Gods Other Son Abridged:

A Shortened Version of the Bible Daniel Gwira,2012-08-14 According to author Daniel Gwira I once decided to try to read the Bible and take notes It took me almost a year Although the Message was clear powerful and good I wondered why there had never been a pr cis version of the Holy Book and this gave me the idea to turn the notes I took into a shortened version of the Bible I have to the best of my ability accurately and faithfully summarised the Bible in all its paradoxical mix of confusing complexity and sizzling simplicity I hope it will be useful practical and a delight for those who choose to read it A Hand Not Shortened William Jeynes,2005-12-01 A Hand Not Shortened is a comprehensive theological book on the creative workings of the grace of God in ten of the great individuals of the Bible Very few books examine exegetically the dynamics of the grace of God in such detail The primary theme of the book is that God adjusts the workings of His grace to each of these great individuals situations Theologically speaking God s grace is not restricted to parameters that apply only to pristine individuals or to those who were raised in privileged circumstances Rather God s grace is characterized by great flexibility to reach any individual in a variety of circumstances This fact has grand theological and practical implications It gives hope to the theologian whose primary declaration is that God is Love and stirs the aspirations of the seeker who longs to hear that God really cares This book focuses of the lives of many great individuals from the Bible including Abraham Jacob Joseph Moses David Peter Paul and others as well This book will have a deep impact upon both the theologian and the seeker *An Abridgement of Gerard Brandt's History of the Reformation in the Low-Countries* Geeraert Brandt,1725 The Works of Jonathan Edwards Jonathan Edwards,1839 **Finding God** Jim Hall,2019-12-12 Based on the song Looking for Love in All the Wrong Places Finding God Looking for Him in All the Right Places helps people change course and choose a more satisfying fulfilling and meaningful path Author Jim Hall discusses how attaining happiness can t be found through such things as work status video games cell phones and other superficial means but rather through the Bible and God Finding God is about making decisions and committing to them language being able to articulate what our words mean modern culture including its fascination with technology you and the need for more peace meaning and satisfaction in your life consciousness and the role God plays in it and Jesus of Nazareth the most influential person ever born In Finding God Hall offers a look at God Jesus the Bible and the reasons why you need to bring them actively into your life **The Holy Bible ... with Copious Marginal Readings. Other Elect Jeremiah E. Dahl, 2025-05-30 An in depth breakdown of the theological and exegetical basis for salvation amongst the unevangelized in Reformed theology What is the fate of those who never hear the gospel What becomes of the unevangelized Does Reformed theology allow for belief that some even many who never hear the gospel are saved and if so what might that look like Perhaps more importantly does Scripture provide any hope for their salvation A standard answer from the Reformed tradition is that those who never hear the gospel are simply not elect if they were God in His sovereignty would have sent the gospel to them Yet the Westminster Confession affirms the reality of other elect those incapable of being outwardly called by the ministry of the Word WCF 10.3 Many luminaries of the Reformed tradition W G T Shedd A A Hodge John Gerstner Douglas F Kelly Philip Rollinson Richard J Mouw R C Sproul and others have left open the possibility this refers to the unevangelized Granting this possibility how can this be squared with the rest of Reformed theology and what exegetical ground is there for such a view This book seeks to establish the theological and exegetical framework necessary to support such a view It argues both that Reformed theology has the tools to account for such a possibility and that Scripture provides ample evidence to not just establish the possibility but the reality of salvation amongst the unevangelized

Paul, the Founder of Christianity Yoseop Ra, 2021-12-01 Although many scholars have studied Paul's theology they have not provided satisfactory interpretation This is because his genuine epistles were studied as they have been left in the New Testament Rather from a redactional point of view Paul the Founder of Christianity approaches Paul's seven epistles Romans 1 Corinthians 2 Corinthians Galatians Philippians 1 Thessalonians and Philemon The book reconstructs his life and uncovers the compilation of sixteen short letters into seven epistles Accordingly these can be divided according to the chronological order of composition When the transformation of Paul's theology is traced one can see a progressive development of Christology the death of Jesus Christ redemption and salvation the Law the end of world the spirit of God and the church of God As a result it can be argued that after the Antioch incident Paul had conflict with the apostles of Jerusalem and founded Christianity for gentiles an argument that is presented in detail based on the evidence found in Paul's sixteen letters
