Gods of War Storm Kesocascay, 2012-11-05 A long time ago an ancient god sought to pool the powers of his brethren in order to create beauty out of chaos He created the Divine Covenants or Accords which bound the gods powers together They could have lived forever peaceably and surrounded by paradise However one ancient god soon used the pooled powers for evil and was banished by his own son to eternal confinement Years later in 1882 Atlantis Time the continents still exist in the form of Pangaea one huge connected continent The son who once banished his own father still lives as the god of war His name is Arylos and he has forgotten about his confined family foe until he witnesses a suspicious murder in the midst of dreams The murder turns out to be fact someone has conjured Arylos's father and died in the process Now Arylos is back He longs for power and revenge against both his son and all of human kind With the help of his Black Dog soldiers Arylos must find a way to return his father to the grave But

does he have the strength to condemn his own father twice The fate of Atlantis and all of reality is in Aryloss hands for if Pangea falls so will reality sucked into the dark madness of one power hungry immortal **God of War - The Official Novelization** J.
