment This tradition was passed to the West through Moses whose Judaic theology is identical to Akhenaten's

God's Generals Richard A. Gabriel, 2016-09-19 It is one of the more startling facts of military history that the founders of three of the four great religions Judaism Buddhism and Islam were also accomplished field generals with extensive experience in commanding men in battle One of these Muhammad fought eight battles and was wounded twice once almost fatally Another Siddhartha Gautama later to become the Buddha witnessed so much battlefield carnage that he suffered a psychological collapse Moses had become so much a god intoxicated personality it is a reasonable suspicion that he like the Buddha was murdered Indeed had the experiences of these men in war not been so successful it is quite possible that their achievements as religious leaders would never have occurred For all three war and religion were so closely intertwined in their personalities that it is difficult to discern where the influence of one ended and the other began This book attempts to explore the military lives of Moses the Buddha and Muhammad and the role their war experiences played in their religious lives

Thutmose III Richard A. Gabriel, 2009-08-31 In the course of his thirty two year reign over ancient Egypt Thutmose III fought an impressive seventeen campaigns He fought more battles over a longer period of time and experienced more victories than Alexander the Great and Julius Caesar did Despite Thutmose III's surprisingly illustrious record his name does not command the same immediate recognition as these highly visible military leaders In Thutmose III Richard Gabriel deftly brings to life the character and ability of ancient Egypt's warrior king and sheds light on Thutmose's key contributions to Egyptian history Considered the father of the Egyptian navy Thutmose created the first combat navy in the ancient world and built an enormous shipyard near Memphis to construct troop horse and supply transports to support his campaigns in Syria and Iraq He also reformed the army establishing a reliable conscript base creating a professional officer corps equipping it with modern weapons and integrating chariotry's combat arm into new tactical doctrines Politically he introduced strategic principles of national security that guided Egyptian diplomatic commercial and military policies for

half a millennium and created the Egyptian empire Through these crowning achievements Thutmose set into motion events that shaped and influenced the Levant and Egypt for the next four hundred years His reign can be regarded as a watershed in the military and imperial history of the entire eastern Mediterranean **Christian Fruit--Jewish Root** John D.

Garr,2015-04-13 Christian Fruit Jewish Root is an in depth scholarly examination of the Hebraic foundations of the major tenets and practices of Christianity This volume confirms the truth that the inherent Jewishness of the Christian faith is simply an undeniable historical and theological fact By evaluating Christian doctrine and polity through the Jewish mindset of Jesus and the apostles this book uncovers a veritable treasure of Hebraic truth For every authentic Christian fruit there is a Jewish toot This truth id demonstrated across a wide spectrum of theological truth including Scripture Messiah Salvation Faith Baptism Gospel Grace and Discipleship Christianity owes a profound debt of gratitude to the Jewish people and to biblical and Second Temple Judaism for the foundations of the truths and practices that it hold dear As you read this challenging informative and inspirational book you will be amazed at just how Jewish Christianity the other Jewish religion actually is The Military History of Ancient Israel Richard A. Gabriel,2003-10-30 Exactly how did the Israelites cross the

desert How did Moses cross the Red Sea How did Joshua take Jericho and how did the sun appear to stand still at the Ajjllon Valley No one has ever analyzed the Bible as a military history Gabriel provides the first attempt at a continuous historical narrative of the military history of ancient Israel He begins with a military analysis of Exodus an unprecedented and hugely significant contribution to Exodus Studies This book includes collaborative findings from archaeology demography ethnography and other relevant disciplines As a seasoned infantry officer and military historian Gabriel brings a soldier s eye to the infantry combat described in the Bible Seeking to make military sense of the Biblical narrative as preserved in Hebrew he renders comprehensible some of the mysterious explanations for famous events Christ in Egypt D. M.

Murdock,Acharya S,2008-12 This comparative religion book contains a startling perspective of the extraordinary history of the Egyptian religion and its profound influence upon the later Christian faith The text demonstrates that the popular god Horus and Jesus possessed many characteristics and attributes in common **Encyclopedia of African Religion** Molefi Kete Asante,Ama Mazama,2008-11-26 Numerous titles focusing on particular beliefs in Africa exist including Marcel Griaule s Conversations with Ogotemmel but this one presents an unparalleled exploration of a multitude of cultures and experiences It is both a gateway to deeper exploration and a penetrating resource on its own This is bound to become the definitive scholarly resource on African religions Library Journal Starred Review Overall because of its singular focus reliability and scope this encyclopedia will prove invaluable where there is considerable interest in Africa or in different religious traditions Library Journal As the first comprehensive work to assemble ideas concepts discourses and extensive essays in this vital area the Encyclopedia of African Religion explores such topics as deities and divinities the nature of humanity the end of life the conquest of fear and the quest for attainment of harmony with nature and other humans Editors

Molefi Kete Asante and Ama Mazama include nearly 500 entries that seek to rediscover the original beauty and majesty of African religion. Features Offers the best representation to date of the African response to the sacred. Helps readers grasp the enormity of Africa's contribution to religious ideas by presenting richly textured concepts of spirituality, ritual and initiation while simultaneously advancing new theological categories, cosmological narratives and ways to conceptualize ethical behavior. Provides readers with new metaphors, figures of speech, modes of reasoning, etymologies, analogies and cosmogonies. Reveals the complexity, texture and rhythms of the African religious tradition to provide scholars with a baseline for future works. The Encyclopedia of African Religion is intended for undergraduate and graduate students in fields such as Religion, Africana Studies, Sociology and Philosophy.

Life from the Dead John D. Garr, 2014-06-10 Life from the Dead is an in depth study of the incredible endurance of the Jewish people in history despite ongoing systematic and unrelenting efforts to effect their genocide. The survival of the Jewish people is not however merely a testimony to their own resiliency or ingenuity. It is a testimony to the utter faithfulness of their God to maintain the integrity of the covenant he made with Abraham, Isaac and Jacob. Your faith in God will be enriched as you read these dramatic subjects: Daily Prayer, As Good as Dead, Can These Bones Live, The God Wrestler, From the Pit to the Palace, A Resurrected Nation. By My Spirit Says the Lord, Mashiach, Life from the Dead. The God of Israel is the ruler over death and life. As such he can heal the sick and restore the terminally ill to life and in the end he will keep faith with the righteous who are in the dust of the earth by bringing them forth to life from the dead in the resurrection. Life from the Dead will build your faith in God's power to triumph over death and to bring abundant life to all those who put their trust in him.

Maat, The Moral Ideal in Ancient Egypt Maulana Karenga, 2003-12-01 This work is a critical examination of Maat, the moral ideal in ancient Egypt. It seeks to present Maat in the language of modern moral discourse while at the same time preserving and building on its distinctiveness as a moral ideal capable of inspiring and maintaining ethical, philosophic reflection. The effort here is one of both interpretation and transmission of an ethical tradition, a project in which tradition is seen not simply as a precondition and process in which one comes but also as an ongoing product of one's efforts to understand it. Locating himself within the tradition, the author seeks to test the conceptual elasticity of its major categories and contentions and to establish its capacity for critical moral discourse.

God and Women J. Kohn D. Garr, 2011-02-16 Since time immemorial women have been the most consistently and universally abused people group on Planet Earth as men in virtually every human culture have systematically unrelentingly and often violently dominated women. Unfortunately women of faith have also been virtually bound in chains of submission and gagged by demands for silence since the end of the apostolic era. God and Women brings serious biblical and historical scholarship to bear on the role of women in family, society and church in an analysis of God's original intentions for women and for men at the moment when he created humanity. Whether you are a woman or a man, this book and the other volumes in this series will literally set you free, challenging you to think and to act on divine truths from the Hebraic foundations of your faith. You will

clearly see God's original design and intent for women and you will start tearing down prison walls that have deprived half of God's children of the freedom to pursue his gifts and calling in the family in the society and especially in the community of faith

Chasing Immortality in World Religions Deborah M. Coulter-Harris, 2016-07-25 Humans have been chasing immortality since the beginning of history seeking answers to sickness and aging death and the afterlife and questioning the human condition Analyzing ideas from ancient Sumer Egypt Greece and India as well as the Abrahamic religions of Judaism Christianity and Islam this study explores how early religious models influenced later beliefs about immortality the afterlife the human soul resurrection and reward and punishment The author highlights shared teachings among the most influential religions and philosophies concluding that humankind has not substantially changed its conceptions of immortality in 6 000 years This continuity of belief may be due to chromosomal memory and cultural inheritance or may represent a fundamental way of conceptualizing the afterlife to cope with mortality Instructors considering this book for use in a course may request an examination copy here

Refuting Peter Singer's Ethical Theory Susan Krantz, 2002-01-30 Krantz provides a defense of traditional human centered ethics against Peter Singer's ethical theory Singer favors a Copernican revolution in ethics because he thinks our traditional ethics has collapsed under pressure from medical technology and from advances in the biological understanding of our fellow animals For nearly thirty years he has argued that the boundaries of the human lifespan and of the human species are so unclear that we must abandon our views that human beings have a special dignity and that the taking of innocent human life is always wrong Against this Krantz argues that in today's world human life has been cheapened and the values of the marketplace have begun to govern medical care and organ donation birth and death In fact this is just a foretaste of the world to come if Singer's ethical theory succeeds in replacing traditional human centered ethics What is required is not the abandonment of human dignity and of the sanctity of human life but rather a renewed understanding of how principles based on these ideas can be applied in the twenty first century Scholars students and general readers involved with ethical and contemporary philosophy issues will find this book interesting

The Jesus Sayings Rex Weyler, 2009 Is it possible to reconcile Jesus the Prince of Peace with religious violence From the Inquisition to the burning of women healers to modern pedophilia scandals spiritual leaders and followers are deeply divided about how to reconcile the teachings of Jesus with the atrocities of church history How did his message get misinterpreted and what relevance does that message have in the 21st century Here critically acclaimed author and social historian Rex Weyler explores the mystery surrounding the historical Jesus whose voice and words have been distorted by centuries of revision By examining the research of international Bible scholars and some 200 ancient sources including the recently discovered Gospels of Thomas and Mary Weyler recreates the life of Jesus and his legacy from the Roman Empire to the present day Combining popular history with modern scholarship *The Jesus Sayings* is a revelatory and highly readable work that entertains inspires and enlightens

Ancient and Indigenous Wisdom Traditions in African and Euro-Asian Contexts

Ehaab Abdou, Theodore Zervas, 2024-08-01 This book brings attention to the understudied and often overlooked question of how curricula and classroom practices might inadvertently reproduce exclusionary discourses and narratives that omit or negate particular cultures histories and wisdom traditions With a focus on representations and classroom practices related especially to ancient and Indigenous wisdom traditions and cultures it includes unique contributions from scholars studying these questions in various contexts The book offers a range of important studies from key African and Euro Asian contexts including Afghanistan Albania Greece Iran South Africa Sweden T rkiye and Zimbabwe The various chapter contributions address and discuss nuances of each of the contexts under study The contributions also help highlight some key commonalities across these contexts including how dominant discourses and various forces have historically shaped and continue to shape and reproduce such omissions misrepresentations and marginalization In addition to seeking to reconcile with some of these ancient and Indigenous wisdom traditions and cultures the book charts a path forward towards more holistic analytical frameworks as well as more inclusive and balanced representations and classroom practices in these aforementioned geographic contexts and beyond It will appeal to scholars researchers undergraduate and graduate students with interests in Indigenous education curriculum studies citizenship education history of education religion and educational policy

Searching for Meaning in the Holocaust Sidney M. Bolkosky, 2002-07-30 Scholars survivors and other interested parties have offered over the years their own interpretations of the meaning of the Holocaust and the lessons we can learn from it However the quest to find a rational explanation for this seemingly irrational course of events has led to both controversy and continued efforts at assigning meaning to this most horrible of events Examining oral histories provided by survivors written accounts and explanations scholarly analysis and commonly held assumptions Bolkosky challenges the usual collection of platitudes about the lessons or the meanings we can derive from the Holocaust Indeed he argues against the kind of reductionism that such a quest for meaning has led to and he analyzes the nature of the perpetrators in order to support his position on the inconclusivity of the study of the Holocaust Dealing with the perpetrators of the Holocaust as manifestations of twentieth century civilized trends foreseen by the likes of Kafka Ortega y Gasset Arthur Koestler and Max Weber Bolkosky suggests a new nature of evil and criminality along the lines developed by Hannah Arendt Raul Hilberg and Richard Rosenstein Woven into the fabric of the text are insights from literary and historical writers sociologists and philosophers This interdisciplinary attempt to shed new light on efforts to determine the meanings and lessons of the Holocaust provides readers with a challenging approach to considering the oral histories of survivors and the popular and professional assumptions surrounding this devastating moment in history

Human Dignity and the Common Good Richard Rousseau, 2001-11-30 Consisting of the full text of eight papal social encyclicals dating back to 1891 and the papacy of Leo XIII and one important papal radio address on Christian social ethics this reference work also introduces outlines and summarizes the texts in a clear understandable language Each encyclical was intended to be a commentary on and

modernization of Leo XIII's masterly and foundational encyclical *Rerum Novarum* and Rousseau brings them together using their standard paragraph numbering system for easy reference. This valuable reference represents a unique thematic approach to these important religious and social documents. Readers will better understand the social, economic, political, and thoroughly Christian ideas of Popes throughout the 20th century with the outline and summary interpretation of each text.

The Ecumenical Movement Thomas E. FitzGerald, 2004-04-30. What is Ecumenism? How and when did it start? What are its goals, and how will they affect the future of the Christian churches? This book answers these questions and examines the remarkable story of new encounters between Orthodox, Roman Catholic, Anglican, Old Catholic, and most Protestant churches. Most of these churches have been divided for centuries over issues of theology, faith, and practice. Ecumenism seeks to reconcile these differences and to bring the churches together into a new unity based on their commonalities and their understanding of Christian faith. Here FitzGerald traces the history of the churches and their divisions and focuses on the ways in which the Ecumenical movement began and the efforts that have been made to assist the churches in overcoming age-old strife, animosity, and misunderstanding. For centuries, Christian churches have remained divided over their doctrinal differences, but beginning in the late nineteenth century, churches and their members slowly began to emerge from their isolation. They began to abandon competition, mistrust, and misunderstanding in an effort to seek out their common interests and faith through meetings and organizations meant to bring them together. The encounters between the churches led to proposals for common prayers for unity and for common witness in society. While not without difficulty, these encounters have fostered a renewal in Christian theology, worship, and witness affecting all levels of church life. The process has touched Christians all over the world in various ways. FitzGerald carefully traces the history of the movement and its impact on the churches themselves as well as the believers who attend them, making this important reading for all Christians and anyone interested in learning more about church division and efforts to restore unity.

Decoding the Osirian Myth Panagiota Sarischouli, 2024-09-23. The earliest written references to the Osirian myth complex appeared already in the Pyramid Text spells c. 2400-2300 BCE. The most complete exposition of this ancient Egyptian myth is, however, found in the Greek treatise *On Isis and Osiris* in which the 2nd-century CE Platonist Plutarch utilises Egyptian mythology to advocate his philosophical ideas concerning the divine and the nature of the cosmos. This book aims at decoding Plutarch's narrative of the Osirian myth, linking his claims to the existing Egyptian and Greek parallels. It thus analyses a multitude of mythic and religious traditions from a transcultural perspective, exploring the relation of the Pharaonic features of the Osirian divinities to the features they had acquired in Ptolemaic and Roman times, interpreting the Egyptian myth within the overall framework of parallel mythologies from other cultures, and examining whether the brief mythic stories (*historiolae*) recited in Late Egyptian ritual texts can be deployed to enrich the context of certain obscure episodes in Plutarch's account of the myth. The book will be of great interest not only to scholars and students of Plutarch and later Middle Platonism but also to Egyptologists. Due to its

thematic variety and scope this publication will also appeal to a wider array of readers specialists and non specialists alike interested in religious syncretism interreligious connections and the challenge of multiculturalism from Hellenistic times until Late Antiquity

Understanding Biblical Israel Stanley Ned Rosenbaum, 2002 According to Stanley Rosenbaum the Bible resembles what a family would retrieve after a tornado hits a trailer park some of the family's own possessions mixed with those of others overlapping contradicting and disordered Understanding Israelite History is a revolutionary attempt to fill in the many gaps left in the historical record Rosenbaum begins by demonstrating that Israel's religion was not a clean divinely inspired break with humanity's past but derives from the long sweep of events that began when Homo sapiens first acquired language Strata of earlier religions are still visible beneath the surface of Israelite monotheism Early Israel was not one man's family however dysfunctional It was a collection of individuals and groups mainly outcasts or lower social elements who coalesced into a nation and developed though they did not always follow a religion of ethical monotheism and principles of democratic government and social justice that still today move and inspire more than half the world's population Like all religions Israel's was shaped by the language in this case Hebrew in which it is expressed Expressing monotheism in a language that is essentially dualistic conduced to the suppression of the female elements of earlier religions which had nurtured Israel's religion and consequently to a lack of appreciation for the part played by women in Israel's religious life This skewed view of Israel's religion and its history that the Bible contains is a result of its having been collected edited and in part written by Judeans southern survivors and heirs of David's kingdom who were moved to record it in the wake of the destruction of Jerusalem in 586 BCE

Man and Wound in the Ancient World Richard A. Gabriel, 2012 Examines the fascinating role of medicine in ancient military cultures Shows how the ancients understood the body patched up their warriors and sent them back into battle Reveals medical secrets lost during the Dark Ages Explores how ancient civilizations technologies have influenced modern medical practices

Gods Of Our Fathers The Memory Of Egypt In Judaism And Christianity Introduction

In the digital age, access to information has become easier than ever before. The ability to download Gods Of Our Fathers The Memory Of Egypt In Judaism And Christianity has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Gods Of Our Fathers The Memory Of Egypt In Judaism And Christianity has opened up a world of possibilities. Downloading Gods Of Our Fathers The Memory Of Egypt In Judaism And Christianity provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Gods Of Our Fathers The Memory Of Egypt In Judaism And Christianity has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Gods Of Our Fathers The Memory Of Egypt In Judaism And Christianity. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Gods Of Our Fathers The Memory Of Egypt In Judaism And Christianity. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Gods Of Our Fathers The Memory Of Egypt In Judaism And Christianity, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Gods Of Our Fathers The Memory Of Egypt In Judaism And Christianity has transformed the way we access

information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Gods Of Our Fathers The Memory Of Egypt In Judaism And Christianity Books

1. Where can I buy Gods Of Our Fathers The Memory Of Egypt In Judaism And Christianity books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
